

The Newton Red Cross is now on active service in our City, and an urgent appeal has been issued from Washington for increased support on the part of our citizens. Enrollments should be doubled to satisfy the needs of the times. To accomplish this we are all asked to help put a Red Cross symbol in every Newton home and place of business.

The Annual Roll Call starts this year on Armistice Day, November 11th, and will continue until November 30th. Newton has never failed to heed similar calls and will not fail at this time or in the present emergency. I earnestly solicit your wholehearted support of the American Red Cross so that this, the Twenty-fifth Roll Call, may be successfully carried out by our Chapter.

PAUL M. GODDARD,
Mayor.

Hitler To Seek Peace Says Marley

British Statesman Tells Forum Acceptance Is Merely An Armistice

A prediction that peace offers would soon be forthcoming from Hitler and a warning to be wary of their acceptance were sounded by Lord Marley, British statesman, at the first meeting of the season held by the Newton Community Forum yesterday afternoon in the Newton High School auditorium.

"There will be, as time goes on, a succession of peace offers," he declared. "It will be part of a plan to undermine the determination of the democracies to resist. But we know we can't trust Hitler. It would be merely an armistice, to be followed by greater attacks in the future."

Several hundred persons attended the meeting. Professor Kirtley F. Mather, president of the Forum, introduced the speaker. He also announced that "Chih Meng, director of the China Institute in America, will speak at the next Forum, Nov. 16, on 'War in the Orient.'"

Lord Marley's subject was "The Pattern of the Peace." He made it clear that the purpose of the democracies was to build a better world.

SAVINGS IN TAXES

It is still possible for those who contemplate making gifts to members of their family or to others through use of the widely favored irrevocable trust, to do so at the prevailing lower gift tax rates. On January 1, 1942, the new and substantially higher Federal Gift Taxes will become effective.

Our Trust Officer will gladly explain the many advantages of this form of trust.

GODDARD WINS BY LARGE MAJORITY To Dedicate Memorial Window

Newton Centre Church Service In Honor of Edward M. Noyes, Former Pastor for Many Years

First Church Has Had But Ten Ministers In 275 Years

The First Church in Newton will dedicate the Edward MacArthur Noyes Memorial Window at the 11:00 o'clock service on Sunday, November 9th.

Dr. Noyes was the 10th minister of the church and at the time of his retirement these ten pastorates had covered a period of 265 years, or an average of 26½ years. So far as is known this record is exceeded by only one other church in the United States. Dr. Noyes' own pastorate exceeded the average. He was the active minister of the church for 35 years and minister-emeritus for the ten years that elapsed between the time of his retirement in 1929 and his death in 1939.

After his retirement from the First Church in Newton he served as the pastor of the Tourist Church, Daytona Beach, Florida, until 1936 and then was also made pastor-emeritus of that church so that during his last years he had the unusual distinction of being pastor-emeritus of two churches.

His active pastorate in Newton Centre was notable not only for the strong growth of the church but also for the building of the present stone church. He was particularly gifted in his work with children and published a book of children's sermons which had a wide reading. Within recent months the Church Office has had a letter from a clergyman in Australia asking if other volumes of his sermons are available.

Dr. Noyes was born in New Haven, Connecticut, October 12, 1858 and died at Daytona Beach, Florida, December 17, 1939. He was graduated from Yale in 1879 and from the Yale Divinity School (Continued on page 10)

Mayor Goddard Thanks Voters

I sincerely appreciate the overwhelming vote of confidence which has been given me as Mayor of the City of Newton, and I want to thank all our citizens who have worked so hard and faithfully for my re-election. I shall continue to discharge the duties of the Executive Department of our City to the best of my ability.

Navy Flyer Dies In Fall Of Bomber

The U. S. Navy department announced on Tuesday the fall of a navy bomber somewhere over the Atlantic. One of the twelve victims of the disaster was Ensign Carl McGregor Thornquist, 26, son of Mr. and Mrs. Carl J. Thornquist of 159 Bellevue st., Newton. Yesterday a further announcement disclosed the fact that the patrol bomber was on a "routine flight" when it disappeared on Sunday morning. Aerial reconnaissance discovered the wreckage Monday on a mountain slope on an unidentified island in the North Atlantic and ground crews were dispatched to the scene. Ensign Thornquist's name headed the list of casualties although the announcement did not state who was in charge of the plane which carried eleven officers and men and an army officer passenger.

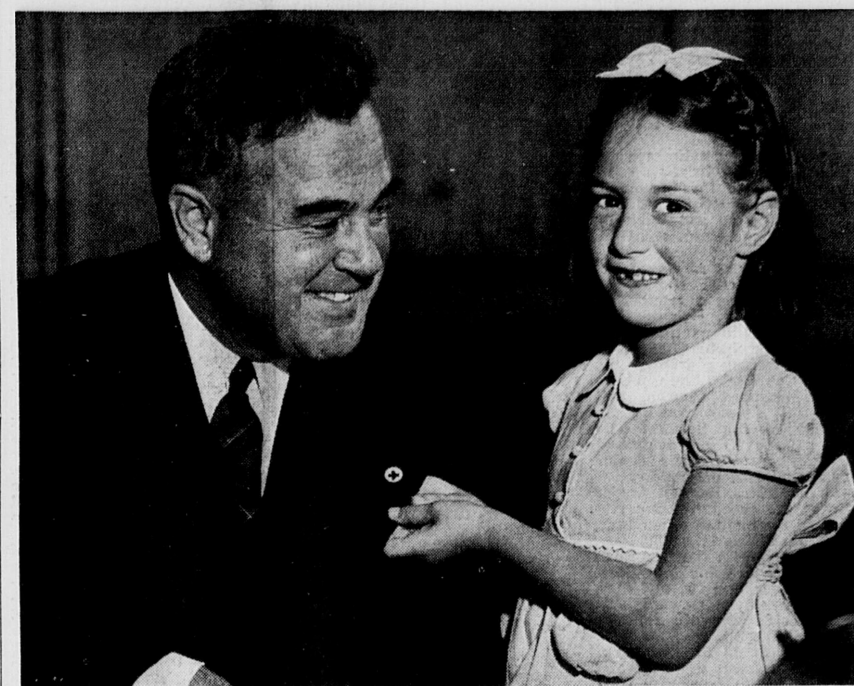

Carl Thornquist was born in Somerville on June 30, 1915, and was graduated from Newton High School in 1934. He attended the Beacon Preparatory School in Wellesley for a year and entered Bowdoin College in 1936.

Leaving college in 1938 he trained at the U. S. Naval Reserve Air Base at Squantum and on completion of the course there in August was sent to the Navy's air station at Pensacola. Completing the year course he received his commission as an ensign in the fall of 1939 and was assigned to a patrol bombing squad.

Besides his parents he is survived by two brothers, Burton Thornquist, a sophomore at Bowdoin and Lieut. Hamilton Thornquist attached to the Press Relations Office of the First Naval District at Boston.

Red Cross Roll Call To Begin

Newton Quota Is 15,000 Members—Double That Of Last Year

Plans for Newton's house-to-house canvass on the 25th Roll Call of the American Red Cross are progressing rapidly. Mrs. Henry T. Patch, chairman of the Roll Call, with her 12 village chairmen, have worked out all the details for the enrollment campaign.

The 12 village chairmen have had meetings with their newly appointed captains who have lined up over 1,500 willing workers as volunteers for this worthy cause.

With greater needs and calls for the Red Cross, Newton's quota is doubled to 15,000 members. We want every family in Newton to have the opportunity to enroll.

The slogan is "100 per cent Red Cross Enrollment in Every Newton Family."

The list of village captains and their chairmen follows:

Afternoon Sessions On Wednesday, Thursday, And Friday at Newtonville—Many Valuable Prizes To Be Awarded

Every woman in Newton is interested in cooking and in the announcement of the fourth annual Newton Graphic Cooking School. The three free sessions of this annual fall event will be held on Wednesday, Thursday, and Friday afternoons, November 12, 13 and 14 at the Newtonville Woman's Clubhouse on Washington Park, Newtonville. The sessions of the school, which is conducted with the co-operation of the Boston Consolidated Gas Company and many local merchants will begin at two o'clock. Doors will open at 1 p. m. and all are urged to come early as capacity attendances are expected at every session.

There is a familiar saying that the way to a man's heart is through his stomach and another that the way to keep peace in a family is to feed friend husband well. Many valuable cooking hints will be imparted to those who attend in the demonstration of recipes. Miss Susan B. Mack, director of the Home Service Department of the Gas Company will be the director of the school, Miss Katherine Bladale, one of the most popular and best known cooking school teachers in this section will demonstrate favorite recipes.

Bauckman and Gibbs Lose In Aldermanic Race

In an overwhelming endorsement of his administration of city affairs during the past two years Newton voters re-elected Mayor Paul M. Goddard on Tuesday by a vote of 15,088, over that of 8,304 for ex-Mayor Edwin O. Childs. The nearly 7,000 plurality was compiled by Mayor Goddard in 23 of the 26 precincts of the city in which he carried six of the seven wards.

Former Mayor Childs carried the two precincts of Ward 1, his home ward, and one precinct of Ward 7 in the Newton Corner section of the city. Two years ago in a four-candidate contest Goddard handed Mayor Childs his first majority defeat in a close race. An apparent margin of 140 votes at that time was increased to 720 votes in a recount. Exceeding the confident expectations of Mayor Goddard's most enthusiastic supporters the overwhelming plurality on Tuesday is regarded as an exceptional personal tribute to the present chief executive, rivaling that tendered to Childs on many occasions during his 20 years service as Newton's mayor.

The trend of the vote was apparent from the early returns showing pluralities for Goddard far exceeding his vote of two years ago. His re-election kept intact a record of never having lost a political contest. Before being elected Mayor two years ago Goddard served as a member of the Board of Aldermen for several years and as a State Representative for two years.

Recount in Ward 5 Contests A close contest between the three candidates for Aldermen-at-Large from Ward 5 has apparently resulted in the re-election of the two sitting Aldermen, Howard Whitmore, Jr. and John Temperley over candidate Wendell Bauckman. Bauckman announced on Wednesday that he would seek a recount of the vote in which he trailed Alderman Temperley by 110 on first choice votes. Temperley's lead was increased to 234 by the addition of second and third choice votes made necessary by the preferential method in use in this city. Alderman Whitmore had a substantial plurality, polling a total vote of 12,607 to 9,045 for Temperley and 8,811 for Bauckman.

Upset In Ward One The only "upset" in the Aldermanic contests which resulted in a change of membership of the Board was in Ward 1 where former Alderman James P. Akins defeated Alderman Donald L. Gibbs, 953 to 812. Gibbs was elected as an Alderman-at-large two months ago to fill a vacancy caused by the resignation of Major Richard H. Lee. Gibbs consented to run as Ward Alderman in the election in order that the present Ward Alderman, Edward A. Fahey might run for Alderman-at-large. Alderman Fahey was unopposed by the Board.

The only other change of representation in the Board of Aldermen is in the position of Ward Alderman from Ward 5 where (Continued on page 4)

Rotary Club

A letter was read by President Charles Meeker from the Rotary Club of Sturbridge, England in which mention was made of the fact that the latter club in a recent meeting toasted the Rotary Club of Newton because two young English refugees, Aileen and Michael Burton, are making their temporary home with Mr. and Mrs. Warner Eustis of 260 Franklin st., Newton. Mr. Eustis was present as a guest of the club and responded to the communication from England by briefly stating the joy that he and Mrs. Eustis were experiencing by having these English young people in their home. The members of the Newton Club toasted the health and peace of the Sturbridge, England Club.

The speaker at the luncheon was Mr. Harry A. Dalian, member of Boston Rotary Club and a dealer in Oriental rugs with stores in Boston and St. Petersburg, who spoke on "The Romance of Rugs." Mr. A. Dalian related experiences of his boyhood in Turkey and of his early years in this country. He said there were four essential elements in every rug—warp, wool, color and design. A room-sized rug requires from six months to a year to make and contains upwards of 600 knots to the square foot. The art is carried on from generation to generation in families. Mr. A. Dalian stated there were two kinds of Oriental rugs on the market. One is a chemically washed rug which looks like silk and is a poor investment. The other is an unwashed rug with no chemical and is a good investment. The speaker entertained his listeners with an interesting description of "The Forty Thieves in the Rug Business" who practice dishonesty and misrepresent the value of their rugs. He closed with a glowing tribute to Rotary and its principles and the privilege of being a citizen in our democracy.

Central Club Hears Pres. Compton of M.I.T.

The Central Club held its second meeting of the season at central Church Monday evening with a large attendance for the dinner and lecture. President Ralph W. Conant presided. Singing of popular songs and sailor chanteys was led by Joseph W. Ludvigson, with Franklin Field soloist and Larry Stillman as pianist. Walter H. Sears reported for the committee on young people's work that a man was needed to lead a class of boys, also one to give instruction in orchestral work. A long list of new members was voted in and each one was received with applause.

The speaker of the evening was President Karl T. Compton of Massachusetts Institute of Technology. He was introduced by Wallace Ross, Jr. Compton gave a comprehensive account of the activities of scientific and technical people in aiding the government's defense program, speaking of the activities of the boards in which he has had a conspicuous part. One very interesting remark was brought out when someone asked if tyranny in Germany had not driven out many of their scientific men. He replied that it was hard to get definite facts on that point, but he suspected the statement to be largely true. He added that men who take university training usually like to speak their minds, and as they could not do that in the German universities, they were more apt to go into the army, where they had more freedom of speech.

The Re-Election of Mayor Goddard

The overwhelming endorsement of the administration of Mayor Paul M. Goddard on Tuesday by the voters in re-electing him as Chief Executive of the city for a second term of two years was more than a surprise to many Newton citizens. Although it was conceded that Mayor Goddard had performed the task of mayor for two years in a most creditable fashion the personal popularity of his opponent, former Mayor Edwin O. Childs, was a political obstacle which Mayor Goddard had barely overcome in the 1939 election.

Mayor Goddard has made many friends in

the two years he has been in office. His administration has been capable, efficient and without favoritism. And it is on that basis that Newton voters have selected their administrative officials throughout the years. Newton has always enjoyed good government, under Mayor Goddard, Mayor Childs, Mayor Weeks and others before them. With a 62 per cent vote cast on Tuesday it is evident that Newton desires to maintain its standing as a good place to live.

Mayor Goddard has due reason to be especially proud of the personal tribute given him in the large majority vote which he polled.

Make Hallowe'en Parties Permanent

The community enterprise of more than one hundred and fifty Newton citizens in successfully carrying out eighteen Hallowe'en parties for Newton children of varying ages is of more than passing interest. Last Friday evening over sixteen hundred children were entertained at these parties in the numerous sections of the city. Although the committees were held under the auspices of the Newton Recreation department numerous organizations and many individuals contributed their efforts and assistance in carrying out the plan. We are informed that the introduction of this type of Hallowe'en entertainment into the city of Newton was upon the suggestion and untiring efforts of Alderman Theodore Lockwood of Ward 7, who had known of successful efforts in this direction in the middle west.

A marked reduction in vandalism, false alarms, and other usual Hallowe'en activities of an even more destructive nature was evident. As far as could be learned the mischief was confined to a half dozen false alarms; the breaking of street lights and the removal of street signs. The making of permanent plans to carry out similar parties and to extend them on an even larger scale in future years is plainly desirable. There is no question of the importance of providing for the expression of youthful exuberance in a healthy, normal fashion in a manner which respects the rights of the personal property of others. Newton parents we are sure, will welcome any opportunity to participate in the future expansion of the Hallowe'en plans.

The Red Cross Roll Call

Next Tuesday the Newton Chapter of the American Red Cross begins its annual roll call. This year the Newton quota has been doubled to 15,000. Increased interest and activity is essential if the Newton quota is to be achieved. We have always gone over the top. The work of the Red Cross is widespread and its importance in aiding in the relief of human suffering cannot be exaggerated. We are sure that Newton will respond as in the past and upon conclusion of the membership drive that Newton will once again be outstanding in its support of such a deserving cause.

Armistice Day Again

Another Armistice Day is at hand. The older generations still remember that day in 1918 when the World War came to a close. Today the world is in the throes of another struggle—far more disturbing than that of the past. Once it was believed that a war to end war had been fought. The ideal of peace is still the salvation of the world. In pausing to commemorate the efforts of those who gave their lives that a peaceful world might survive let us also reverently seek to find our way through the darkness, trials and troubles that confront us at the present.

Plan Midwinter Operetta For British Relief

Newton Unit Sponsors Presentation In High School Auditorium

Rehearsals for the Midwinter Gilbert and Sullivan Opera "Patience," which the British War Relief Society, Incorporated, will present in the Newton High School auditorium on Friday and Saturday evenings, December 12 and 13 are well under way.

In the cast are many names that have become popular with the Newton public during the past six years. Charles Pearson will sing "Bunthorne" the role originally played by Mr. George Grosvenor at the Opera Comique, London, in 1881. Mr. Pearson is the baritone soloist at Trinity Church, Boston, and member of the staff of the New England Conservatory of Music. As the Lady Jane, playing opposite Mr. Pearson, will be cast Emily Coolidge Reid, whose inimitable comedy work has added greatly to the success of these productions in the past. Mrs. Reid is a Radcliffe graduate and has written both the book and music for two delightful operettas which some years ago were produced by the Radcliffe Alumnae Association.

The role of Grosvenor will be sung by John Tulloch, Jr., tenor soloist, at the First Congregational Church in Newton Centre.

Others old and new to the cast include the well known organist, Reginald Eastman as the Duke of Dunstable, Najeeb Nackley as Colonel Calverley, George Brewer as Major Murgatroyd. The Ladies Angela, Ella, and Saphir will be sung by Gertrude MacKenzie, Sybil Chubb, and Ruth Allen Smith; while the role of Patience will be in the hands of the popular young radio artist, Raphaela Plasmatti.

As in the past the opera will be coached and conducted by Marion Ray Hitchcock.

There will be an advance sale of tickets at S. S. Pierce's Store, Newton Centre sq., on Wednesday, Thursday, Friday and Saturday, November 12, 13, 14, 15 from 10 a. m. to 4 p. m. All seats reserved.

Kiwanis Club

Mr. Archie Bellinger, Chairman of the Kiwanis Concert Committee, reported at the Kiwanis meeting held last Tuesday that nearly 300 tickets to the Pop Concert, to be held at the Newton Centre Women's Club on the evening of November 10, had already been sold. The High Pines Symphony Orchestra, who are furnishing the music, have already proved popular with the music lovers of Newton, and this occasion is no exception.

Mr. Walter Hood, Chairman of the Reservations Committee, reported a long list of persons who were reserving full tables for themselves and guests.

Mr. Frank Hurlbut, Chairman of the Program Committee, reported that the program was in the printer's hands.

The speaker at the club meeting last Tuesday was Mr. James P. Gibbons, who has recently moved to Newton. Mr. Gibbons took for his subject, "Public Speaking and Human Relations." He gave a very interesting talk on the value of public speaking courses to men engaged in the present day business world.

Divide Motor Corps Into Two Divisions

Due to the increased demand for service in the Newton Red Cross Chapter Motor Corps in connection with their civilian defense program, the Corps is to be divided into two divisions to be known as the First and Second Reserve. The First Reserve Division will be organized and trained primarily for disaster relief and similar work, and the Second Reserve Division will continue to carry on the work which has been done by our Corps for and with hospitals and individuals—particularly the transportation for medical and clinical care.

Mrs. E. B. Lane of Waban has been appointed Adjutant to take charge of the recruiting and training of the First Reserve, and all those interested in joining the Corps are urged to confer with Mrs. Lane at one of the following places and on the dates indicated:

Newton Centre Women's Club, November 10th, 10 to 12 a. m.
Newtonville Branch Library, November 12th, 10 to 12 a. m.

Waban Branch Library, November 12th, 2 to 4 p. m.

Mrs. Lane has been a Lieutenant in the Boston Corps, actively interested in the required training such as is to be given the Newton Chapter First Reserve, and was in charge of the Motor Corps demonstration conducted at the Dickinson Stadium at the time of the Air Raid Warden School Graduation.

Dedicate Stained Glass Window at West Newton

A sacred dedication of a beautiful stained glass window, presented to the Mount Zion Baptist Church, Washington st., West Newton, by Mrs. Sidney Moore of 37 Curve st., West Newton, a life member took place last week at a special service at which time the pastor of the church Rev. J. K. Dennis, officiated.

Mrs. Moore was highly praised for her kind efforts to make the church a cheerful house for God, with her beautiful gift, other officials of the church responded with thanks to Mrs. Moore and her untiring efforts for the beauty of the church. The stained glass window was made to order by the Art Glass Window Company of West Newton at an expensive price and placed at the entrance of the Church.

Election

(Continued from Page 1)

Clifford M. Walker, vice-president of the Board, retired. His successor, Kenneth D. McCutcheon was unopposed for the office.

Ward Alderman Rodney C. Eaton of Ward 2 polled a 2250 vote to easily defeat his opponent, Ernest A. Sullivan with 1097 votes.

In the contest for Ward Alderman from Ward 6 Ernest R. Dietz gave the present Ward Alderman Carroll J. Hoffman a closer contest. Hoffman was re-elected with 1688 votes over 1499 for Dietz.

Aldermen Joseph B. Jamieson and Henderson Inches, aldermen-at-large from Ward 6, were given tremendous majorities over their two opponents, Giovanni Amicangiolli and Hans W. Lundstrum. The vote was Jamieson, 12,393; Inches, 10,605; Lundstrum, 4074; and Amicangiolli, 2553.

All candidates for the school committee were unopposed for election with three new members taking places left by the retirement of three present members. The new members are Fitzhugh Traylor, succeeding Chairman Harold W. Knowlton of Ward 4; Mrs. Irene K. Thresher, succeeding Mrs. Margaret H. Woods of Ward 5; and Thomas A. West, succeeding Joseph F. Wogan in Ward 7. Members re-elected were Francis P. Frazier, Ward 1; Charles Raymond Cabot, Ward 2; Ralph F. Taber, Ward 3; and Stanbrough Fernald, Ward 6.

The total ballots cast numbered 23,505, considerably larger than anticipated from the relatively few contests. The figure represents approximately 62 per cent of the total registration of nearly 38,000 voters. Two years ago 21,821 ballots were cast out of a registration of approximately 37,000.

Every Member Church Canvass Proclamation

The executive committee of the United Every Member Church of twenty-eight Newton churches has issued a proclamation fixing Sunday, Nov. 30th, as the date of the canvass. A dinner for the canvassers is planned for Nov. 27th.

The opening of the canvass will be featured by the ringing of the church bells of the participating churches in the afternoon of the 30th and at the closing in the evening.

It is believed that the undertaking is unique, one never carried out in any part of the country before. The Every Member Church Canvass Committee is under the general chairmanship of James B. Melcher assisted by George W. Palmer, vice-chairman; L. Lee Street, treasurer; Ralph Bass, secretary; John J. Fogg, H. E. Locke and Rev. Charles F. Farrow as the executive committee. The detail organization work preliminary to the canvass is under the direction of a dinner committee, Frederick S. Bacon, chairman and the public relations committee, Edmund S. Whitten, chairman.

The participating churches include:

First Baptist Church, Newton Centre; Baptist Church, West Newton; Immanuel Baptist Church, Newton; First Congregational Church, Newton Ctr.; Eliot Congregational Church, Newton; Second Church in Newton (Congregational), West Newton; Central Congregational Church, Wile; Congregational Church, Newton Highlands; Congregational Church, Auburndale; Church of the Messiah (Episcopal); Aub.; St. Mary's Episcopal Church, Newton L. F.; Church of the Good Shepherd (Episcopal), Waban; St. Paul's Episcopal Church, Newton Highlands; St. John's Episcopal Church, Newtonville.

Grace Church (Episcopal) Newton; Trinity Episcopal Church, Newton Ctr.; Church of The Redeemer (Episcopal), Chestnut Hill; Centenary Methodist Church, Auburndale; Methodist Church, Newton Lower Falls; Methodist Church, Newton; Methodist Church, Newtonville; Methodist Church, Newton Centre; First Methodist Church, Newton U. Falls; Church of the New Jerusalem, Newtonville; Temple Emmanuel, Newton Centre; First Unitarian Society in Newton, W. Newton; Newton Centre Unitarian Society, Newton Centre.

The Campaign slogans are a call to action: "Keep Them Ringing November 30." "The most important bells in the World." "The Liberty Bell and Your Church Bell!"

Marley

ter international order. "We seek no material gains. We want only to maintain our institutions," he said. He added that it would be necessary to "provide the machinery to settle disputes between peoples."

What will add to the difficulties in the discussion of peace is the fact that "the German people never have been a democracy and never have developed an understanding of democracy," he asserted.

During the question period, Lord Marley had to deal with at least two inquirers who were somewhat hostile, judging by their queries.

"Who does England expect to win the war for her?" was one of the questions.

"The war will be won by all peoples of the world who love freedom," was the unhesitating reply.

Referring to the speaker's remark that in England a great reserve fund had been developed from unemployment insurance contributions by workers, one of the members of the audience asked, "Why doesn't Britain use this money to pay its war debt to the United States?"

"We did desperately want to pay the debt," he replied. "We tried first to pay it in gold, but we found that all the gold was in the United States and the United States Army. We then tried to pay it in services, such as insurance, but there was a great protest from insurance companies in this country, and we couldn't pay it in that way. We then tried to send gold to this country as payment, but we were faced by the fact that there was great unemployment here and they put tariffs on the goods. Then we tried to give our holdings in securities, but the stock market crash came practically overnight. There was no conceivable means of paying the debt."

The speaker declared that it was not the British Government that decided to resist Hitler, but the people. "The government was

ready to appease him," he said. "There is a bit of a dispute whether we are at war with Germany or with Hitler. It is my belief that we should not stress the war as one against the German people. We should try to drive a wedge between the good and the bad elements."

He advocated "closer co-operation between the two great democracies." "We have the same way of life," he asserted. He expressed the gratitude of the British people for the "enormous generosity" of the Americans. He mentioned particularly the Red Cross, the British War Relief Society and Bundles for Britain. "The articles that you send are going into the homes which are the front line trenches today. It has developed a great affection on the part of the our people for the United States. The stars in the American flag represent to us hope in a very dark night."

Replying to a question concerning the matter of reparations at the end of the war, he expressed the opinion that it would not be necessary to exact reparations. "The actual damage in our country has been less than two per cent," he said. "We can take care of that ourselves." He admitted that the reparations imposed upon Germany after the last war were "fantastic," but he added that "it was paid for by America." He explained that after the war Americans sent a great deal of money to Germany to assist in the reconstruction of the country.

Before the opening of the Forum, a musical program was presented by a faculty quintet from the All Newton Music School.

Institute at High School

On Monday, Nov. 10th, Newton teachers will hold their first Newton Teachers' Institute. The program has been planned to consider educational problems faced in Newton itself, and will be carried out by Newton teachers working and studying together on that day. After the opening general session, the entire teaching body will divide into study and work groups and will consider basically four general subjects—(1) A Curriculum for the Pupil for Whom High School Is a Terminal Educational Experience; (2) A Study of the Time-Pressures on the Teacher; (3) The Development of the Child; and (4) What Are the Most Pressing Needs of the Boys and Girls of Newton.

In carrying out this program city-wide committees working in these four fields will be assisted by thirty-five teachers who have attended workshops during the past two years at the University of Chicago, Claremont Colleges of California, University of Pennsylvania, Vassar College, Columbia University, and Harvard University. Workshop experiences differ from the usual summer school session chiefly in the fact that the workshop works on a particular problem confronting the school or community. Newton workshops based their workshop studies chiefly on the four subjects mentioned above.

Interested parents are invited to attend the meeting of the Study of the Time-Pressures on Children, which will take place from 9:10 to 10:50 a. m. on the third floor of the Technical High School, Elm rd., Newtonville. After brief contributions from workshopers at a general meeting in Music Hall this group will break up into round table discussions on the following phases of the problem of time-pressures on children:

Fall Flower Show Features Chrysanthemums

America's most gorgeous chrysanthemums have been assembled at Horticultural Hall, Boston, for the 40th annual national show of the Chrysanthemum Society of America being held in cooperation with the 112th annual Autumn Flower Show of the Massachusetts Horticultural Society. The show opened today, and closes Sunday night, November 9.

There will also be masses of orchids and drifts of winter-flowering house plants as well as begonias and gourds while an entire hall will be devoted to Christmas wreaths and other Christmas decorations staged under the direction of the New England Wild Flower Preservation Society, of which Mrs. S. V. Crosby is president.

Safety Committee To Meet Next Week

Dr. Lendon Snedeker, vice chairman of the Medical division of the Massachusetts Committee on Public Safety will be the guest speaker at a meeting of the Newton Committee on Public Safety to be held Monday, November 10th, at 8 p. m.

Mrs. George Brewer of the local organization is in charge of the meeting.

Newton Legion Takes Part In Armistice Parade

Citizens of America have given to the service men a national holiday—Armistice Day—a day set aside to honor those who fought in the First World War and pay tribute to those who never returned, who still lie in Flanders Fields.

Newton Post No. 48, of the American Legion will, as usual, take an active part in this year's Armistice Day commemorations. On Sunday morning, November 9th, it will assemble at 10:15 in front of the West Newton Armory and march to the Newtonville Methodist Church where an Armistice Day service will be held at eleven o'clock. Early Tuesday morning members of the Newton Post will assemble at 8:30 for a brief memorial service on the Common at Auburndale, sharing this tribute with members of the Legion College. At 10:30, also on Tuesday, Newton Post will gather in the Hall of Flags for their regular Memorial Services.

Members are asked to meet in the lower Memorial Hall at 10:15. Commander Alvin D. Parker requests that all Newton Legion men join in a spirit of united comradeship and turn out, for this will be one of the most impressive memorial services that the Newton Post has ever had.

Tuesday afternoon—Armistice Day afternoon—Newton will join other Massachusetts Legion Posts in a huge parade in Boston. Newton will form at the corner of Newbury and Dartmouth sts. promptly at 1:30. The parade, which is expected to be the largest Armistice Day parade yet held will start to march at two o'clock.

wards a hundred per cent community effort.

Thirteen Village Chairmen have already selected 28 Majors aided by 145 Captains. Monday, Nov. 10, has been set as the date for full residential enrollment. Captains who have not already selected their full quota are making an effort to complete their selection before this date.

Residents of the city are urged to accept responsibility as solicitors when they are requested to do so by their district captains. By active participation in this Campaign men and women will grow in understanding of their community needs and will establish closer ties with their neighbors.

ST. JOHN'S WOMEN'S GUILD

Miss Ethel Dewey, daughter of Mr. and Mrs. John Dewey of Newton entertained the members of the Women's Guild of St. John's Episcopal Church of Newtonville with numerous piano selections Monday after the luncheon in the Parish House. Miss Deewey is an accomplished musician and her program was well given and much enjoyed.

The November Committee, headed by Mrs. Robert Snow and Mrs. George Oleson had charge of the delicious luncheon. Mrs. Cecil Clark, president of the guild, conducted the short business meeting which followed. At this time a letter was read from Mrs. Raymond Lang, thanking the guild for the gift to her and the rector on their departure.

NEWTON LOSES MUDDY GRID GAME TO LEOMINSTER 12-0

70-Yard Touchdown Run And Forward Pass Bring Opponents Scores

Braving the elements in one of the few schoolboy games of last Saturday the orange and black eleven of Newton High was sunk by Leominster High by a 12 to 0 count at Doyle Field, Leominster. The two touchdown margin for the upstart does not reflect the closeness of play. It took a second period 70-yard touchdown run and a fourth-period completion of a forward pass to dump the locals into the mud. Until the second touchdown Newton was in the game all the way and had a five to four margin of first downs.

The 70-yard run by Don Conway, who has scored several touchdowns this season on similar bursts, came on the fourth play of the second period. Charley French had set back Leominster to their 30-yard line with a lusty boot of the water-soaked pigskin. An off-tackle thrust seemed to have the ball carrier stopped momentarily but Conway burst free with only French between him and the goal. French turned to cut sharply over to his right and his left toe slipped and he was unable to break his stride. The lost instant was sufficient to let Conway get into the clear. The try for point was missed.

Still battling on even terms play centered largely between the 30-yard lines until soon after the final period when a lusterous Newton kicking on fourth down George Norcross found Dipaoli. Leominster right end, crashing on him to block the pigskin. Norcross recovered on the Newton 25-yard stripe but it was Leominster's ball.

Two plays netted but a couple of yards as the Newton line tightened. With Thompson back a pass was obvious and the Newton secondary set itself. Despite the heavy ball Thompson tossed a long pass of nearly thirty yards which Dipaoli clutched neatly with an over-the-shoulder catch on the five yard line as he reached behind the Newton secondary and on over the goal. Again the try for point was missed.

Last Week's Predictions

Although rain interfered with last week's schoolboy games and caused indefinite postponement or cancellation of such contests as Everett at Waltham and Brookline at Fitchburg, there were four games played, which Newton opponents figured.

Of the four games your forecast broke even picking the Lynn Classical-Lowell affair and the Medford-Cambridge Latin. Still having faith in Newton to get up and off the floor after the Lynn defeat we gave Newton an edge over Leominster. We still think that a dry day would have seen a Newton win. The other game on which we went wrong was the New Bedford-Quincy tussle. The Granite City team must have had a day as it did against Newton when nothing went right as New Bedford, Class B leaders, turned in a 19 to 0 setback.

The Newton high football team somewhat in the doldrums after a series of injuries and inconsistencies will essay a comeback this Saturday afternoon on its return to the home gridiron at the Dickinson Stadium after a three weeks' absence. The past two games, both defeats for the orange and black, have been played away from home and the familiar surroundings may be just the tonic Coach Owen McDowell's boys need to begin the drive down the home stretch.

The brilliant start, with three outstanding victories, at the beginning of the season turned out to be greater prosperity than the locals could stand. They battled gallantly to stave off defeat by a last-period drive for a 6-6 tie with Everett. The week after they literally bumped their collective heads against the almost certain state champions of Lynn Classical, and with the injuries resulting from these two conflicts were again knocked off by Leominster and the elements last Saturday. In the offering after Fitchburg at Waltham and Brookline. The recent defeats have not wrecked Newton's season by any means. Newton has not yet been defeated on its home soil this fall. The combination of injuries, weather, and circumstances in general have been a little too much. Better things are in store. A renewed determination to stage a comeback is under the surface and may well break out in a scoring rush on Saturday.

Quincy at Revere—If the Granite City eleven has a good day it will win. If they have another "off" day little Revere is apt to return home colder than a block of the marble they represent.

Fitchburg, Newton's Saturday opponent, has had a season that has been almost the opposite of Newton's. For three consecutive weeks they failed to produce a thing. The upstarters found the going tough and not a victory in sight. Then slowly they began to come and upset Gardner High 6 to 0 and then trounced Belmont in a 20 to 0 game last Saturday. Fitchburg will start at center, Centre Dick Lowry, among the foremost pivot men in schoolboy football, is out of football for the rest of the season. A head injury, which while not too serious, necessitated his leaving the gridiron. He will probably be available for football and is expected to resume football activities next season. Fitchburg played against Leominster and with the opportunity of playing regularly should have his share of the burden. The problem becomes one of finding a reserve for him as capable as he was for Lowry.

Frank Brock, bothered a little this week by a slight shoulder injury, is expected to be in shape to take his regular berth at guard with either Dick Boulter or "Red" McCarthy on the other side of Fitch. Captain Healey and Bill Kauloudian will be at the tackles as usual with Dick Healy and Len Tompeta has been doing some running this week but his status is doubtful for playing against Fitchburg.

There is one possibility of a change in the starting backfield. The husky Newton back was doing some running early this week and is expected to be ready to play if needed Saturday although he may not start. Meanwhile Alden Hoffmehl will hold down the berth with Charlie French, Gordon Hobson and George Salmon as his backfield mates. French has been assigned the kicking role against Fitchburg and as he showed at Leominster, he can get a lot of boots no matter what the weather may be.

Forecasts

The football season has swung well into November with but three more week-ends left and the "crucial" games coming up. First of all is the Newton-Fitchburg affair at Dickinson stadium on Saturday. After a brilliant early season start the orange and black ran into an immovable object and went "all-out" to come from behind to a 6-6 tie. Then Lynn Classical, far and away the best team in the state, stung Newton with a 20-0 count followed by Leominster's 12-0 drenching in the rain last Saturday. Despite the loss of Centre Dick Lowry for the season, the Newton team will end for a few weeks, and Guy Munroe in the backfield we look for Newton to come back strong this week to knock off Fitchburg and then bear down against Waltham and Brookline.

NICKERSON—WOODS

Miss Jean Ann Woods, daughter of Mr. and Mrs. Harry J. Woods of 224 Jackson st., Newton Centre, was married to Forrest Lyle Nickerson, son of Mr. and Mrs. John R. Nickerson of Squantum in the Sacred Heart Church, Newton Centre, on Saturday, October 11, at three in the afternoon. Rev. Bernard Winn performed the ceremony. A reception followed at the home of the bride's parents.

The bride wore a gown of white silk faille and a fingertip length veil of tulle caught to a Queen Anne coronet. Her bouquet was of bride's roses and stephanotis with an orchid centre. Miss Dorothy Woods of Newton Centre, the maid of honor, wore deep rose faille trimmed with velvet bows and carried rubrum lilies. The bridesmaids Mrs. Charles H. Grocott, Jr., of Atlantic, and Miss Thelma Leonard of Newton Centre, wore gowns of blue faille and carried rubrum lilies. The bride's mother wore burgundy velvet with black accessories and a corsage of yellow roses. The groom's mother wore soldier blue with wine accessories and a corsage of camellias.

Gilbert Kenneth Nickerson of Atlantic was the best man. The ushers were John R. Young of Ithaca, New York, Charles H. Grocott, Jr., of Atlantic, Herbert Meissner of Rosindale, Theodore Nelson and George Dawe, both of Squantum.

Mr. and Mrs. Nickerson will make their home in Squantum. The bride, who was employed at the Newton Trust Co., was graduated from the Newton High School and the Hickox Secretarial School. She is a member of the Squantum Junior Woman's Club, the Pocahontas Club of Squantum and the Tekawitha Club of Newton. The groom is employed at the Navy Yard in Charlestown.

BELL—HABERSTROH

Miss Margaret F. Haberstroh, daughter of Mr. and Mrs. Emil F. Haberstroh of 25 Saxon rd., Newton Highlands was married to Douglas Bell, son of Mr. and Mrs. Alfred W. Bell of 1347 Walnut st., Newton Highlands at four o'clock on Saturday afternoon, November 1, in St. Paul's Episcopal Church, Newton Highlands. Rev. Henry M. B. Ogilby of Brookline performed the ceremony. A reception followed at the home of the bride's parents.

The bride wore her grandmother's wedding gown of ivory brocade satin with side panels of plain satin trimmed with Duchesse point lace, a veil of tulle caught to a coronet of matching lace, and carried a cascade bouquet of gardenias. She was attended by Mrs. Charles E. Heath of Lexington as matron of honor who wore mauve rose crepe with gold flowers in her hair and carried a doublet snapdragons. The bridesmaids, Mrs. E. Clifford Johnson, Jr., of Wellesley Hills and Mrs. William R. Carter of Needham, wore gowns of sea foam green crepe and carried yellow snapdragons. The bride's mother wore plum crepe with matching hat and an orchid corsage. The groom's mother wore black lace with a black hat and a corsage of roses.

William R. Carter of Needham was the best man. The ushers were Albert Haberstroh and Alfred W. Bell, Jr. of Newton Highlands, William E. Bill of Newtonville, and Richard F. Chapple of Newton Highlands. Mr. and Mrs. Bell will reside in Needham.

The bride was graduated from Miss Sacker's School of Design. The groom attended Boston University.

SMITH COLLEGE CLUB

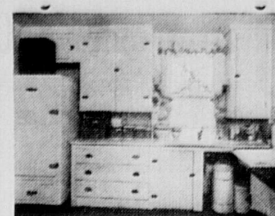

A number of Smith College graduates in the Newtons are now hard at work promoting the success of the annual fall lectures of the Boston Smith College Club for the benefit of the groups scholarship fund. The first, Armistice night, will be given by Professor Sidney Bradshaw Fay of Harvard on the appropriate subject, "After the War—What?" while the second on December 9 will have Miss Mary Ellen Chase as speaker on the subject, "The New Englander As Novelist." Both will be at the Lee Auditorium of the Boston Y. W. C. A. at 8:30 p. m.

Heading the list of Newton sponsors is Mrs. F. Britain Kennedy of West Newton who this year is serving as club director for the Newtons. Other sponsors from this section are Mrs. Arthur T. Hertig of Newton Highlands, vice-president; Mrs. Roy R. Merchant, the club's corresponding secretary; Mrs. Robert H. Barker of Waban; Mrs. Albert S. Hutchinson of Newton Highlands; Mrs. Gordon Morrison of Waban; Mrs. Philip Richardson of Newton Highlands, a former club president; Mrs. Veevold Strekalovsky of West Newton; Mrs. Quincy W. Wales of West Newton and Mrs. N. Wilder of Newton. Miss Louise Risley of Newton one of the younger graduates will serve as usher at the Fay lecture.

Limrick To Speak At Eliot Men's Club

Edwin P. Leonard, Chairman of the Programs Committee of the Eliot Men's Club, has just announced that he has secured a speaker for their meeting on Monday evening, November 10, Mr. Joseph W. Limrick of Newtonville. For many years Mr. Limrick traveled the world over on our battlefields and destroyers. Perhaps no one in Newton is more familiar with the operations of our Navy and the wonderful work they are doing than Mr. Limrick. Mr. Limrick will tell all his experiences and will also show exclusive moving pictures of all classes of naval activity, including airplane carriers and supply ships. The meeting will be a dinner meeting at 6:30 p. m. Visitors will be welcome.

President Thomas Cleveland has announced that a complete list of committees to serve the club this year will be available at the next meeting.

The MODERN KITCHEN Is Convenient and Attractive

In redesigning the kitchen shown above a Tracy sink top, complete with double bowls and spray faucet replaced the inadequate iron sink. And the bowls were placed in front of the window where the light was best, instead of on a blank wall. Top was made "L" shape in one piece at the factory the exact size required.

Factory-built Kitchen Maid cabinets finished in colonial ivory with vermilion pinstripping replaced the clumsy home-made cabinets. New conveniences included bread drawer beside refrigerator, divided cutlery drawer, deep drawer divided for flour and sugar, ventilated vegetable drawer, sliding towel rack and metal soap bin under the sink.

Walls are Veos Steel Tile in shaded blue with decorative border in ivory and red. Veos Tile is the ideal material for kitchen and bathroom renovation.

We are specialists in kitchen remodeling. If you are considering any kitchen improvements, from a new sink to a complete kitchen, let us offer suggestions.

VEOS WORKS WONDERS

• You won't know it's the same room, once it's made beautifully bright, colorful and spotlessly clean with Veos, the wall tile of genuine Porcelain Enamel on enduring steel.

That outmoded bathroom or kitchen of yours will be quickly and completely transformed into one of real charm and convenience, easy to clean and easy to look at. It will add both living value and cash value to your home. Your choice of 12 lovely pastel shades at no extra cost.

GUARANTEED FOR 25 YEARS

Veos can be installed right over your present walls in less time than it takes to do a good paint job. Unlike so-called "baked enamel" finish, which is only a painted surface, Veos is permanent, carries a 25-year guarantee against cracking, crazing and color-fading. Let us give you an estimate.

Women's Club Activities

Coming Events

Newtonville Woman's Club

For the fourteenth consecutive year the Newton Trust Company through its Woman's Advisory Committee has extended to the Newtonville Woman's Club the courtesy of providing a speaker for one of its meetings. Proof that this courtesy is appreciated was the large and enthusiastic audience that listened to Dirk H. Van Der Stucken, Professor of Economics at Phillips Andover Academy and an authority on present-day home and foreign affairs, at the Club House on Tuesday, November 4. Mrs. Irving O. Palmer, former club president and chairman of the Advisory Committee, introduced Mr. Van Der Stucken whose vital personality and wit fascinated his listeners. Reared in Germany and Switzerland, he was able to present a graphic picture of the situation both at home and abroad. He traced in detail world conditions and stated that America's problem is not so much the part she will play now but what she will do in the future. America must not make the mistake she made after the last war but after the fighting is over she, alone, must remain the bulwark of the world which the world may turn.

A spontaneous reception was given Mrs. Raymond A. Green who was presiding over her first regular meeting as new club president. She reminded club members that under present conditions more than just friendliness and club attendance is required and that each one should be ready and willing to take an active part in the club program.

Coffee and dessert were served by Mrs. Carl B. Horton and her Hospitality Committee. Pourers were Mrs. William L. Vosburgh and Miss Marion D. Bassett.

Mrs. Walter S. Marder, chairman of the Education Committee, will present Alice Dixon Bond in the first of a series of Book Reviews on Friday, November 7, at 10:00 a. m. Coffee at 9:30. These lectures will be given at the Club House and are open to the public.

Informal dancing at the Club House, Saturday, November 8, at 8:00 p. m. Club members invited. Mrs. Walter F. Burt, chairman of the American Home Committee of the Newtonville Woman's Club, will present Roger Wilkington, who will talk on "Fact and Fashions in Decorating" at the home of Mrs. Frank E. Morris, 9 Chesley ave., on Thursday, November 13, at 2:30 p. m.

Newton Centre Woman's Club

Anaeta, the only Eskimo woman on the American Lecture Platform will be presented by the Newton Centre Woman's Club on Friday afternoon, November 14th at 3 o'clock at the Club House. This outstanding personality will give glimpses of her arctic life and adventures in a series of unforgettable word pictures. Now an American citizen, she has children grown and participating in American life. She has lectured extensively in the Middle West but this is her first appearance in the East.

The hostesses for the social hour will be Mrs. Glade T. Perrin and Mrs. Charles F. Buttrick.

A reducing exercise class is being sponsored by the Newton Centre Woman's Club on Monday and Thursday mornings at 9:45 to 10:45 a. m. at the Club House. Classes open to the public. Those interested call Mrs. Robert Salinger, 161 Highland ave., Newtonville.

Auburndale Woman's Club

Although November 11 is Armistice Day, the regular meeting of the Auburndale Woman's Club will be held at 2:30 p. m. on that date at the club house.

Victoria Powell, actress and world traveler, will describe her personal experiences in "Around the World in Forty-Five Minutes" and the forty-five minutes may be taken literally as Mrs. Eldin V. Lynn, President, has promised a short meeting because of the holiday.

Mrs. Paul H. Tardivel is to be Day Chairman and the Clergymen of Auburndale are to be guests of the Club.

West Newton Women's Educational Club

A colorful portrayal of everyday life in India, in costume, will be presented at the November 14th meeting of the West Newton Women's Educational Club by Mr. Ramkrishna Shah Mohak of Ahmednagar, India, and his charming American wife. After completing her education, which included degrees from Oberlin, Columbia and Drew, Miss Marguerite Grove went to India as a social worker. There she met and married Mr. Mohak, a native high caste Indian, holding an important position with the government. They are in this country for a short nine months' period and expect to return to India soon after Christmas.

Mrs. Max Ulmer, International Relations chairman of the State Federation of Women's Club, will be guest speaker following the business meeting at 2 p. m.

On Monday, November 10th, at 2 p. m. the Travel Class will meet at the home of Mrs. Justin Storkie, 125 Woodward st., Newton Highlands. A travelogue on California will be given by Mrs. Frederick E. Waring and Mrs. Alvah L. Jordan.

Waban Woman's Club

The annual Philanthropic Bridge and Fashion Show of the Waban Woman's Club will be held Friday, November 14th, at the Neighborhood Clubhouse. Dessert will be served at 1:30 o'clock with play immediately following. In addition to individual prizes there will be many attractive door prizes.

Mrs. William B. Plummer and Mrs. F. Brittain Kennedy are Co-chairmen assisted by Mrs. George M. Belcher, Mrs. Vernon W. Brown, Mrs. James F. Crafts, Mrs. Paul E. Crocker, Mrs. Earl M. Dempsey, Mrs. Ralph J. Evans, Mrs. Robert L. Gibson, Miss Katharine Harlow and Mrs. Milton W. Heath. Also Mrs. Charles B. Jones, Mrs. Ellsbee D. Locke, Mrs. John M. Powell, Mrs. Edson B. Smith, Mrs. Stanley W. Steadfast, Mrs. Fred G. Stritzinger, Mrs. Gilbert Tolman, Mrs. H. Potter Trainer, Mrs. John H. Underhill and Mrs. Jack F. Wright.

During the afternoon a showing of lingerie and fashions for leisure moments, as well as sport dresses and afternoon gowns, loaned by two Wellesley shops, will be modeled by members of the club.

Newton Community Club

Mrs. Charles M. S. Foster, chairman of Community Service, will distribute bags among the members of Newton Community Club at their meeting in the Underwood School on Thursday, November 13, at 2 p. m. These bags are to be filled with gifts, both useful and entertaining, and sent to disabled veterans in the hospitals for Christmas.

Mrs. George A. Sampson is in charge of a food sale to be held after the meeting.

The English actress, traveller and lecturer, Victoria Powell will be the speaker of the afternoon, and will talk on the subject, "Women of the Theatre."

Miss Florence C. Bacon will serve refreshments assisted by Mrs. Marvin B. Perry, Mrs. Joseph H. Powers, Mrs. H. William Kugler, Mrs. John X. Nolan, Mrs. William E. Earle, Mrs. Wilfred Chagnon, Miss Beatrice E. Clegg, Mrs. Everett W. Crawford, Mrs. Daniel M. Goodridge, Mrs. Harold Higgins, Mrs. Edgar M. Horne, Mrs. Charles H. Clark, Mrs. Henry E. Hawkins, and Miss Margaret H. Aubin.

Alice Dixon Bond heads the week's program for the Newtonville Junior Woman's Club. Mrs. Bond will give a book review on Wednesday evening, November 12, at eight o'clock at the Clubhouse. Janet Elliot is in charge of the program, to which members may bring guests.

"Farmerettes" from the Club will entertain forty soldiers for the United Service Organization in an atmosphere of haystacks and cobwebs on Saturday, November 15, from eight until twelve o'clock at the Clubhouse. Long anticipated, the Club's annual Barn Dance this year will double with a U. S. O. dance. Miss Barbara Davis, Social Chairman, is in charge of the dance assisted by the Misses Eleanor Tisdale, Ruth Putnam, Shirley Broderick, Loraine Phipps and Peggy Fish.

C. L. S. C.

Mrs. Ernest Haggood will be hostess to the Newton Highlands C. L. S. C., on Monday, November 10. The two books to be reviewed by Mrs. Robert Jennings and Miss Adelaide Webster are "Introduction to Argentina" by Alexander W. Weddell, and "The Coming Struggle of Latin America" by Carleton Beals.

Recent Events

Newton Centre Women's Club

The Civic and Legislative committees, in conjunction with the Music and Community Service committees, of the Newton Centre Women's Club held their first departmental morning, on Friday, October 31st. Coffee was served at 9:45 in the reception room.

Mayor Paul M. Goddard was the guest speaker and he spoke on City and State affairs; which was followed by a question period. Music was furnished by Miss Cynthia Brown, talented twelve year old daughter of Mr. and Mrs. Osborne E. Brown of Waban, who played selections from Chopin and MacDowell. Miss Harriet C. Parsons spoke on the work and growth of the Family Service Bureau.

The Auburndale Review Club

Miss Margaret Haskell was hostess for the Review Club on Tuesday morning at her home 5 Vista ave., the president, Mrs. James G. Patterson, in charge of the business session.

At this time there were reports from the recent Round Tables held at the Fall Meeting of the Newton Federation. Mrs. John I. Heilbeck reported for Art; Mrs. Edmund I. Wilson for Community Service which covered Public Health and Co-operation with War Veterans; Mrs. Grace Fiske for Education; and Mrs. William Tenney for Legislation.

The president announced that on November 25, the Review Club would be co-hostess with the Auburndale Woman's Club for the Twelfth District, to be held in the Chapel of the Congregational Church. The tickets for the luncheon must be engaged by the eighteenth through the club's Social chairman, Mrs. Albert Pal-mater.

Mrs. William Tenney was chairman of the program for the morning, and opened it with a paper on the "Geography of the North." She told many interesting facts concerning the climatic conditions of these places which make them very delightful to visitors.

The second paper of the day was on the "Mystery People of the Arctic" and Mrs. Albert Pal-mater gave a fascinating talk on the discoveries of this people of apparently unknown origin, who have left behind them, many works of art, which show unusual talent. Among the excavations, pieces of sculpture and drawings have excited the admiration of art lovers.

"Alaska" was the last topic and was given by Mrs. C. W. Blood, who told of the charms of this northern country, which served to lure back to Alaska one who had ever lived there and been obliged to leave.

The meeting adjourned at noon to meet on November 18 with Mrs. W. A. Van Atten, 29 Studio rd.

Newton Upper Falls Woman's Club

Following the business meeting on Monday evening, Miss A. Gerde Osburne, chairman, presented Dr. A. Chesley York in an illustrated lecture on "The Soul of China." Dr. York's knowledge combined with his ready wit made the lecture entertaining and instructive. The Art Committee, Mrs. Frank G. Mordo, chairman, arranged an interesting collection of Chinese articles loaned by Mrs. Donald Flinchbaugh and Mrs. George Van Gorder, who made an earnest plea for China. Mrs. Robert F. Sawyer was hostess during the social hour.

Sale at Waban To Aid Grenfell Mission

At the Union Church in Waban on Wednesday, Dec. 3, there will be an opportunity to buy unusual Christmas gifts made by the people of northern Newfoundland and Labrador. On sale will be worked rugs, braided and hooked table mats and wall pieces, mittens, carved toys as well as unique Christmas cards.

This sale is an annual event to aid the Grenfell Labrador Industries and the mission founded by the late Sir Wilfred Grenfell. This year more than ever help is needed for Labrador is part of Britain's oldest colony and this aid means aid to Britain.

This sale from 10:30 a. m. to 3 p. m. is sponsored by Mrs. Alfred S. Davis and Group IV of the Union Church and is in charge of Mrs. Charles L. Favinger and her committee.

BUICK BUILDS FOR DEFENSE

Our assignment:
Building Pratt & Whitney
valve-in-head aircraft
engines for defense use.

MAYBE it's a little hard to picture this trim Buick as it will look on that unknown day when you come to turn it in.

There may be scars in its fenders, and use-stains on its upholstery—but the thing that matters is it'll still be going great guns.

You can count on that husky valve-in-head straight-eight to be ticking off the miles with the satisfying extra efficiency it now boasts.

You can rely on Compound Carburetion to hold your gas-costs down, squeezing every last power-packed mile out of the fuel you burn.

There won't be any loss of easy comfort in those all-coil springs, or any need for care to keep them gentle.

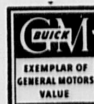

As for the drive—well, there's just nothing to go wrong with a simple steel shaft encased in a stout torque tube!

Tires? You may be through the second or third set before you're finished with any car you buy now—but those Buick broad-rim wheels will see to it you get the top mileage each can give.

As for such things as connecting rods and bearings—Buick rods are extra strong, while tests show that our oil-cushioned bearings last twice as long as others under the same load and service.

So go right ahead! Buy this Buick on its last mile instead of its first. That's the smart way to buy these times.

Of this you can be sure:
No other car's going to offer greater surety of

RECENT DEATHS

CHARLES W. LEONARD

Charles Webster Leonard, a former resident of West Newton, died at his home in New York on Sunday, November 2, at the age of 97 years. Mr. Leonard was born in Sharon, Mass., Nov. 1, 1844, the son of Mr. and Mrs. Benjamin Sills Leonard. He attended the local schools and entered business with the firm of Jackson, Mandel & Daniel, of which he became a partner. In later years he became associated with the Arnold Print Works of North Adams, the Woolensac Mills of Bennington, Vermont, and the Oneco Mills of New Bedford. Together with Mr. John Holden and Mr. George Bickford he purchased the Woodbury Granite Company of Hardwick, Vermont and the Hardwick, R. R. These quarries supplied stone for many of the large buildings throughout the country which were being erected at that time including the Old Colony Trust Co. Building in Boston. He later joined Mr. William Whitman in building several mills for the spinning of cotton and worsted yarns including the Manomet Mills and the Nasawana Mills and the New Bedford Granite Co. He was also a director of the Arlington Mills in Lawrence, the Nonquitt and Arcadia Mills, the Waltham Watch Co., Massachusetts Mohair Plush Co., and the Home Savings Bank of Boston.

In January 1880 he married Miss Emily Thatcher Welch, and made his home in West Newton. He became a trustee of the Newton Cottage Hospital to which his wife contributed a ward in memory of her aunt, Mrs. Eldredge. Mrs. Leonard died in 1911. Mr. Leonard was a vestryman of Grace Church, Newton and of St. John's Church, Newtonville, which he built with granite from the Woodbury Granite Co. of Hardwick, Vermont. He was a lover of horses and had stables at Lexington, Kentucky and at the time of his death was the oldest living member of the Union Club of New York.

He is survived by three sons, Edgar W., Robert J. and Charles R. Leonard all of New York City, 9 grandchildren and 10 great-grandchildren.

Funeral services were held on Wednesday afternoon at 3 o'clock in St. John's Church, Newtonville. Burial was in the Newton Cemetery.

CHARLES TOYE

Charles Toye of 46 Bennington st., Newton, a well-known Boston attorney, died on Thursday, October 30, following a short illness. Mr. Toye, who was 63 years of age, was born in Ireland, the son of John and Sarah Robinson Toye. He came to Newton from Jamaica Plain and had made his home here for 20 years. He was a graduate of Boston University College of Liberal Arts and of Boston University School of Law. He is survived by three brothers, Patrick J. of Newton, John of Milton and Thomas Toye of Wellesley, also by two sisters, Miss Sarah and Miss Elizabeth Toye of Newton.

Funeral services were held on Monday from his home. A solemn mass of requiem was celebrated in the Church of Our Lady at 10 o'clock by Rev. John A. Riordan, with Rev. Daniel F. Riordan as deacon and Rev. James E. Fahey, subdeacon. Seated in the sanctuary were Rev. James E. Quigley of West Roxbury and Rev. James M. McManus of Brookline. A delegation of the Holy Name Society attended headed by Charles Gallagher. Burial was in Calvary Cemetery, Waltham, where prayers were read by Fr. Riordan.

BESSIE E. McMAHON

Miss Bessie E. McMahon of 22 Prairie ave., Auburndale, died on Thursday, October 30, at her home. Miss McMahon who was in her 55th year, was born in Newton, the daughter of Michael and Mary (Priest) McMahon and had resided here during her lifetime. She is survived by two brothers, James M. McMahon of Auburndale and Joseph F. McMahon of West Newton, and a sister, Miss Jennie O. McMahon of Auburndale. Funeral services were held on Saturday morning from her late home, with services in Corpus Christi Church at 10 o'clock at which Rev. George F. Smith officiated. A pro-burial mass was held on Tuesday morning at 7 o'clock in Corpus Christi Church. Burial was in Calvary Cemetery, Waltham, where prayers were read by Fr. Smith.

ARBY C. WHITEMORE

Arby Clifford Whittemore of 12 Belmont st., Newton, died on Tuesday at the Massachusetts Memorial Hospitals following a short illness. Mr. Whittemore, who was in his 81st year, was born in Milford, Mass. He was for many years treasurer of Ward's stationery firm in Boston, was a member of the Boston City Club and the Sons of the American Revolution. He is survived by his sister-in-law, Mrs. G. H. Whittemore of Newton, three nieces, Miss Mildred E. Whittemore of Newton, Mrs. Walter Mantion and Mrs. Theodore C. Richmond of Medford, and a nephew, George A. Robinson of Milton. Funeral services will be held this afternoon at 2 o'clock in the Church of the Advent on Brimmer st., Boston. Burial will be in Pine Grove Cemetery, Milford.

Memorial Window

(Continued from Page 1)

In 1882. He received the honorary degree of Doctor of Divinity from Middlebury College in 1926. He was ordained to the Christian ministry in 1883 and was minister of the Pilgrim Church, Duluth, Minnesota, from 1883 to 1894. In 1894 he began his long and fruitful ministry at the First Church in Newton.

Mr. Charles J. Connick of Boston has designed and made the Noyes Memorial Window and there is special significance in this because Dr. Noyes was among the first to recognize the genius of Mr. Connick who has since come to be known as a master craftsman and artist. It was after the present church structure had been built in 1904 that money became available for a large transept window. A competition was held and Mr. Connick was chosen. This window, on the north side of the church was his first major commission. Later on the church was to turn to Mr. Connick again to execute the Noyes Memorial Window in the Chapel and it is, therefore, most appropriate that the Noyes Window also be executed by him.

Mr. Connick describes the window as follows:

"This window is designed as a significant memorial, in color and light, to symbolize the divine inspiration and devotion which characterized the life and work of Dr. Noyes. The Transfiguration of Our Lord forms the dominant theme. The radiant figure of Christ, in reinvestment 'white as the light,' is balanced by figures of Moses, bearing the tablets of the Commandments, and Elias, with the scroll of his prophecy.

"Below them are the kneeling disciples—Peter, James, and John—with Peter, distinguished by his traditional yellow robe, beneath Our Lord; John at His right, and James at His left.

"The text below is not only significant of Peter's witness of the Glory of the Lord, but of the eloquent testimony of Dr. Noyes himself:

"For we know when we made The power and coming of Our Lord . . .

Were eyewitnesses of His majesty."

(II Peter 1:16)

"In honored memory of Edward MacArthur Noyes
Minister of this Church
1894-1939."

"This window is designed to harmonize with, and to complement, its surroundings, while taking full advantage of the north light it receives to illuminate and enrich the Church."

The funds which have made this window possible have come from many friends of Dr. Noyes and have been secured through the efforts of a committee headed by Mr. William H. Rice who was head usher of the church during 30 years of Dr. Noyes' pastorate and still continues in that capacity.

Dr. Edward T. Sullivan, Rector of Trinity Church, Newton Centre, will preach the sermon. Dr. Sullivan came to Newton Centre shortly before Dr. Noyes and during the 35 years of his pastorate the church has been a place of spiritual growth and of the life of the community.

Last June Dr. Sullivan celebrated the fiftieth anniversary of his ministry in Trinity Church.

ANDREW P. MULLANEY

Funeral services for Andrew P. Mullaney of 34 North st., Newton Centre, who died on Wednesday, October 29, were held from his home on Thursday morning. Services were held at the Sacred Heart Church at which Rev. Donald Whalen officiated. A pro-burial mass was celebrated in the Sacred Heart Church on Monday morning. Burial was in Holyhood Cemetery, Brookline. Mr. Mullaney, who was 64 years of age, was born in Newton, the son of the late James and Catherine (Coughlin) Mullaney. He was a retired stone mason and a member of Local No. 32 Stone Masons of America. He is survived by two brothers, James and Lawrence Mullaney, and two sisters, Miss Julia and Miss Mary Mullaney all of Newton.

ANNIE M. LEARMONTH

Mrs. Annie Morrison Learmonth, wife of James Learmonth of 59 Orchard ave., Newton, died at her home on Thursday, October 30. Mrs. Learmonth was in her 78th year. She was born in Orkney, Scotland, the daughter of Thomas and Ann Reed Guillon. She had resided in Newton for about 16 years. She was a member of the United Church of Christ in Newton. She is survived by her husband, a son, John G. Learmonth of West Newton, a daughter, Mrs. Charles Olsen of Weymouth and by four grandchildren. Funeral services were held on Sunday afternoon at 3 o'clock at which Rev. Frank Grobe of the Second Church in Newton, West Newton officiating. Burial was in the Newton Cemetery.

CARRIE M. DENVER

Mrs. Carrie M. Denver, widow of the late George H. Denver died at her home, 40 Rossmore st., Newtonville on Sunday, November 2nd. Mrs. Denver was in her 75th year. She formerly resided in Leominster, Mass. She is survived by a brother, George P. Jones of Leominster, two sisters, Mrs. Walter B. Farmer of Hampton Falls, New Hampshire and Mrs. Martha A. Stone of Gardner, Mass. Funeral services were held on Tuesday at 1 o'clock in the Haws Memorial Chapel in Evergreen Cemetery, Leominster. Burial was in Evergreen Cemetery.

Cooking School

(Continued from Page 1)

special merchants' prizes totaling well over a hundred dollars in value to be awarded at the final session.

The program will be different at each session of the school. The Wednesday session will be on the subject "Save With Gas," on Thursday "Cooking Perfection" and on Friday "Thrifty and Tempting." Each woman who attends will be given a printed program which will list the recipes prepared and explained at that session. The program will serve as a permanent record of the facts learned at the school, and may well be used to supplement the housewife's file of recipes used in preparing meals in their homes. Thus the school offers a golden opportunity to the women of the Newtons to obtain new ideas, tested recipes for main dishes and desserts that are wholesome, delicious and economical.

With a different program each afternoon of the school it is advisable to attend all sessions of the school. Admission is absolutely free and no ticket, pass or other form of admission is required for entrance. In order to be eligible for a prize you must be inside the building or in the immediate vicinity when the prize is awarded. Remember the dates—November 12, 13, and 14. The days are Wednesday, Thursday and Friday.

All the Cooking School demonstrations by Miss Mack, Miss Blaisdale and their assistants, United Farmers' milk and cream will be used. They favor the uniform high quality and delicious flavor of United Farmers' '12-hour fresh' milk and cream. The United Farmers' Cooperative Association, composed of more than 2000 Vermont farmers (America's finest dairy country), has a splendid distribution of their super quality products throughout the Newtons by many leading dealers. At the Cooking School classes, 24 quarts of milk will be given daily in the large grocery bag awards.

The H. L. Hildreth Co., famous the world over for its delicious "Velvet" Molasses Candy, will give free samples to all persons attending the school. In each of the large prize bags there will be a box of "Velvet" kisses and large pound boxes will be given away each day as special prizes.

Among the well-known firms, manufacturers and merchants cooperating with the NEWTON GRAPHIC and the Boston Consolidated Gas Company in the conduct of this big free Cooking School are the following:

First National Stores, coffee, groceries; Statler Co., Statler Handy Towels; Durkee & Mower, Marshmallow Fluff; Friend Brothers, Baked Beans, bread; Lever Bros. Co., Lux soap, Spray National Biscuit Co., Shredded Wheat, bran; Rockwood Co., Chocolate Bits; The Moxie Co., Moxie; Melorine Fruit Co., bananas; John E. Cain Co., Inc., mayonnaise; Crevier & Larson, Ten-B-Low Ice Cream; Dromedary Ginger Bread Mix; L. Hildreth Co., Velvet Molasses Candy; United Farmers, milk, cream; Little & Co., Dehydrated Parsley-Mint—onions and garlic; Colonial Provision Co., hams and shoulders; Park Sausage Co., frankfurters; Golden Flake Butter Gems, biscuits; and Fuller Brush Co., brushes and polishes.

Have You Visited the Mayflower Wayside Furniture Co.

Show Place In West Newton?

The Mayflower Wayside

is a new departure in the merchandising of furniture. It is well established on a sound financial basis . . . It is already a prominent landmark in the fast growing Newtons.

The Mayflower Plan

cuts off great slices of this overhead, bringing high grade furniture to you at unbelievably low prices. Our one price policy to ALL means savings of 25% to 40% at all times. Needless to say, we have no "sales"; our prices are always well under the so-called mark-downs—easily understood.

This Show Place

is located on the main highway in West Newton, just out of the Square, well away from the high rent areas of costly city blocks, but easily accessible by auto, bus or train—with our own unlimited parking space.

Begin Recounts For Aldermen

Recounts of the vote at the recent city election in the contest for Alderman-at-Large from Ward 5 and Ward Alderman in Ward 6 were begun last night at city hall by the Registrars of Voters, Wendell Bauckman, defeated by Alderman John Temperley, with Alderman Howard Whitmore leading the three by a large plurality, for the two seats from Ward 5, sought the recount for the large contest. At the conclusion of the count of Wards 1, 2 and 3 there had been slight changes in the tabulation. The recount will be completed today as will that petitioned for by Ernest Dietz who lost the Ward 6 Contest to Alderman Carrol J. Hoffman.

Thrift Center Provides Articles For Needy Persons

Your attic, cellar, barn or garage may contain material that Uncle Sam wants. Make a search today.

The Thrift Center, managed by the Newton Community Council, with the co-operation of the Newton Federation of Women's Clubs, asks and urges all residents of the city to save metals of all kinds, as well as newspapers, magazines, old clothing, bedding, furniture and so on. A call to The Thrift Center office, LAsell 2112, will bring the truck to your door to make collections. Not only is The Thrift Center, which is helped financially by the Newton Community Chest, providing articles of various sorts to the needy, but it is co-operating in the local defense program at the request of the Disaster Committee of the Local Chapter of the American Red Cross. In time of stress and emergency, the Thrift Center will collect and distribute clothing, bedding and furniture under the direction of that Disaster Committee.

Perhaps you have a set of andirons or a baby's crib no longer in use. Maybe Willie has a new bicycle and the old one lies unused in the garage. Perhaps you don't know what to do with the old bedroom set since you bought one of modernistic design. The Thrift Center can utilize all these things. These materials, especially metals, vital to defense and their utilization is part of the nation's salvage campaign.

The Thrift Center collects, sorts and distributes shoes, papers, and clothing and other articles that have been discarded. It sells the paper and metal which can be turned into cash to help maintain its work to aid the community.

You can help the nation and your own community if you will just remember the Thrift Center (Continued on page 4)

ADOPT NEW TEACHER SALARY PLAN Debate Issue Of Dental Office

Aldermen Grant Infirmary Permit In Residence Zone After Lively Midnight Debate

Question Hinges on Definition of "Hospitals" and "Like" Institutions

The petition of Dr. Roland A. Barrette for a permit to use a brick building at 517 Washington st., Newton, near Jackson rd., as a dental infirmary was granted by the Newton Board of Aldermen on Monday evening following a spirited debate. A four to three majority report of the claims and rules committee was upheld by a vote of 12 to 5.

The question hinged on the definition of a "hospital, sanitarium or other like institution" which are permissible in residence zones. Alderman Robert Whidden who presented the majority report of the committee argued that the building would come under the head of a "like institution." He said that the structure would have two dental operating rooms, a dental hygienist's room, reception room, recovery room and X-ray equipment and the staff would consist of a dentist and assistant, a dental hygienist and a secretary. He produced a letter from Dr. LeRoy S. Miner, dean of the Harvard Dental School asserting that the building could be "classified as a dental infirmary like the Forsyth Dental Infirmary and therefore would come under the head of a "like institution" to a hospital.

A contrary view was taken by Alderman Henderson Inches who described the proposed building as "a like institution to a business in a residential district," and said it was an utter piece of bunk to call this a hospital. Chairman George Rawson who presented the minority report of the committee asserted that the board had no right under the ordinance to grant the petition, saying that any doctor could put up a (Continued on Page 5)

Memorial Service For Newton Ensign Killed In Crash

Memorial services for the late Ensign Carl MacGregor Thornquist, United States Naval Reserve, one of twelve men killed last Sunday in the crash of a navy bomber in the Atlantic Area, will be held in the Elliot Congregational Church, Newton, at 4:00 p.m. on Sunday, November 16, 1941. The Rev. Ray A. Eusden, Minister of the Church will officiate. Ensign Thornquist was the son of Mr. and Mrs. Carl J. Thornquist of 189 Bellevue Street, Newton.

Clearing House Sponsored
By Community Council
For Thanksgiving Baskets

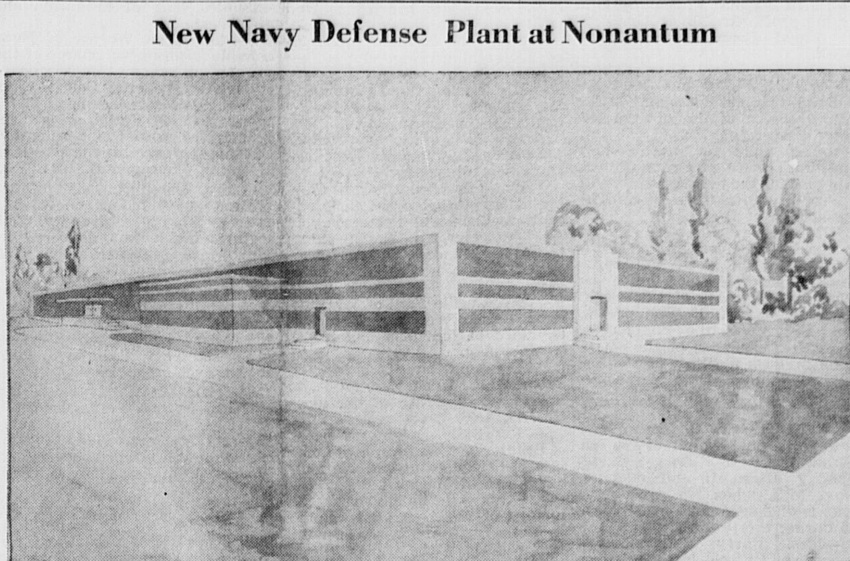

The Holiday Clearing House of the Newton Social Service Index, sponsored by the Newton Community Council offers its services as in former years, to churches, organizations and individuals giving Thanksgiving Baskets to Newton families. Co-operation with the Holiday Clearing House will prevent duplication, delay and insure holiday cheer for the maximum number.

These services, which are confidential, enable donors to distribute their gifts so they will bring cheer to the greatest possible number of individuals in the community. Donors wishing to consult the Holiday Clearing House are requested to submit the names of those on their lists so they may be checked immediately to see that the same family is not being taken care of by more than one church or organization and that prompt service is insured so there will not be last-minute rush and confusion and so that those in need who might otherwise be forgotten are included.

Mrs. Lucius E. Thayer, Chairman of the Social Service Index Committee reminds Newton residents that last year 31 organizations used the Holiday Clearing House as a help in their Thanksgiving distribution with satisfaction. (Continued on page 4)

New Navy Defense Plant at Nonantum

Action by the Newton Aldermen on Monday cleared the way for the construction of the new \$600,000 factory to be built in Nonantum by the U. S. Navy department. The Aldermen voted to change the zone of the site, located in the rear of California and Los Angeles sts. from general

residence to manufacturing. The mayor was also authorized to execute releases of any rights of way over the property. The Board also amended the building code to permit a larger floor area between fire walls. The plant, to be constructed by the Navy and operated by the Zenith Products Company of West Newton, is to be 200 feet by 120 feet with the possibility of erection of another unit of the same size at a later date. The plant will manufacture hydraulic pumps and fluid motors and is expected to employ about 250 persons.

Churches Enlist Canvassers

United Drive On
Nov. 30th To Open
With Dinner on 27th

While the rolls are not yet complete for the canvass committees of all the churches engaged in the United Every Member Canvass to take place Sunday afternoon, November 30, a large number of the churches have reported great progress and enthusiasm to date. Twenty-eight churches are taking part in the campaign, and it is expected that nearly 1000 workers will combine their efforts on Sunday, November 30.

The purpose of the United Canvass is to consolidate the annual budget raising canvass of the twenty-eight churches as far as date, general announcements, enthusiasm and common cause of the churches is concerned. Now if ever, in this crisis in world affairs, a strong front and a solid one on the part of the church is necessary. Working together in this way engenders a comradeship and realization of common purposes.

The United Canvass in no way keeps the individual church from conducting its canvass in the usual manner and with the usual methods. The large advertisement of the United Every Member Canvass (Continued on page 4)

Chinese Speaker At Forum

Dr. Chih Meng To Give
Close-Up of War
In the Orient

At 3:30 p. m. Sunday, November 16th, the second meeting in the seventh season of the Newton Community Forum will be held in the Newton High School Auditorium. Dr. Chih Meng, director of the China Institute of America, in charge of Cultural Relations between China and the United States will present a close-up of War in the Orient. Dr. Meng with his broad experience in international affairs will view the

CHIH MENG

Oriental situation from China's point of view. His talk about probably the most strategic part of the world to us today will be full of interest.

Dr. Meng was a political prisoner and a leader in the Student Patriotic Movement in 1919 when the Chinese students in Peking started a nation-wide campaign against the award of Chinese rights and territories in Shantung Province to Japan at the Versailles Conference. After studying at Nankai and Tsinghua Universities Dr. Meng travelled and lectured in China, Europe and the United States. In this country he was lecturer at the Institute of International Affairs, University of Virginia in 1932, 1933, 1934 and 1937. In 1933 and 1936 Dr. Meng was a delegate to the Institute of Pacific Relations Conference and in 1937 was a lecturer at the Institute of World Affairs of California.

Dr. Meng's book "China Speaks" on the Manchurian crisis of 1931 is still regarded as not only a valuable document on that conflict but also indispensable background material for the present undeclared war between China and Japan. He contributes to a number of American periodicals on international relations, such as "Foreign Affairs and Pacific Affairs."

In addition to being a director of the China Institute in America, Dr. Meng is in charge of the Chinese Educational Mission to the United States.

A hearing will be held by the Street Traffic Committee of the Newton Board of Aldermen next Wednesday evening, Nov. 19th on a petition requesting a 20-mile per hour speed restriction on Tyler ter. and Pleasant st. in the vicinity of the Newton Centre playground.

The petition, signed by twenty-four residents of the vicinity headed by Charles J. Wilbur of 62 Tyler ter., points out the fact that one child has been injured and two dogs killed by automobiles.

Rewards for Continued Study

The elimination of differentials of pay between men and women teachers and teachers of different grades in the Newton School system, provision for a higher scale of pay for married men and a change in the basic principles of the present salary schedule, was announced this week by the school department. The adoption of the new salary schedule is the result of twenty months of study by a committee representing the teachers authorized by the School Committee. The committee was elected by the Newton Teachers' Federation.

A further provision of the new plan provides for rewards in the form of higher salaries and larger increments for those who undertake to increase their professional training by acquiring advanced degrees. In addition although the annual increments are reduced in amounts each year than at present a larger number of increments may be granted. Another provision eliminates the present one-year experience rule for new appointees.

School department officials pointed out that, as at present, all increments are subject to approval of the School Superintendent. It was also explained that the new schedule will increase the total payroll for teachers' salaries next year by only \$3000, a smaller amount than would have been possible under the new schedule. Over a period of years it is estimated that the total salaries paid would represent an increase over the present schedule, provided teachers endeavored to improve their positions by continued study towards higher degrees. It is illustrated in this connection that in any case a teacher must be considered as having competently discharged his duties.

A most important part of the new salary plan is the elimination of differential between teachers in various grades. Under the present system it is possible for a sixth grade teacher to be paid advanced degrees, to receive less than a seventh grade teacher with no degrees. Under the present schedule teachers from grades 1 to 6 are on one scale, those in grades 7 and 8 on another and those in grades 9-12 in a still higher classification. There is also a difference in salaries of men and women teachers which is eliminated unless the man teacher marries and assumes family responsibility. Provision is made for a \$300 increase for a married teacher.

The elimination of the one-year experience rule heretofore in force is designed to permit the School Department to engage the services of outstanding college graduates directly upon graduation, bring them into the Newton teaching system, and by the new system of rewards for advanced training. PATRONIZE OUR ADVERTISERS

A HEADS-UP HONEY—

all the way

Go ahead—slide into the soft and
inviting front seat!

Flip the ignition switch, press the
starter treadle, ease in the quiet gears.

Feel better? You bet! Know it or
not, your chin's higher already, just
picturing yourself traveling into to-
morrow in this rugged Buick.

And if it's a long road ahead, who
cares? That's a more efficient valve-
in-head under your bonnet, isn't it?
—and with Compound Carburetor
to guarantee top power and top range!

Or suppose the going does get rough
—haven't you all-coil springs to float

you gently through bad
going, and new, broad-
rim wheels to ease and
steady the ride?

What matter if this car
should have to do you
two or three times as long as
usual—it can take it, and keep
on delivering, in that smooth, easy,
heads-up fashion you go for now in
such a big way.

Fact is, Buick's trim looks are only
the outward dress of brawn that's
the match for as many years as you
want to name.

Things like husky frames, torque-
tube drive, extra-strength connecting
rods, oil-cushioned bearings that go
twice as long under equal loads—
such things mean you're all set
for tomorrow and tomorrow, ad
infinitum.

So head now for your Buick dealer
and a Buick try-out. It's "first come,
first served," and you wouldn't
want to miss out getting yours,
now would you?

†Available at slight extra cost on Buick SPECIAL
models, standard on all other Series.

No other car has ALL THIS FOR YOU IN 'FORTY-TWO

You get FIREBALL STRAIGHT-EIGHT VALVE-
IN-HEAD ENGINE, for more power and range.
You get COMPOUND CARBURETOR (standard
on most models), for top economy.
You get OIL-CUSHIONED CRANKSHAFT
PINS and JOURNALS, for much longer
bearing life.
You get STURDI-LITE CONNECTING RODS,
for greater strength.
You get STEPPON PARKING BRAKE, for ease
and convenience.
You get BROADRIM WHEELS, for improved ride
and handling.
You get FULLY ADJUSTABLE STEERING POST,
for extra comfort.

You get BODY BY FISHER, featuring back seats
up to 52 inches wide.
You get WEATHERWARDEN venti-heater (standard
on LIMITED models, accessory on other Series)
for conditioned fresh air all year.

Ladner, United States Air Corps, son of Mr. and Mrs. Albert H. Ladner, Jr., of Philadelphia. Lieutenant Ladner is assigned to the 16th Observation Squadron, Fort Benning, Georgia.

KEEP THEM RINGING

THE TWO MOST IMPORTANT BELLS IN THE WORLD

The Liberty Bell and Your Church Bell — both are symbols of Freedom — calling millions of American men and women to seek again the simple faith of their fathers.

Let your spirit become more courageous and your faith more secure!

These bells, — ringing in Victory, mean that 25,000 church-loving Newton people have rededicated their allegiance and support to the greatest of all institutions — their church.

In other lands church bells are melted for ammunition. Freedom of worship is denied. It could happen here but won't, — if God-fearing people determine to keep their church strong.

Words can not adequately portray the comfort, joy and strength that the Church of God brings into the lives of millions daily. But each one of us knows that a community without a church is the last place on earth in which we would live.

For this purpose twenty-nine Newton Churches have joined hands in a great **United Every-Member Canvass.**

When you hear the bells of these Newton Churches ring out on Sunday afternoon, November 30, you will know this great United effort has begun.

When you hear them ring out again that same Sunday night you will know that they ring in a great and **United Victory!**

As they ring out, — let your pulse beat faster. Let your heart throb more confidently.

So let's let our church bells RING and KEEP THEM RINGING! If Sunday, November 30, is Every-Member Canvass Day for your church, then that is your opportunity to join this Crusade.

Your church needs your personal loyalty and support. In return, it offers you its richest blessing, — the kind of "Peace That Passeth Understanding".

Mission Sunday

(Continued from Page 1)

The Second Baptist Church of Newton Upper Falls will observe the occasion at its evening service at 7:30 next Sunday, November 16. The Rev. Mr. Marlin D. Farnum, returned missionary from Japan where he spent fourteen years in active work, will preach. For seven years Rev. Farnum and his wife were located on the Inland Sea where they helped to develop a number of little churches on the islands of the Sea. In 1938 Mr. and Mrs. Farnum were transferred to Tokyo where they continued evangelistic work until 1941.

Rev. Mr. Farnum was born in Medford, Mass., and was ordained in the First Baptist Church of that city on Feb. 24th, 1927. He is a graduate of Colby College, 1923 and of the Newton Theological Institution in 1927. He married Miss Melva Mary, a Colby graduate, in 1925, and following their appointments as missionaries of the American Baptist Foreign Mission Society in March 1927 sailed for Tokyo in October of that year. Mrs. Farnum and their three children returned to the United States in December and Mr. Farnum in March of this year. The Farnums are now residing on Ripley terrace, Newton Centre.

In these days of increasing tension between this country and Japan, Mr. Farnum's message is particularly timely. Nothing can ease the sense of tension as well as a better understanding of these people.

On Sunday morning, at 10:45 the Rev. H. A. Schlink will begin the Thanksgiving week with the hymn "Be Thankful for What You Have." The choir will sing, "Incline Thine Ear," by Himmel.

The Second Baptist Church will be host to the Protestants seeking a Thanksgiving service on Thanksgiving eve, November 19, at 7:45. The Rev. Mr. H. F. Goewey, minister of the First Methodist Church of Newton Upper Falls will be the speaker of the evening.

Newtonville

—Mr. and Mrs. Richard A. Spencer and daughter Linn have moved here from Philadelphia and are residing on Lowell ave.

—Bishop Edwin Holt Hughes of Washington, D. C., delivered the sermon at the evening service last Sunday in the Methodist Church. The Epworth League was in charge of the service with President Wayne Underhill, Marilyn Van Gundy, Harlow Doliber, and members of the league participating.

Newton

—At the Channing Church on Sunday, Nov. 16, at 10:45, Rev. A. N. Kaucher, guest minister, will speak on "Creative Thanksgiving."

—The Men's Club of Channing Church will have a supper Monday evening at 6:30. A United States Secret Service film, "Know Your Money," will be shown. On Nov. 18 at 10 a. m. there will be a meeting of the Federation Sewing Circle, and on Nov. 21 at 6:30 p. m. the Kupples Klub will have a supper and showing of the film "The River."

The new salary schedule is designated as a "single salary" or "preparation type" schedule in contrast to the present "positional type" schedule now in effect.

Schedules based on similar principles are already in effect in many communities and in at least ten states statutes prohibit a difference in salary rates for men and women teachers.

The new schedule will go into effect on Monday, Nov. 18. The board consists of teachers which made the survey with Dr. Willard S. Ellis, professor of education at Columbia University, as consultant.

At the Channing Church on Sunday, Nov. 16, at 10:45, Rev. A. N. Kaucher, guest minister, will speak on "Creative Thanksgiving." The Men's Club of Channing Church will have a supper Monday evening at 6:30. A United States Secret Service film, "Know Your Money," will be shown. On Nov. 18 at 10 a. m. there will be a meeting of the Federation Sewing Circle, and on Nov. 21 at 6:30 p. m. the Kupples Klub will have a supper and showing of the film "The River."

The new salary schedule is designated as a "single salary" or "preparation type" schedule in contrast to the present "positional type" schedule now in effect.

Schedules based on similar principles are already in effect in many communities and in at least ten states statutes prohibit a difference in salary rates for men and women teachers.

The new schedule will go into effect on Monday, Nov. 18. The board consists of teachers which made the survey with Dr. Willard S. Ellis, professor of education at Columbia University, as consultant.

Many Affairs

Held For Aid To China

Mrs. Grosvenor D. W. Marcy, General Chairman of the Special Events Committee of the Newton United China Relief campaign, has announced several interesting events, proceeds from which will go for benefit of the suffering men, women and children of China.

Mrs. Ronald Adams and Mrs. Rosemary McCall of the Newton Center Committee, will give a Chinese Checker Bridge and Auction on the evening of November 15th at Mrs. Adams' home, 132 Homer st., Newton Centre.

Mrs. A. B. Root, Jr.'s Waban Committee, is to have a table of attractive Chinese wares at the Women's Club meeting on November 15th.

The Newton Committee has planned an unusual event for Monday evening, November 17th, at 8 o'clock, at the home of Mrs. Henry I. Harriman, 825 Centre st. The talk by Sarah Conger Jewell, of Newton, "Grandmother and the Empress Dowager" will be based upon the diary kept by Mrs. Jewell's grandmother, when her grandfather was serving as ambassador to China during the Boxer Rebellion (1898-1905). During these years Mrs. Conger's friendly relationship with the Empress Dowager developed into a very real friendship, and the Empress Dowager gave her quantities of beautiful and valuable gifts. Many of these gifts will be shown by Mrs. Jewell. Refreshments will be served. Tickets are priced at \$1.00 plus tax and may be obtained from the Committee, Mrs. J. LeRoy Conel, Mrs. Hugh S. Hince, Mrs. Charles H. Kimball, Mrs. Robert P. Walker and Mrs. J. Herbert Young.

The Oak Hill Committee announces a very interesting event to be held at Mount Ida College, Dedham st., at 3 p. m. on Tuesday, November 25th, when Mrs. L. E. Phaneuf will give a demonstration of Christmas decorations. Tea will be served. Mrs. Fred B. Lund and Mrs. Robert M. P. Kendall are co-chairmen of this event, and serving on the Committee are Mrs. Maurice B. Bischoff, Mrs. Charles Collins, Mrs. Fred B. Lund, Jr., Miss Eliza Phillips, Mrs. Wyman Richardson, Mrs. Horatio Rogers, Mrs. Preston Upham and Mrs. C. P. Walding.

At Waban, Mrs. Root's Committee announces a Dessert Bridge to take place at the home of Mrs. Herbert Cotton, 208 Collins rd., on Tuesday evening, November 25th. For Newton Centre, Mrs. A. Leslie Harwood, Jr., and Miss Marion Haskell are arranging a Contribution Dolls Tea on November 25th from 2:30 to 4 p. m., at the home of Mrs. Walter L. Leighton, 31 Montvale rd.

500 Attend Teachers' Institute

Over 500 members of the Newton School Department attended the Teachers' Institute held at the Newton High School on Monday, at which the 35 Newton teachers who attended Workshops during the past two years were leaders.

John M. Bierer, chairman of the Newton committee on Public Safety spoke at the general session which opened the institute telling of the work in home defense and stating that it was the duty of the teachers to prevent fear of the future from affecting the children. William A. Leighton, principal of the Burr School, and president of the council, presented a report on the Newton Teachers' Council. James H. Remly, director of music, led the community singing. The session was conducted by Charles H. Mergendahl, head of the mathematics department of the Newton High School.

The session on the "Study of the Time Pressures on Children" was attended by many parents. Following talks by Mr. Alvah O. Ring, Mr. Leonard Savignano, Miss Roberta Kellogg and Miss Patricia King, teachers who attended the Workshop, the group divided into six round table discussions.

Among the general subjects discussed were a "Curriculum for the Pupils for Whom High School is a Terminal Educational Experience," "The Personality Development of the Child," and "What Are the Most Pressing Needs of the Boys and Girls in Newton?"

Eight graduates of the Newton High School participated in the panel discussion on "Pupils for Whom High School is a Terminal Educational Experience." Under the direction of Miss Patricia Smith of the Weeks Junior High School and Charles Considine of the High School.

LUCY JACKSON CHAPTER, D. A. R.

Mrs. Lois B. Rantoul, member of the special committee of five, appointed by the Governor, to investigate the Pardon and Parole System of Massachusetts, was the speaker at the regular meeting of Lucy Jackson Chapter, at the chapter house in Newton Lower Falls on Monday, November 10th, at 2 p. m.

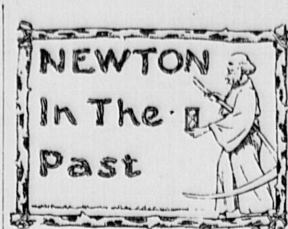

The chaplain, Mrs. Alex D. Salinger opened the meeting by observing both Armistice and Thanksgiving days in her reading of Kipling's "Recessional" and the story of the first Thanksgiving was read by William Bradford in 1623.

Mrs. Holcombe J. Brown, rector, announced that the Christmas sale and forty-fifth birthday party of the Chapter will be held in December 8th, opening at 10 a. m. Mrs. O. L. Scholfield and her committee will serve luncheon at 12:15 noon. Members are asked to bring gifts for the Veterans' Hospital at Rutland.

The January Board and House Committee meetings will be held on January 8th, one week later than usual.

Members are asked to save all used postage stamps and bring them to the Chapter House where they will be sent to the Queen's Children's Hospital in England. The dye extracted from them is used for commercial purposes.

Mrs. Alex D. Salinger, chairman of hostesses and her committee served tea, with Mrs. Frank A. Day and Mrs. Arthur P. Friend pouring.

Rhodes and Ives are training for an effort to do 20 miles within the hour, over the Nonantum Club's (bicycle) course.

A German will be given on the 17th at Cole's Hall, by a number of the young society people of Newton.

The old Baptist Church edifice is being dismantled, preparatory to its removal to the Nonantum stables, where it will be used as a carriage house.

The Cup of Cold Water—If anyone can tell where a wheelman or a wayfarer can get a drink of water in the City of Newton without asking for it, he will confer a favor, besides checking the sale of unhealthy and demoralizing substitutes. There is nothing like pure, cold water to a healthy appetite, but if there is none to be had (except from horse troughs) one is obliged to take the next thing. Is it not a shame, in these prohibition times, that there is no free drinking place between Malden and Dedham, and between Boston and Framingham? We have no objection to brook water, but brooks are very scarce and can't be made to order. Hydrants are shut off from October to May.... Out in the public square or elsewhere, let some liberal-minded citizen get leave to sink or drive a well till he gets a flow of pure, cold water. Put in a stout, plain wooden pump, that shall work in winter and summer; cover it with a canopy like the one in Canton. Place it under the protection of the civil authorities. Let the donor's name or modest initials be inscribed thereon. And begin this fall.

You cannot always depend upon trains as a well-known (Newtonville) young lady found the other evening, who went to Newton Centre for the afternoon, and planned to return at 9 o'clock. Instead of that it was 11 o'clock p. m. when she returned here—ignominious cause, gravel train on the track.

The venerable Squire Davis was able to go to the polls as usual, and voted the straight Republican ticket, as he had done for years.

On Tuesday morning Hon. Leverett Saltonstall and a party of Chestnut Hill voters, came up to the polls (Newton Centre) on the 8:01 a. m. train and returned by the 8:19 train.

No school! No school! was the cry of the children last Tuesday morning. Did the school mistresses attend the polls?

For the past three years the citizens of Highlands have attended the polls at Upper Falls and they think it's about time that a change was made; the village hall here (Newton Highlands) gives as good accommodations as the schoolhouse hall at the Falls; the time has come to form precincts in the city, it would be of benefit to North Village, Chestnut Hill, Oak Hill, as well as this ward.

The roof of Sullivan's mill (Lower Falls) has been tarred and gravelled.

Dr. C. F. Crehore's barn was broken into Wednesday evening and two bridles and a breast plate stolen. The thieves must have been hard up.

Mr. H. B. Coffin has put on a very handsome canopy top delivery wagon, built expressly for the purpose, and capable of carrying orders for a score of families at one time.

Among the choice gifts presented from time to time to the Newton Free Library is an elegant copy of the Macklin Bible, printed in London in 1800 and just donated to the Library by Lewis H. Farlow, Esq. It is in nine large folio volumes, nearly two feet square, and in type almost a half inch in size, the whole interspersed with finely executed engravings representing Bible scenes and history, and in itself a work of rare interest.

Vote of Newton shows Newton still safely Republican with Col. Charles H. Allen, G. O. P. candidate for Governor, receiving plurality here of 431 over the successful Democratic candidate for re-election, William E. Russell.

A Newtonville man is said to have made \$1075 on the state election.

Some wagers on the probable outcome of Tuesday's election were made in the village (Auburndale) but as far as learned everyone seemed to win, showing what a strong betting contingency Russell must have in this part of Ward 4.

Miss Kittie Thompson will be glad to meet the ladies and friends interested in gymnastics at the New Church parlors next Tuesday where she will speak upon and give practical illustrations of her method. A fine large room in Howe's block has been engaged for classes.

Newton's Grade Crossings—Now that the state election is over the city fathers will direct their attention to the plans of the Boston & Albany railroad management for the abolition of grade

Scientists Active In War Relief Work

One war relief activity which has been little publicized is The Christian Science War Relief Committee, with main offices at 237 Huntington ave., Boston, Massachusetts. Two thousand nine hundred and ninety-nine cases—half a million garments—valued at \$489,368.23, in the nine months of the committee's existence, is their record to date.

The work is an activity of The Mother Church, The First Church of Christ, Scientist, in Boston, and branch Christian Science churches throughout America. Only new garments or those comparable to new are accepted by the committee. These are furnished almost entirely by members of the Christian Science organization. They are shipped to a central Christian Science committee in London, where they are allocated to different almoners in England and Scotland. The work is in the hands of members of the Christian Science denomination who are distributed. They are gladly given to any person in need, regardless of denomination.

It is the purpose of the committee in the United States to keep its depots in England supplied with an adequate amount of clothing and blankets for emergencies; so, the London Committee is becoming known as a storehouse for new garments which can be met. This was evidenced by the fact that it was crates of clothing from this committee which first reached Coventry; and when the great fire occurred in London, The Christian Science War Relief Committee was able to meet an appeal for blankets. Fortunately, many hundreds of blankets had been shipped and had just arrived.

Not only are garments made by sewing units in about thirteen hundred places throughout the United States, but the needs of new emergencies are purchased and sent, from a War Relief Fund generously contributed by Christian Scientists. Three motor kitchens have been sent and

building for an office and call it a hospital, sanitarium or like institution, that it was just a subterfuge and if the petition was not denied the City would be flooded with similar requests.

Alderman Albert P. Everts said he would be governed by the opinion of the Dean of the Harvard Dental School. Alderman John Temperley also favored the petition and Alderman John Barwise said that he felt the petition should be granted and that none of the residents of the section had objected.

Vice President Clifford H. Walker, who was presiding in the absence of President Charles B. Floyd, argued against the granting of the permit, stating that it was impossible to conclude that it would be anything more than a doctor's office with more elaborate equipment and that if it were called a hospital, they would have to call every doctor's office a hospital.

Asserting that although he was annoyed by the expansion of doctors' offices, saying that no other profession could hang out a shingle everywhere, Alderman Carroll J. Hoffman said he would vote with the majority, believing it to be a "borderline case." Aldermen Donald Gibbs and Maxwell P. Gaddis also spoke in favor of granting the petition.

Annual Meeting of Credit Union

At the first annual meeting of the Newton Municipal Credit Union to be held on Monday evening, November 17, in the City Hall Cafeteria, Mayor Paul M. Goddard, City Solicitor Joseph W. Bartlett and members of the Board of Aldermen will be guests.

A dinner will be served at 6:30 followed by an entertainment and a short motion picture. Music will be furnished by an orchestra. About 300 are expected to attend. Philip Purcell is chairman of the committee. Richard Murphy will have charge of the dinner arrangements. Frank Linchman is chairman of the entertainment. Paul Mullen of the music. A short business meeting will be held following the dinner.

Newton Jay-Vees Undeclared

The Newton High junior varsity football team concluded an undefeated, untied and unscored season last Friday defeating Belmont High 26-0.

The Newton Jayvees season included four games opening with Belmont in a 6-0 game, followed by victories over Waltham, 16-0 and Brookline 25-0 prior to the final and second win over Belmont.

Jack Hanley was elected captain of the eleven which was coached by Howard Ferguson and Thomas Fitz of the high school faculty. Outstanding in the backfield were Marvin Meirowitz and Dick Kiley. "Chuck" Bryson excelled backing up the line with George Avery and Tosi at end. Newton Wins 7-6 From Fitchburg In Thrilling Game

Savignano's Goal Provides Margin As Newton Comes From Behind

Al Savignano's ability as a place-kicking specialist was the sole margin which enabled Newton High's football team to regain the victory road against Fitchburg High last Saturday in a 7-6 decision at the Dickinson Stadium. Although Savignano has missed on previous occasions he calmly and neatly came through with the Newton eleven had battled back to a tie score in the early stages of the final period. Fitchburg had taken a second period lead which grew bigger as the game went on and as the upstarters continued to threaten and held off Newton's attack repeatedly.

The Newton eleven literally came back after being almost counted out by the "grandstand" quarterbacks and in the final period showed the drive and power that had characterized the early season but which had been lacking in the Everett tie three weeks previous. The 7-6 margin, slim though it was, was a well earned victory despite Fitchburg's superiority during the early part of the game.

The tying touchdown drive was sparked first by Gordon Hobbs' punt at the end of the third period, carrying Newton out of the shadow of its own goal line to the Newton 38. French had been downed on the Newton 27 the play previous on a Fitchburg punt. Three plays later Newton was on the Fitchburg 5-yard line. On the first play French had carried on a spinner for a 4 yard gain and Haffermehl picked up another yard. Hobbs then faded back and tossed a long forward. Haffermehl raced behind the Fitchburg secondary and with a leaping over-the-shoulder tackle completed the pass on the Fitchburg thirty and raced for the goal line. The Fitchburg defensive back set out in pursuit and the visitor's safety cut over from the center of the gridiron. Haffermehl drew away from the man pursuing him but Charlie Pappas, the Fitchburg safety, caught him with a beautiful tackle nailed him from behind at the 5-yard line. Driving through the line Hobbs was stopped on the first attempt. French crashed but was stopped less than two feet from the goal by desperate backing up of the Fitchburg line. On the third play French would not be denied and went over the top of the piled up linemen for the score. Savignano meanwhile had been warming up on the side, lined up on the field, calmly took his position and perfectly booted the uprights with a placement kick for the winning point.

Fitchburg's second period touchdown was well earned on a 56-yard drive. Charlie French, whose kicking was excellent throughout the season, had booted the ball to the Fitchburg 27 only to have Newton penalized 20-yards on play with the visitors putting it in play on their own 44-yard line. With Gage carrying three ties out of four a first down was earned. A short forward pass to Dom Ricci, elusive halfback, shook the latter free for a 20-yard jump to the Newton 26 with French saving a touchdown with a decisive tackle. Ricci then swept along for 9 yards to the 17 and then a short pass over the line from Tony Morissette to Bill Gage clicked with the Fitchburg fullback racing over standing up for the touchdown.

With Fitchburg having outplayed Newton by a wide margin in the first quarter during which Frank Brock suffered a painful leg injury which necessitated his being taken from the field on a stretcher the Newton eleven was slow in finding itself. Brock's injury was a torn ligament in his leg above the knee with subsequent x-rays showing no fracture as at first believed. Play was held up for several minutes as Brock received aid before being taken off the field. Dick Boulter went in as guard in Brock's position. The play previous to Brock's injury which came late in the quarter had been marked by several changes of play with Newton having been forced back to the 10-yard line on one occasion with French making 15 yards on a spinner play to put the orange and black out of danger. Following Brock's injury French punted to the Fitchburg 40 and as the period closed the visitors had moved to a first down just over the middle stripe in Newton territory.

After the teams changed fields Newton's defense held and Gage punted to the Newton 5 yard line and the ensuing kick by French was taken by Pappas and punted to the Newton 3 yard line. The Newton eleven sprang a spread formation with the center and one back in the middle of the gridiron and the remainder of the team split into two groups within fifteen yards of the sidelines. A sideways pass to Brock was halted for a 4-yard gain as the Newton line shifted to defend. Newton took the ball on downs and began a march with Hobson and French alternating. Two consecutive first downs brought the orange and black close to midfield but here the offense stalled and French finally kicked to the 27 with a 20-yard penalty giving Fitchburg the ball at the 44 from which point their touchdown drive was started. Two plays after the kickoff following Fitchburg's score the half ended with Newton possessing a pass to French which almost shook the latter free.

The visitors also dominated most of the third period although several decisive tackles by Bill Kalousdian prevented the visitors

from becoming dangerous. Following one of French's punts to the Fitchburg 30-yard stripe the visitors brought the ball to the Newton 23 yard line in a series of three first downs. Two completed pass plays for fifteen and twenty yards ate up the ground

The inspiration brought back the Newton power of the early season as they moved down the field for the tying score and the winning point. Following the kickoff another Fitchburg pass was almost intercepted by George Salzman who juggled the ball in his hands, losing control of it. Had he snared it he would have been in the clear for a long touchdown run. A short Fitchburg punt a few plays later gave Newton the ball at midfield. A Charlie French kick on third down set Fitchburg back to the 8 yard line but danger was averted when Ricci got away on a 40-yard jaunt which French halted by driving the latter outside at midfield. A completed pass a few plays later brought the visitors to the Newton 34 as they desperately strove for another score but this drive was halted when French intercepted a pass at the 15 and raced to the Newton 28. Picking up speed a series of three first downs with French and Hobson alternating on ground plays carried the Newton eleven forty yards to the Fitchburg 30-yard line as the game ended.

which kept him out for two weeks, may start in his old position at and in place of Dick Hay. Although Guy Munroe has also returned to duty he is regarded as a doubtful starter and Alden Haffermehl will probably continue to carry on with Munroe being an early replacement.

Waltham's journeys to Newton on Saturday with one of its least seasons in years behind it. Starting off with a scoreless tie with Providence Central the Watch City eleven turned in wins over Lawrence and Somerville. Although continuing to build a stronger defense the Waltham attack failed to develop and four successive defeats caused a slump in Waltham's play. Rindge took the measure of the Watch City, 13 to 12. Haverhill provided a 6-0 upset, Lynn English followed with a 6-2 margin, the Everett game was washed out and last Saturday Medford went home with a 7-0 victory. After meeting Newton the Walthamites will close their season next Thursday entertaining Brockton.

Brookline has had an in and out season compiling four wins against three losses. The Wealthy Towners' victories have been over Belmont, Framingham, Boston Latin and Weymouth and their losses were to Quincy, Weymouth and Rindge. The week before last their game with Fitchburg was rained out. Brookline is idle this Saturday following its elimination of the past several years of not scheduling a game for ten days before the annual struggle with Newton. Although Brookline's schedule does not compare with Newton's in the calibre of opposition the Wealthy Towners point out this Saturday against the bottom of the past several years of not scheduling a game for ten days before the annual struggle with Newton. THE COOK IS HAPPY IN THIS NEWTONVILLE HOME

Now Agnes has a cheerful, convenient kitchen and she says it's fun to get the meals. Everything is so handy that she doesn't have to do a lot of walking. And the double bowl sink makes dishwashing so easy.

Over half of the kitchens we have modernized are in the homes that employ help. If "working conditions" in your kitchen are in need of improving, let us offer suggestions, without obligation.

WABAN WOMAN'S CLUB

Chiang Kai-Shek, Gandhi, Tager and the notables surrounding them will be discussed by Mrs. Welthy Honsinger Fisher before the Waban Woman's Club on November 17th at 2:30 o'clock at the Neighborhood Club House. The president, Mrs. Harcourt W. Davis, will preside at the business meeting preceding this lecture. The social chairman for the day is Mrs. Herbert L. Esterberg and at the tea tables will be Mrs. C. B. Jones and Mrs. George M. Sneath. For this meeting, Mrs. Gordon S. Pinkham, Art Chairman, has arranged a display of Oriental objects of art collected by Mrs. Donaldson F. Jones, a club member, and Mrs. George W. Van Gorder, of Newton Centre. Mrs. A. Barnard Root, Jr., has charge of Chinese objects which will be on sale for the benefit of United China Relief.

On Tuesday morning, at the home of Mrs. Phillip Warren, 86 Waban ave., Miss Marie Carroll, Chief of the Reference Bureau of World Peace Foundation, will begin her series of three morning lectures on the "Role of the United States in the New World Order." Her first talk will be "Effects of the War Upon the Western Hemisphere." Bouillon will be served at 10:15 by the International Relations Committee of which Mrs. Charles S. Hoyt is chairman. Her committee consists of Mrs. Granville A. Bennett, Mrs. Chester L. Churchill, Mrs. Milton W. Heath, Mrs. Henry A. Libby, Mrs. Carlyle W. Morgan, Mrs. Edward Frien, Mrs. Jack F. Wright, Mrs. Phillip Warren and Mrs. Charles L. Ziegler.

The Newton Hospital Aid Benefit Shop

Mondays have become the favorite day for many to frequent the Benefit Shop, located at 795 Washington st., Newtonville. The reason has been the window filled with new goods which have been donated for the annual Treasure Sale which this year is taking a new form. Instead of the customary two days sale held in another part of Newton from where the shop is open, the manager, Mrs. Francis H. Williams, has divided the treasures and each Monday sees an entirely new collection of glass, china and silver, from which gifts for the holiday season may be purchased.

In addition to this feature, there is still the usual stock of clothing for all members of the family as well as furniture and books. Additional goods will be gratefully received both for the special sale and for the regular stock. Particularly welcome at this time will be donations of winter clothing including snow suits for the kiddies, sleds, skis, snow shoes and skates. Bedding also is in great demand and can always be used.

All goods will be called for on Wednesday mornings by a truck from the Newton Hospital with two men in attendance to carry heavy articles. This service may be obtained by contacting Mrs. Raymond Perkins, Las 8123 by noon on the previous day.

As these special sales have proved so popular, it has been arranged to continue them through this month and they will close

Friday, December fifth, after which toys and games will be featured for the holiday trade. Dolls are among the things greatly desired for this sale.

The Auburndale Review Club

Three papers on the Americas, North and South, will be given by club members, when the Auburndale Review Club meets on Tuesday morning, November eighteen, with Mrs. W. A. VanAtten, 29 Studio rd.

At ten o'clock, the president, Mrs. James G. Patterson, will conduct the usual half hour of business after which she will turn the program over to Mrs. Grace H. Fiske, chairman of the morning. "French and English Explorers" will be the topic of Mrs. Fiske's paper to be followed by one on the "Rise and Fall of New France" by Mrs. Arthur Furbush.

"Timely Topics," a new feature of the year, and one which includes up to the minute news of the two countries will be given by Mrs. Eldin Lynn.

Newtonville Woman's Club

"Portrait of Every-Day Life in India" is the interesting topic to be presented at the meeting of the Newtonville Woman's Club on Tuesday, November 18, at 2:30 p. m. at the Club House. Ramkrishna and Marguerite Modak, dressed in attractive native costumes and surrounded by beautiful India prints, will portray much of the color and mystery of the land of the East. Using authentic utensils of brass, wood, and Mrs. Modak will give a clear picture of the daily life in an Oriental Indian home. The annual collection for the Children's Christmas Party will be taken at this meeting.

Community Service Club of West Newton

At the November 19th meeting of the Community Service Club of West Newton, Miss Phyllis Moir, author of the book, "I Was Winston Churchill's Secretary," will give a lecture on "England's Man of Destiny (Winston Churchill)." Miss Moir, who has enjoyed a varied and exciting career, has been secretary to many other interesting people, including Lillian Gish. The two women have a special elusiveness charm, but five minutes with Miss Moir reveals that she combines the appealing grace of a bud vase with the toughness of a medicine ball.

Mrs. Edward S. Abbott is in charge of the tea and social time, which will follow the speaker.

Newton Highlands Woman's Club

Hawaiian quilts of unusual design and color, many of them depicting the plant life of Hawaii, owned by Mrs. John Whittier of Acton, designed by her brother and made by her mother, Mrs. Thomas Cook of Hilo, Hawaii, will be on display at the meeting of the Woman's Club of Newton Highlands on Tuesday, November 18th, at 2:30 p. m., in the Parish House of the Congregational Church.

"Listening to Music" will be presented by Lucy and Raymond Simmonds. Together they present a program of songs and piano music illustrating the development of music through the Classical, Romantic and Modern Periods.

Special guests will be members of the Social Hour for the Blind. Tea will be served by Mrs. Robert Buchanan, hostess, assisted by Mrs. Robert S. Ingram, Mrs. George F. Kerr, Mrs. Walter E. Leidner, Mrs. Francis L. Searway, Mrs. Justin Starkie, and Miss Marian E. White.

Newton Upper Falls Woman's Club

On Monday evening following a brief business session presided over by Mrs. Harold T. Sprague, president, "Facts and Fashions in Decorative Art" by Mrs. Adams & Swett will be given. Mrs. Doris Aldrich will serve as chairman of the meeting and Mrs. Martin Manning will be the hostess. Members are asked to bring Thanksgiving donations at this time.

Recent Events

Newton Upper Falls Garden Club

The members of the Newton Upper Falls Garden Club met at the home of Mrs. Albert Proctor of Chestnut st. on Thursday, November 6, at 6:30 p. m. Mrs. Albert Proctor and her sister Mrs. Robert Miller were the hostesses.

A Covered Dish Supper, brought by the different members, was enjoyed by twenty-four members and one guest. Following the supper a short business meeting was held with Mrs. Frank Mordo, President, presiding. It was voted to give contributions to the American Red Cross, The Newton, Boston Community Chest, The Chinese Relief and British Relief.

Following the meeting, Mrs. Mordo introduced Professor Paul W. Dempsey of the Waltham Field Station, who gave a talk on "Horse Plans and Their Care," illustrating his talk with a collection of plants brought from his home. The December meeting will be held in the R. W. Emerson School on Dec. 11, at 7 p. m., when the Club will meet for their Annual Christmas Party.

West Newton Women's Educational Club

The American Home Class of the West Newton Women's Educational Club met with Mrs. John Binchey, 56 Warren st., Newton Centre Wednesday, November 5. After a delicious luncheon served by Mrs. Raymond Littlefield and her committee, the class enjoyed a film "Fun In The Kitchen" pre-

ceded by a talk by Miss Mahaday of the Boston Consolidated Gas Co. The next meeting of the class will be Dec. 3 with Mrs. B. Howard Lester, Mt. Vernon st., and will be a Christmas party. Mrs. William Keefe will give a talk on "Christmas Traditions."

Auburndale Woman's Club

For those members of the Auburndale Woman's Club who have changed their hearts and abandoned their families on the holiday, November 11, the reward was a most interesting tour "Around the World in Ten Minutes" narrated by Victoria Powell, English actress, world traveler and lecturer.

Miss Powell spent most of her time telling of her experiences in Australia, that lovely tropical continent about which so little is known to the average American. Mrs. Eldin V. Lynn presided at the short business meeting preceding the lecture and Miss Powell was introduced by Mrs. Paul H. Tarvidel, Day Chairman.

Membership in the Newton Y. M. C. A. continues to increase each month in both the Men's division and the Boy's department. Both divisions met their quota for the month of October with the Boy's memberships already exceeding the number secured during the whole of last year. Total members in the men's department on October 31st numbered 778, as compared to 647 registered a year ago. There are 551 boys in the membership to date as compared to 571 last year. Of the number who joined during October seventy one were young men who had not been members before and joined the Newton Y for the first time.

The Y bowling alleys are being used very much this Fall, with bowling taking a more prominent place in the Y's program. Already the regular Y league of eight teams is under way with team 7, composed of Art Linthwaite, James Walsh, Tom O'Connor, Herb Cornell, Eddie Reuter, leading off the bowling.

Tonight a meeting is being held at the Y for the purpose of starting a church bowling league. Quite a few churches have expressed a desire for such a league, so plans are under way. It is right about Thanksgiving.

Salvation Army Completes Plans For 1941 Appeal

In the Salvation Army appeal for \$6,000 in Newton the men and women of the community have started mailing or handing donations to William M. Cahill, the Campaign Director at the Newton Trust Company. This plan will continue until the naming of the official collector, according to Douglass B. Francis, who heads this sponsoring group.

Throughout the campaign the sponsoring committee, made up of well-known men and women of the community, will emphasize the Army's local emergency fund that gives succor to unfortunate folk without red tape.

Newton is one of the 32 towns in the Metropolitan Division of the Greater Boston campaign, and the generosity of Newton folk is counted on again this year so that the \$200,000 total shall be reached.

The men and women who make up the sponsoring group are: Honorable Paul M. Goddard, Charles L. Abbott, Bertha W. Allen, Honorable J. Weston Allen, Rev. M. Russell Boynton, William F. Chase, Honorable Edwin O. Childs, Mrs. Herbert M. Cole, Frank A. Day, Frederic B. Eastman, John N. Eaton, Rev. Ray A. Eusden, Edward J. Frost, William A. Gallup, Roland F. Gammons, Mrs. Henry I. Eliot Men's Club New Parlors Being Made Ready

Attended by sixty members and ten guests, the November meeting of the Eliot Men's Club of Eliot Church, Newton, was held at the Chapel on Monday evening, November 10th. Dinner was served, following which a brief business meeting brought members up-to-date in the progress toward completion of the basement parlors in which it is expected to hold meetings for the first time in January 1942. Of a total sum subscribed, \$2388.50, practically all, or \$2294.14, has been already awarded in contracts; and at present the structural changes have been finished, leaving the interior partitions and decorations yet to be provided for. The subscription of \$100.00 by the Eliot Circle toward equipment of the parlors was announced by Chairman Russell Broad for the Subscriptions Committee.

Plans for a joint debate with the Channing Church Men's Club are in progress, as well as plans for joining in a bowling league among other similar clubs. The annual Christmas party plans were also discussed, with the idea of including as guests younger members of the neighborhood to whom parties bring the most joy.

The objectives committee is active in adapting the potentialities of this club to the community, and it is to be hoped that efforts will be mutually satisfactory. All subcommittees are fully complemented, chairmen as follows: attendance, Ralph Angier; financial, Charles Morrow; church contact, R. P. Waller; visiting, Harry Bascom; reception, Ellison Day; commissary, Henry Condon; house committee, Herbert Dunn; publicity, Edward Pease; membership, C. C. Custer; program, E. F. Leonard; and music committee, Albert Holdridge.

Post-meeting address to the Eliot Men's Club was made by Mr. Joseph Lirnic, insurance expert of 40 Broad St., Boston, on the subject, "The United States Navy," illustrated by motion pictures produced by M. G. M., Paramount and Columbia, in collaboration with the Navy Department for the purpose of the recruiting service, the lecture was filled with genuine information of interest to all New England audiences.

The territory is so to speak the chin of Uncle Sam, jutting out to the naval conflict in the North Sea.

A Proclamation

At this time of year we are again reminded of the nationwide fight against tuberculosis. To protect our homes from the tragedies caused by the ravages of tuberculosis is the commendable objective of the annual Christmas Seal Campaign. The simple, direct appeal of this campaign comes to us with the approach of each holiday season, and I trust that we shall be quick in responding.

Let us all buy Christmas Seals this year. Let every greeting card and gift package that goes forth from Newton bear these seals, a sign that our community is alive to its responsibilities and, as in previous years, is doing its part in a great national undertaking.

PAUL M. GODDARD,
Mayor.

Arrest Two Youths For Breaks

Many Recent Burglaries
Believed Solved In
Catching Waltham Pair

Nearly a score of recent burglaries in Newton homes and nearly 100 house breaks in Newton and surrounding communities were solved early this week with the arrest of two Waltham youths, one 19 and the other 16. The pair were discovered on Monday attempting to break into the home of William Eaves at 80 Manomet rd., Newton Centre. The suspects were seized on Mill st. by Motorcycle Officer James E. Halloran about eleven o'clock. Questioned by police Russell S. Goguen, elder of the pair, and the other, a juvenile offender, are alleged to have confessed that they committed numerous breaks in Newton within the past two months. In addition it is alleged the younger lad admitted nearly a score of breaks in Newton, Woburn, Stoneham and Brookline and other burglaries in Watertown, Lexington and Belmont with another youth now serving time.

They told police they disposed of much of the loot in pawn shops. Goguen was arraigned in Newton court on Tuesday morning and held in \$1,000 bail and his case will also be heard Friday. Additional complaints to that of attempted breaking and entering with intent to commit larceny at the Eaves home have been sworn out against the pair. Officer Halloran arrested the youths on Mill st. after they started to run away. They were first seen by Mrs. Eaves who discovered them after a window had been broken in the Eaves home and fled. Sergeant Patrick J. King and Inspector Louis B. Lyons were sent to the scene to search for the culprits and after their arrest by the motorcycle officer the two other officers brought them to headquarters.

Brookline Wins From Newton, 14-7

Sooy Scores Twice To Topple
Crippled Newton Eleven in
Annual Thanksgiving Classic

Malley Races 45 Yards
For Newton Score In
Last Minute of Play

Sparked by the spectacular and brilliant playing of these reserve players who had seen little previous action throughout the season, an injury-riddled Newton team threatened constantly to overcome a two-touchdown lead built up by a hefty Brookline eleven in the first half of the annual Newton-Brookline gridiron classic this morning at Brookline field in which the Wealthy Towners emerged victors by a 14 to 7 score. Heavily favored on the basis of records a few days before the game, the orange and black team took the field without the services of five early season regulars and with four other players under par. Consequently early replacements were in evidence and with the Brookline eleven at full strength the tide turned toward the red and blue. Paced by Charles Sooy, Brookline back, a fast-charging line led by Captain Wesley Baker, the Wealthy Towners piled up a marked advantage in the first half, scoring twice in the second period.

The first tally was set up when John Nason recovered a Newton fumble on the 20-yard line to give Brookline its chance. Banging away on three successive plays, Sooy chalked up a first down on the nine-yard line as the first period ended. Noonan went around end for five yards and two plays later Sooy carried over with Baker place-kicking the point. The second count came at the end of an 80-yard march after Newton had retaliated with a threat deep into Brookline territory following the initial score of the game.

Score on Long March
Starting from their 20-yard stripe the Wealthy Towners swept up the field to cover 76 yards in a series of four first downs in which a 17-yard run by Noonan and a 32-yard gain on a forward pass to Joe Gulley and another of 10 yards to Dick McLoughlin were the features. From the 4-yard line Sooy again plunged over with Baker kicking the point after.

Following the second Brookline touchdown, little Charlie Rezzutti, third string Newton back, put a lot of dash and spirit into the locals as he started running and passing, with Jerry Peck snaring the pigskin out of the air for good gains. The half expired before Newton could do more than threaten.

Returning to the field after the intermission Newton again seemed on the verge of going places although a 45-yard run by George Keith of Brookline gave Newton fans momentary fears of another Brookline score. Jerry Peck saved this situation by overtaking Keith from behind and nailing him on the 20-yard stripe. But it wasn't until play had gone all into the final session before Bill Malley, another Newton third string re-

Morrisey to Captain
1942 N. H. S. Eleven

Following the game with Brookline this morning the Newton high school football squad elected Leonard Morrisey, regular left end, to captain the 1942 eleven. Morrisey, who will be a senior next season, clinched a starting berth on this year's team before the opening game with Woburn and has played a consistent game throughout. He succeeds tackle Bill Healy as Newton's leader. The election returns the leadership to an end, Bob Beatty having piloted the 1940 team from that position.

Morrisey will have a team-mates on next year's team among the regulars of this season Dick Boulter at guard and Alden Hafnermehl in the backfield. Reserves this year who are expected to become regulars next season include Gerald Peck at end, John Lander, guard and Harold Martin, halfback.

Recounts Make No Change

Election of Hoffman
And Temperley Confirmed

The recount of the contested elections for the positions of Aldermen-at-Large from Ward 5 and for Ward Alderman from Ward 6 were completed this week with no change in the outcome of the election day result when Alderman John Temperley and Alderman Carrol J. Hoffman were re-elected members of the Newton Board.

The Ward 5 recount, sought by Wendell Bauckman of Oak Hill, who was defeated by Alderman Temperley and Howard Whitmore in a contest for the two seats from that Ward, brought a net gain for the defeated candidate of but 7 votes. Temperley's plurality was cut from 234 to 228 votes. Each of the candidates lost votes in the recount.

Whitmore, who led, was reduced from 12,607 to 12,495. Alderman Temperley who first was credited with 9,046 was cut 76 by the new count to 8,970. He has been a member of the Board for 14 years and has weathered several concerted efforts to retire him.

The loss of votes in the recount is ascribed to the fact that many voters marked both a first and second choice for the same candidate and in such cases a second vote should have been disqualified but some of the election officers failed to do so.

Ward 6 Recount
In the Ward 6 recount Ernest J. Dietz, the defeated candidate, sought the recount in his contest with Alderman Hoffman in which the latter was the victor by 189 votes. The recount gave Dietz a gain of 17 votes making the final tabulation 1670 to 1498.

Chih Meng Speaks At Forum

Chinese Director Says
Jap Envoy is "Wolf in
Lamb's Skin"

Dr. Chih Meng, director of the China Institute of America, was the speaker at the second meeting of the season of the Newton Community Forum last Sunday at the Newton High School auditorium. He declared that in sending a special envoy to this country in an attempt to avert hostilities, Japan was simply sparring for time to see how Hitler's advance upon Moscow comes out. He added, "When a wolf puts on a lamb's skin, he is a wolf, and not a lamb." China has learned three things since the Japanese aggression began five years ago, Dr. Meng declared. "We have learned much about our own people; we have learned we can hold off Japan without heavy war equipment; and we have learned something of what we must do in the future." Japan has learned that you can destroy material things but that "you cannot destroy human spirit."

The speaker gave his opinion that Japan was sparring for time now that she is in a quandary. "She was ready to pounce upon Vladivostok but Hitler's Russian time schedule was upset."

America is regarded by the Chinese as her "greatest friend," and that China waits patiently toward the time when Japan will no longer receive supplies from this country to be used in warfare. In reply to a question regarding Japanese appeasement, the speaker declared, "You cannot appease a government run by generals and admirals."

In concluding Dr. Meng stated that for a hundred years Chinese youths have been educated in this country and that they are ambassadors of the United States in China. Missionaries, who for years have aided China, become Chinese ambassadors to America. He made a plea that the democracies cooperate as closely as the Axis countries do as a means of shortening the war in China. Dr. Kirtley F. Mather, who presided, announced that the next forum meeting would be on Nov. 30th, when Congressman T. V. Smith of Illinois would speak on "The Higher Sportsmanship in Politics." Congressman Smith was a leader in the smashing of the Kelly-Nash political machine in Chicago.

Seek Ban on Two-Family Construction

A public hearing on December 10th has been scheduled by the claims and rules committee of the Board of Aldermen, jointly with the Newton Planning Board, on a petition seeking to prevent the erection of two family houses in a section of West Newton. The petition calls for the rezoning of land on Watertown st. now classed as private residence to single residence restrictions.

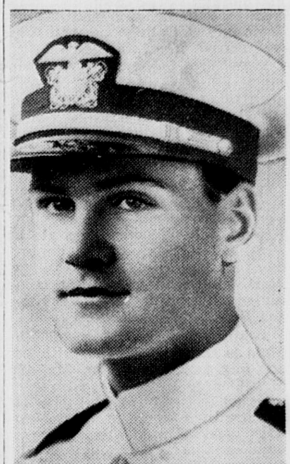

The petitioners, led by Cornelius F. Hurley, described the area in which the restriction is sought as "land on Watertown st., north side, in vicinity of Eliot ave., Randle park, and Fairview drive, and land at northerly extension of Bunker lane, Ward 3." The petition states that the purpose of the change would be "so that any construction or reconstruction in said area may be restricted to single family dwelling."

Call New Rector To Newtonville

Son of Episcopal Bishop
To Preach at St. John's
Church on Dec. 7th

The acceptance of a call to the rectorship of St. John's Episcopal Church, Newtonville, by Rev. J. DeWolfe Perry, Jr., has been revealed in the announcement that the new rector will preach his first sermon here on Sunday, Dec. 7th. Mr. Perry is the son of Rt. Rev. J. DeWolfe Perry of Rhode Island and comes to Newton from his present pastorate at Provincetown, Mass.

He was born in New Haven, Conn., Nov. 24th, 1908, and attended Moses Brown school and the Kent School in Kent, Conn. He attended the University of Louisiana in Baton Rouge and was graduated from Harvard in 1933. He received his theological degree from the Virginia Seminary and did graduate work at Corpus Christi College in Cambridge, England in 1935 and 1936. He was ordained in 1936.

During the coronation of King George VI in May 1937 Mr. Perry was chaplain to the Archbishop of York. From 1938 to 1938 he was curate of Christ Church in Norfolk, Virginia, and since that time has been rector of St. Mary of the Harbor Church in Provincetown.

In 1939 he was married to Miss Adela C. Daingerfield. Mr. Perry succeeds Colonel Raymond Lang who resigned the St. John's rectorship after 15 years of service there to become chief chaplain at Camp Edwards.

United Every Member Canvass Campaign of Twenty-Eight Churches Completes Plans

Hollis Replies To Queries

Answers Request of
League of Women Voters
On Coakley Issue

At a recent meeting of the Newton League of Women Voters the organization voted to write Senator Arthur W. Hollis of Newton concerning his votes on the disqualification of Governor's Councilor Daniel H. Coakley wherein he voted to remove the official but not to disqualify him. Senator Hollis has replied to the organization recalling the oath taken at the opening of the trial in which he pledged himself to "truly and impartially try and determine the charge in question."

The communication of the League of Women Voters' in part states: "You are no doubt aware that impeachment without disqualification would have permitted and probably would have encouraged this man to run again for office. The league strongly feels that impeachment without permanent disqualification would have been futile. The League also feels that the man who represents us must always stand for honesty in government, and it is difficult, in light of your past record, to understand your vote on this point. The League has always taken pride in Newton's representatives. We would appreciate hearing from you the reasons why you voted as you did."

The league makes public Senator Hollis' reply as follows. "At the opening of the recent impeachment trial I took the following oath:

"I do solemnly swear that in the trial of Daniel H. Coakley, Executive Councilor from the Fourth Councilor District, for misconduct and maladministration in office, expressed in articles of impeachment preferred and exhibited against him by the House of Representatives, I will truly and impartially try and determine the charge in question, according to evidence. So help me God. My votes were in accordance with the above oath."

Yours very truly,
ARTHUR W. HOLLIS."

Hundreds of Workers to Participate

The guest speaker for the Newton United Every Member Canvass dinner on November 27 will be Stuart C. Rand, co-chairman of the British War Relief Committee, former Chairman of the Boston Community Federation Campaign and prominent lay worker in both church, social and civic affairs.

James B. Melcher, General Chairman of the United Every Member Canvass of the twenty-eight churches, says that everything points to a successful conclusion of this new undertaking. Over ten thousand proclamations heralding the event are in the mail this week. Next week a special circular letter goes to the entire membership of the cooperative churches. Finally, post cards will remind everyone to stay at home if possible on Sunday afternoon, November 30, and make a pledge for their church budget commensurate with their faith, their blessings and their financial resources.

At the same time large red, white and blue posters have begun to appear on church properties throughout the city. Designed to emphasize the slogan of the United effort they are striking reminders to all church members to hold November 30 for the church and KEEP THEM RINGING—the two most important bells in the world—the Liberty Bell and the Church Bell. Jess Traylor is chairman of the poster committee. Charles E. Downing is chairman of the committee on printed materials. James M. May has charge of mailings. In all there are twenty-two members active on the publicity and advertising committee of which E. S. Whitten is chairman.

It is planned to have all the churches in the program ring their church bells on Sunday afternoon, November 30, as the

Do You Know
BOTH SIDES OF THE
U. S. DEFENSE SAVINGS BONDS STORY

HERE IS
Uncle Sam's Side

Provide Materials for Defense. When you buy a Defense Savings Bond you are helping to provide money to build the planes, tanks, guns and ships that are vital to defense.

Keep Factories Running. Your Defense Savings Bond dollars will help to keep thousands of factories running and millions of men working throughout the country.

Prevent Hard Times Later On. Cash in Defense Bonds . . . Cash in the bank . . . Saved now, when saving is easy, will protect America from ruinous inflation and prevent hard times and higher taxes later on.

HERE IS
Your Side

Your Investment Will Be Safe. The full faith of the credit of the U.S. Government is pledged for payment of both principal and interest on these issues.

Your Investment Will Be Growing. Defense Savings Bonds, which may be purchased at any Mutual Savings Bank for \$18.75, will be worth \$25 in ten years. You can open an account to save for them.

You Will Be Prepared for Future Emergencies. If you do not redeem your bonds for ten years, you will have a nest egg for recreation, retirement or college. Why not join this all-out effort to invest in America.

On Friday evening, November 14, Miss Philippa Charles Patey of Newtonville and Mr. Douglas Mellen Burkett of Boston were married at a candlelight service in the chancel of the Central Congregational Church, Newtonville. The Reverend Randolph Seaman Merrill officiated at the ceremony which was witnessed by a small group of intimate friends. The bride was attired in a gown of white faille with short train and wore a finger-tip veil. She carried a bouquet of white pompon chrysanthemums and blue delphinium. Miss Barbara Lorraine Patey, a senior at Mount Holyoke College was her sister's only attendant, wearing a gown of shell pink faille and wine colored velvet, and carrying deep pink gladioli. Mr. Henry J. Perkins of Salem was best man. Miss Lillian West, organist of the church, provided the wedding music. The ushers at the church and reception were Messrs Richard L. and Robert T. Patey of Newtonville, brothers of the bride, and Mr. Robert Brandt of Waban. Following the ceremony a large reception for the friends of Mr. and Mrs. Burkett was held at the Woodland Golf Club, Auburndale. Guests were present from all parts of Greater Boston and more distant points. Mrs. Burkett is the daughter of Mr. and Mrs. H. Philip Patey of 57 Grove Hill ave., Newtonville. She was graduated from the University of Wisconsin after three years at Mount Holyoke College. Mr. Burkett is the son of the late Mr. and Mrs. Walter L. Burkett of New Jersey, a graduate of Massachusetts Institute of Technology, and an electrical engineer with the Boston and Maine Railroad. Both are ardent skiers, and participate in many outdoor sports. Mr. Burkett is first vice-president of the United States Eastern Amateur Ski Association, and has been particularly active during the last year in Red Cross First Aid Instruction and in Air Raid Precaution work. After a wedding trip to Asheville, the Great Smokies, and New Orleans, Mr. and Mrs. Burkett will be at home after December 15, at 43 Linnacian st., Cambridge, Mass.

DEWING-MCKUSICK

Miss Elaine Frances McKusick, daughter of Mr. and Mrs. Harold Wilfred McKusick, Sr., of 120 Farwell st., Newtonville, was married to James Thompson Dewing, son of Mr. and Mrs. Henry Franklin Dewing of Boston, on Saturday afternoon, November 15, in the Central Congregational Church, Newtonville. The ceremony was performed at 4 o'clock by Rev. Randolph S. Merrill. Mrs. Talbot Emery played the wedding music and Theodore Taelstrom was the soloist. A reception followed at the home of the bride's parents.

The bride, who was given in marriage by her father, wore a Victorian gown of white moire with a shoulder length veil of tulle with a pearl crown and carried a sheaf of white roses. Her sister, Mrs. Chester R. Berry of Hanover, New Hampshire, was the matron of honor. She wore aqua faille with a Juliet cap and carried bronze chrysanthemums. Robert Dewing of Holyoke, Mass., brother of the groom, was the best man. The ushers were Edwin P. Dewing of Albany, New York, brother of the groom, Chester R. Berry of Hanover, New Hampshire, Harold W. McKusick, Jr., and Charles E. McKusick, brothers of the bride.

Leisure Time Provisions

At Pomroy House

A visit to the Pomroy House at 24 Hovey st. will find boys and girls and women busy doing many things which fill a need for something to do in leisure hours. The day begins with the Nursery School for the three to five year olds after the afternoon hours after school, the boys and girls come to classes and clubs where their activities include dressmaking, cooking, tap dancing, art, little mothers, dramatics, woodworking, clay modelling, etc. The High School boys and girls carry on some of the same types of activities, but they also come to the House to learn the art of ball room dancing. On other evenings the women are very busy playing and working in their groups. In the home decorating class they find ways of improving the looks of their own homes. Dressmaking gives them opportunities to make attractive outfits for themselves and their children. A health class teaches good posture, relaxation. Lectures, movies and demonstrations give points for making strong bodies for themselves and their children. Dramatics relieve tensions and provide fun.

The Newton District Nursing Association provides a Health Conference for women to which they bring their babies for assistance in keeping the children well. A teacher from the All Newton Music School uses the library on two afternoons to teach piano to interested youngsters. The list of leaders for these many clubs and classes includes Miss Phyllis Schipani, Miss Frances Elizabeth Brooks, Mrs. Margaret Shipman Jamison, Mr. Michael Farina, Mrs. Edwin L. Prien, Miss Dorothy Brackett, Miss Marie Mazzuchelli, Mr. Nicholas Costa, Mrs. William Bacon, Miss Carmella Celucci, Miss June Chase, Miss McCarthy, Miss Carolyn Kenney, Miss Emma Ferris, Mrs. Frank G. Kennedy, Miss Phyllis Walsh, Miss Connie Fanning, Miss Marjorie Curtis, Mrs. Russell Macdonald, Mrs. Edmund Macdonald, Mrs. Norman J. Thompson, Miss Edith Jalonen, Mr. Grosvenor, Jr., Miss Virginia Kenway, Miss Mary Margaret McKee, Miss Catherine Richards, Mrs. Pauline Davidson and Miss Helen I. Sandstrom, Executive Worker.

The Pomroy House is a Member Agency of the Newton Community Chest, Inc., and is serving over 500 girls and boys and women of Newton.

Cooking School Attracts Large Attendance

Hundreds of Women Attend Fourth Annual Cooking School

The fourth annual Newton Graphic cooking school concluded last Friday afternoon at the Newtonville Woman's Clubhouse on Washington park after a three-day session and demonstration of the culinary arts by Miss Katherine Blasdale of the Home Economics department of the Boston Consolidated Gas Company. The cooking school during the four years it has been sponsored has grown in interest and attendance. The school just concluded attracted an attendance of more than 800 women. On Wednesday and Thursday there were but few vacant seats in the auditorium of the clubhouse and on Friday afternoon even the addition of extra seats was not sufficient and the rear of the hall was filled with women standing.

The cooking school came to a close with the award of the major prize of a Governor Winthrop desk from the Mayflower Wayside Furniture Company of West Newton and offered by the GRAPHIC. The prize was awarded to Miss Beatrice Poitras of 359 Otis st., West Newton. Miss Poitras was thrilled beyond expression at her fortune and informed the GRAPHIC that the prize was something which she had long desired and that she was contemplating marriage her good fortune was more enjoyable.

Many other prizes were awarded at the final session among them more than twenty articles valued at more than a hundred dollars offered by Newton merchants who co-operated in the cooking school. Follow-up each day's program 75 prizes were awarded consisting of the food cooked at each session, 24 large bags of groceries, 24 smaller bags of groceries and other food products as well as soups for all those who attended.

The numerous recipes demonstrated by Miss Blasdale and her many helpful cooking hints and suggestions found a ready and responsive interest among the many women present on the days the cooking school was in session, and subsequently, the GRAPHIC has received many comments of interest and of appreciation at the opportunity afforded Newton women to attend the school.

Young People Meet For Annual Conference

More than 500 young people gathered last Sunday in the Belmont Methodist Church for the 21st Annual Young People's Conference of the Young People's Inter-Church Council of the Norumbega District. In the afternoon, Donald Freeman, of Belmont, conducted the worship service at which Dr. Roy L. Minich, Dean of the Young People's Division of the Northfield Summer Conference, spoke on "I Dare You." Following this, these young people divided into discussion groups conducted by Rev. H. Mortimer Gesner of Needham, Rev. Otis R. Heath of Newton, Mr. George A. Kuyper of Newtonville, Rev. John Q. Parkhurst of Waltham, Rev. Harold Schlink of Newton Upper Falls and Mr. Sterling Williams of Belmont.

At the evening session, Dr. Herbert Gezork, former secretary of the Baptist Youth Movement in Germany and Professor at Andover Newton Theological School and Wellesley College, was the speaker. Rev. Dr. Joseph Imier, pastor of the host church, conducted a Communion Service.

The largest crowd in the history of the Council gathered to celebrate the 21st birthday at the banquet, which was presided over by Josephine Carney of Newton Centre, Secretary of the Council. Dwight Bradley, first president of the Council, was present and brought greetings, as did several other former presidents; messages were read from several others who were unable to attend. Mr. Herbert Mayer, founder of the Council and now president of Parsons College, in Iowa, also sent greetings. Mr. Henry Webster, President of the Norumbega Council of Religious Education, sponsored the agency for the Young People's Council, gave a short talk.

Haig J. Nargesian, President of the Council and General Chairman of the Conference, conducted a business meeting. David Brackett of West Newton presented the report of the nominating committee as follows: President Lindsey Wyman of West Newton; Vice President, Elaine Babcock of Wellesley; Secretary, Helen Cousins of Newton Centre; Chairman of Worship, Herbert Colcord of Auburndale; Chairman of Registration, Dorothy Brooks of Newton Centre; Chairman of Publicity, Martha McNeilly of Needham; Chairman of Promotion, Joseph Larsson of Waltham.

The banquet session concluded with an impressive candle-lighting ceremony in celebration of the birthday. A group of young people lighted candles on the large birthday cake to represent each of the former presidents of the Council.

SAVINGS BANK LIFE INSURANCE MAKES GAIN

During the fiscal year ending on October 31, 1941, the Savings Bank Life Insurance Department of the Newton Savings Bank issued 1,700 new policies representing \$1,480,400 insurance, it was announced by Mr. F. L. Buswell, Treasurer of the Bank. The Bank now has over \$6,000,000 insurance in force.

"Very few policyholders lapsed or surrendered their policies during the year," said Mr. Buswell. "This may, in part, be due to better wages, but is mainly due to the fact that thrifty people who buy insurance over the counter do so when they are ready and in amounts which they can afford to carry."

"We are glad that many entire families are taking advantage of low-cost Savings Bank Life Insurance," stated Mr. Buswell. "Although most of the money available for life insurance should be spent to insure the wage-earner, small policies on other members of the family are sometimes desirable. Our Savings Bank Life Insurance policies are available in amounts as low as \$250 on the lives of persons from age 6 months up."

There are now 30 Savings Banks in Massachusetts issuing Savings Bank Life Insurance policies, and 109 other banks acting as agencies for these underwriting banks where information may be had, application made and premiums paid. In Newton, every bank is an agency.

There is now over \$200,000,000 Savings Bank Life Insurance in force in Massachusetts, representing 232,000 policies. New York and Connecticut have recently established systems of over-the-counter insurance, thus the benefits of Savings Bank Life Insurance may now be had in three states.

During the year the Newton Savings Bank has issued a large group insurance policy on the employees of one of the local concerns.

BUICK BUILDS FOR DEFENSE

Our assignment: Building Pratt & Whitney engines for defense use.

THE needs of the defense program dictate, as in good sense they should, how many Buicks we can build for you in 1942.

The requirements of national security determine what materials can be used, and which ones must be conserved for our country's defense.

But—and this is spur and hope to men of ingenuity—there is no limit in any of that on how *well* we may build with the materials at our command.

So we invite you to look upon this car not as you would any ordinary new model, but as an unusual vehicle built to square with unusual times.

Check into the strength we have, forged and hammered and wrought into the frame, the chassis, the drive.

Look into the everlasting softness which creative discontent with "good

enough" has provided in soft, all-coil springs.

Dig into the engine, and see how resourceful engineering has stepped up the efficiency of valve-in-head design with Domire pistons and FIREBALL compression—how it also enables you to conserve fuel while actually getting more power through Buick's exclusive Compound Carburetion.

You may have little interest normally in things like connecting rods and main bearings and wheel rims.

But it is of utmost importance now that Buick knew how to strengthen rods for heavier duties without increasing weight—that Buick found a way to oil-finish crankshaft journals so as to double bearing life under equal loads—that every Buick wheel has a rim that not only provides a

steadier and smoother ride but actually insures top tire mileage.

Little of this special ruggedness shows in the suave outward look of this trim and steady-rolling Buick—the beauty you see there is merely the garnish on the solid substance beneath.

But examine such structural details and we believe you'll quickly discover one fact:

While there may be a shortage of cars and of materials from which to make them, there's no shortage in stamina in the cars Buick builds.

And what is more important in any car these days?

No other car has ALL THIS FOR YOU IN 'FORTY-TWO

FIREBALL STRAIGHT-EIGHT VALVE-IN-HEAD ENGINE
 COMPOUND CARBURETION (standard on most models)
 OIL-CUSHIONED CRANKSHAFT PINS AND JOURNALS
 STURDI-LITE CONNECTING RODS

Mob Spirit and Sportsmanship

Undesirable situations and unfortunate experiences always arise out of incidents where emotions go beyond control. We refer, of course, to the emotional outbursts of all or any of the participants in the free-for-all fracas which followed the Newton-Waltham football game last Saturday.

Such occurrences always give rise to many rumors, most of which are unfounded and many of which are obviously false when calm consideration is given to the facts. At such times there is always the feeling that perhaps "relations should be severed," if amiability cannot be continued. We are among many who believe that such a course is neither proper nor wise. We believe that the rivalry such as exists between the Newton and Waltham schools is a natural and a desirable thing when properly controlled. We believe that it can be controlled and it is only when a series of incidents such as occurred last Saturday follow one another that the explosion point is reached.

It is self-evident that when one team has a clear margin of superiority over the other that tenseness is missing and by the same token, the more closely matched the teams the more intense are the emotions of both players, coaches and spectators. Then is the time when it becomes most important for officials, engaged to assume responsibility for the conduct of the game under the rules, to tighten up the reins. Immediate imposition for minor infractions of playing rules which at other times can be governed with a word of caution, is one method. The appointment of a fourth official for games between close rivals is another safeguard. Still another, and a most important factor, in controlling the spectators, would be a provision for a method of preventing the gathering on the sidelines of keyed-up fans, such as occurred last Saturday. Incidentally on

such occasions as last Saturday it is the spectators who, for the most part, are to blame for much that occurred, such as the destruction of goal posts a hundred yards and more away from the gridiron where the game was played. The demolition of goal posts has become somewhat of a tradition as a means of "blowing off youthful steam," but when it becomes rampant it gives food for thought.

Unfortunately indeed it is that the restlessness and youthful mob spirit of the Newton-Waltham rivalry was transferred to the Thanksgiving Day rivalry between Newton and Brookline. The fact that the closing game of the season came a week earlier than usual was the outlet where ordinarily the tension would have disappeared within forty-eight hours. In most cases such incidents as have taken place in the past week in connection with school football are best handled by the policy of "the least said the soonest mended." School officials and responsible parents are capable of handling any of the unfortunate aftermaths of youth gone wild in a world which in itself seems topsy-turvy.

There is a great deal to be said on the other side of the picture—that from which the benefits accrue. And in closing we quote the following: "The banquet hall actually shook from the spontaneous tribute accorded Newton's Bill Healy, the 'W' men rising in a body to acclaim his magnificent gesture. Husky, handsome, and sporting an eye-bruise to show for his rugged afternoon of tackle play, Bill lauded the stirring comeback which meant victory at the finish." Even in defeat, even in the midst of tense emotional and youthful rivalry the game is more than worth the candle when it builds sportsmanship, such as the Newton captain represents. Not for himself alone, but for the school which he personifies.

Newton Women To Take Motor Mechanics Course

Newton women are urged to volunteer for the Red Cross Home Nursing Classes which will begin in January. Information regarding these courses may be obtained at the Newton Red Cross Chapter office at 11 Austin st., Newtonville, LASeII 2717.

Limit Parking on California St.

The recently adopted traffic restriction limiting parking on California st. to one hour became effective last Sunday when police were notified that proper signs had been erected. The regulation is effective between 7 a. m. and 6 p. m. between Allison and Faxon sts. and results from attempts to solve the traffic problem due to cars of employees of factories in the section parked nearby. Residents of the section had complained that the cars were parked so that driveways were frequently blocked for extended periods.

Nonantum Leads In Community Chest Plans

Nonantum is all-out for the 1942 Community Chest Campaign. Its residents are already completely organized to tackle the job of raising the village quota and helping Newton to go over the top.

According to a statement yesterday by Thomas E. Shirley, chairman of the Residential Division of the Newton Community Chest, Nonantum has completed its organization before any Newton district, and it is believed is in advance of any other Greater Boston district.

Mr. Shirley, in describing the unusual preparedness of this village, gave credit to its chairman, John Murphy, 72 Jasset st., who has set up his local campaign organization including majors, captains, and solicitors without a gap in the ranks. "The village organization is a model of efficiency," said Mr. Shirley, "and displays fine cooperation on the part of residents. The list of Campaign workers includes 116 names of volunteer workers, men and women who will solicit campaign pledges from their neighbors in order to keep up the campaign spirit and help those in need of the services of the agencies united in the Council and the Chest."

Mr. Murphy refused to take credit for his phenomenal success in village organization, accomplished within the past few weeks. He passes credit for the work on to his majors and captains, who went about the job of getting the people of the neighborhood interested by personal calls and by the use of the telephone. His daughter, Mary E. Murphy, secretary of the Nonantum group, did yeoman service in rounding up solicitors, and getting an outstanding group of an American community interested in this vital work.

The following majors and captains have been appointed: Chairman, John W. Murphy; Asst. Chairman, John A. Bibbo; Secre-

West Newton Surgical Dressing Workroom. Mrs. Daniel Needham, Chairman; Mrs. Albert McKenna, Vice-Chairman.

tary, Mary E. Murphy; Majors, Thomas J. Frazier, Mrs. Robert J. Hanlon; captains, Napoleon St. George, Mrs. Mary Lombardi, Miss Catherine Murphy, Mrs. Ada Wilson, Mrs. Elizabeth Jasset, Domenico Venditti, Miss Grace Paradiso, William Marchand, Mrs. Kathleen Grant, Charles I. Casey.

place room on the first floor will be completely refurnished and redecorated and will serve as a parlor and reading room. In the boys' department there will likewise be redecorating and considerable refurnishing.

The only change on the second floor will be a completely renovated kitchen. The many suppers served at the association building make it necessary that the kitchen equipment be completely modernized.

The thirty-six dormitory rooms on the third floor will be completely refurnished with new wall coverings, floor coverings, and new furniture. The dormitory wash room and showers will be modernized and the hallway relighted and redecorated.

The entire work will be under the general supervision of the Y. M. C. A. National Council Building Bureau which specializes in the modernization of Y. M. C. A. buildings and the construction of new Y. M. C. A.'s. The work is a result of a survey which has been carefully made during the past months by the Building Bureau of the National Council.

The basement and physical department of the association also need a great deal of renovation, but because the material is not available due to national defense, no attempt will be made at the present time to undertake this part of the project.

Funds for the renovation contemplated will be taken from the balance raised during the Fiftieth Anniversary Fund campaign of the Y. M. C. A. in 1928. At that time nearly \$100,000 was raised, part of which was expended on the new tennis court, shower baths, handball and squash courts, and miscellaneous improvements to the association's property. The income from the unexpended balance has been used for the association's current expense budget during the past thirteen years, but it is now believed by the board of directors that this money will yield a greater return if it is put into building improvement.

Work on the projects will begin with the renovation of the dormitory wash room and the kitchen about the first of December.

Chain of Quarters Aids China Relief Campaign

The "Chain of Quarters" circulated among stores, offices and manufacturing plants in Newton, for benefit of Newton's United China Relief Campaign, is meeting an enthusiastic and generous reception, according to an announcement today by Miss Mary Eastman, Chairman of the campaign's Industrial Division. At the same time, Miss Eastman explained that the method of presenting donations through the "Chain of Quarters," a testimonial scroll addressed to Madame and Generalissimo Chiang Kai-shek, is a unique feature of the China Relief Campaign, which had its origin in ancient Chinese practice. For centuries, Miss Eastman stated, the Chinese people have made contributions by signing a scroll, and color was lent to the China Relief Campaign in the United States through adoption of this feature by the National Committee, composed of Pearl S. Buck, William H. Chittick, Paul G. Hoffman, Thomas W. Lamont, Henry R. Lucas, John D. Rockefeller, 3d, Theodore Roosevelt, Jr., David O. Selznick, Robert Gordon Sproul, Charles F. Williams and Wendell L. Wilkie.

A similar Chinese feature is found in the "Jade Books" whose circulation in Newton is being handled by a city-wide committee under direction of Mrs. Henry O. Marcy, Jr., as General Chairman.

365 days a year. Some days the stores are closed and the churches are closed; some nights, as most of us some days have found out, the gasoline stations are closed; but all day, every day, some people must be on the job. Somebody has to see that medical attention and water, and electricity, and fire protection, and a dozen other "Indispensable" things are always on tap all day every day.

There is probably no one minute in the whole year when all of the forty-nine members of the various Newton organizations which comprise the Newton Community Council are engaged in some activity; but certainly there is no one minute when three or four of them are not busy, no one day-time minute when all the way from ten to thirty of them aren't on the job, and no month when all of them have not been active in some job that makes the community a better place to live in.

The Newton Community Council is an informal organization which gives a common meeting-ground to forty-nine valuable and widely diverse Newton organizations. Some of these are well-known to the citizens of Newton because they are also members of the Newton Community Chest.

tation of Christmas greens to be given by Mrs. L. E. Phaneuf at Mount Ida College, Dedham st., at 3 p. m. on Tuesday, November 25th. Of particular timeliness as the Christmas season approaches, Mrs. Phaneuf's practical method of demonstrating novel and inexpensive types of decoration is expected to attract a large attendance. Tea will be served. The affair is being conducted by the Oak Hill Special Events Committee, of which Mrs. George W. Van Gorder is chairman. Mrs. Fred B. Lund and Mrs. Robert M. P. Kennard are co-chairmen of the event at Mt. Ida College, and serving on their Committee are Mrs. Maurice B. Bissell, Mrs. Charles Collins, Mrs. Fred B. Lund, Jr., Miss Eliza Philbrick, Mrs. Wyman Richardson, Mrs. Horatio Rogers, Mrs. Preston Upham and Mrs. C. P. Waldinger.

At Waban, Mrs. Root's Committee has announced a "Desert Bridge" to take place at the home of Mrs. Herbert Cotton, 208 Collins rd., on Tuesday evening, Nov. 25th.

For Newton Center, Mrs. A. Leslie Harwood, Jr., and Miss Maria B. Lund, and Mrs. Robert M. P. Kennard are co-chairmen of the event at Mt. Plans for Coming Season

The fall meeting of the Newton Figure Skating Club was held on the evening of Nov. 17th in the Tyler Terrace Playground House, Newton Centre, with about 150 members and their guests in attendance.

Plans for the winter season were outlined, including possibilities of Group Instruction for junior members, Dance Groups, and a Carnival Team which would be available for invitations from other Figure Skating Clubs. A series of Sunday Exhibitions at Crystal Lake is also under consideration.

Mr. F. Ewing Wilson, Recreation Commissioner of the City of Newton, gave an interesting and timely talk about the efforts of the Recreation Department to provide suitable ice surfaces in Newton for skating. The rink reserved for Figure Skating at Crystal Lake is made possible through the co-operation of the Recreation Department.

Movies of Figure Skating provided by the United States Figure Skating Association were shown and Mr. Ed Scholdan, Head Professional of the Boston Arena, commented upon the important lessons to be learned from such pictures.

Mr. Roger Wheeler of Newtonville presented an entertaining variety of magic tricks for the amusement of the enthusiastic audience, young and old, to climax the program.

Applications for membership in the club may be made through any of the members and the following officers:

Others are rarely heard of, except by the group which helps them and the group that they help. Some are associated with the public services of our City; some are essentially social or business, or educational in nature. Yet there are common problems and questions, and some problems and questions that affect all the members; and the Newton Community Council has proved a valuable common-meeting ground.

So under the Council, this weekly column Your Community is launched. The Boy Scouts, The Girl Scouts, and Y. M. C. A., and other organizations which have news for a large number of people will use this column to disseminate it. When something particularly interesting turns up somewhere, we will tell you about it. If you have anything that would interest the people of Newton about your work with some one of the members of the Council, send it to the Council office and we'll try to make room for it.

The Council Office is not open 365 days a year; but the work is done from the Newton Community Council 365 days a year. And in the 52 weeks of the year we shall be back again, same station, same time, as somebody once said—with news for you of Your Community.

taken in his extensive travels in China. The slides were prepared for Mr. Woodward by several famous Japanese artists, and have been pronounced as among the most beautiful in existence. Mr. Woodward also exhibited his magnificent collection of buddhas and other treasures from the Orient.

The evening netted two hundred dollars for the Newton campaign for the suffering and homeless of China. Among those present were: Mrs. Grosvenor D. W. Marcy, Mrs. Edwin P. Crawe, Mr. and Mrs. Carl Stange, Mr. and Mrs. Horace Kidger, Mr. and Mrs. Arthur Strawn, Mr. and Mrs. Stuart Hawley, Prof. and Mrs. Robert Bruce, Mr. and Mrs. Philip Bruce, Mr. and Mrs. Frederic B. The musk rats in Middlesex County are said to be building early this season, and their nests are very high and plenty. This is an old fashioned sign of a hard winter.

The Boston University team will play the Newton High School team at Newtonville on Saturday at 11 a. m.

One of the finest houses in Newton has in the spacious hall of the first story a frieze nearly two feet in depth painted on canvas by Tommaso Juglaris. The design is full length figures represented to indicate the use of the various rooms. At the parlor is a leaf-taking; at the reception a greeting or introduction; at the drawing room the figures are dancing; at the library a little fellow well-laden with books; and waiters carrying to and fro fruit, etc., plainly show the way to the dining room. Over the door leading to the grounds, games are represented. The frieze has created much attention and admiration.

Two estates on Richardson st., which have changed hands this week, illustrate the inequality of assessment in Newton. They are directly opposite each other, and both sold for the same price. Yet one of them is assessed at \$4,000 and the other at \$7,600. The valuation of taxable property seems to be in need of a thorough revision.

The new tunnel at Auburndale is rather leaky in a rain, but it is a great convenience nevertheless.

The new barge lately purchased by F. B. Spear for the Upper Falls-Highlands route has side windows, which patrons think are a great improvement over the side curtains. The barge commenced running on Tuesday morning. We are pleased to see that it is well patronized.

It looks now that we shall be obliged to wait until the spring of 1887 for the new station at Eliot.

Mr. Charles H. Bakeman has further ornamented his store building (at Upper Falls) by placing upon the wall a very handsome sign. The public will govern themselves accordingly.

Owing to the repairs to the engine at the power station, the Newton street railway cars did not run Thursday morning.

The Newton street railway company have just added to its equipment a new closed car numbered 22. This car combines some novel features not ordinarily found in street cars, and the ideas furnished by Supt. F. G. L. Henderson. The length of the car body is the standard sixteen foot with platform of extra width, 60 x 44 inches. The aisle is also of extra width (46 inches). The interior finish is oak with cherry door panels.

School board refuses to accept resignation of Superintendent Jones whose letter asked to be relieved of his duties because "marked evidence of interference (from individual members and sub committees of the board) with my orders has recently arisen which my self-respect and reputation do not permit me to pass over indifferently." The board unanimously refused to accept the resignation and the matter has been kept as quiet as possible. The superintendent's resignation has caused quite a sensation and was especially a surprise for those members of the board who opposed the abolition of the district committee system.

The Newton Veteran Firemen have decided to purchase the "Button" engine of Waterville, Me., and have raised \$400 for that purpose. This engine has a firstclass reputation and the Newton men intend to preserve its reputation. On Thanksgiving morning at 9 o'clock the engine will be given a trial.

It is hoped that everyone will not eat so much dinner Thanksgiving that they cannot enjoy an oyster supper a week from that day in the hall (Newton Highlands). But if they cannot eat by that time, they will be able to buy some of their Christmas presents, for the supper is to be only a part of a fair to be held Dec. 3rd.

The silk dressers employed in Phipps & Train's mills went out on a strike at 9 o'clock Monday. About 30 men quit work on account, as they claim, of a reduction of 3 cents on the paid price for dressing silk. The men have been earning from \$12 to \$18 per week and claim that the reduction will decrease their earnings from \$2 to \$3 per week.

Lynn Haines, secretary of the National Voters League, gave a most interesting address on the subject "The Searchlight on Congress" at the second meeting of the Newton South Community Forum at Lincoln Hall, Newton Highlands.

Registration for the city election closed with a total registration of 5 men for a grand total of \$294 and 44 women making 676 women on the list.

Thanksgiving Day Service At First Church of Christ

A Thanksgiving Day service was held on Thursday morning, November 20, at 10:45 o'clock in the church edifice of First Church of Christ, Scientist, Newton, Mass. Following the opening hymn, "This is the day the Lord hath made: Be glad, give thanks, rejoice." No. 342 in the Christian Science Hymnal, Mr. Paul R. Carmack, the First Reader, read the Thanksgiving Proclamation by the president of the United States.

The Scriptural selection then followed, after which the congregation united in silent prayer followed by the Lord's Prayer with its spiritual interpretation from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

Hymn No. 280 "Praise My Soul the King of Heaven; To His Feet Thy Tribute Bring" was then sung by the congregation.

Then followed the Lesson-Sermon which had been especially prepared for the occasion. The subject was "Thanksgiving." The Golden Text was: "Offer Unto God thanksgiving; and pay thy vows unto the most High; and call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me" (Psalms 50:14, 15).

After the responsive reading, which consisted of passages taken from the Scriptures, Mrs. Mary D. McKee, the Second Reader, read the citations from the Bible while Mr. Carmack, the First Reader, read correlative passages from Science and Health.

Among the Scriptural verses was included: "Praise waiteth on thee, O God, in Zion; and unto thee shall the vow be performed. . . . Thou visitest the earth, and wastest it; thou greatly enrichest it with the river of God, which is full of water; thou prearest them corn, when thou hast so provided for it" (Psalms 65: 1, 9).

Among the citations from Science and Health was: "Are we really grateful for the good already received? Then we shall avoid ourselves of the blessings we have, and thus be fitted to receive more. Gratitude is much more than a verbal expression of thanks. Action expresses more gratitude than speech" (p. 3).

A solo, "Praise and Give Thanks" by Hazel Sorrel Adair was then sung by Mrs. Virginia Saddle after the Lesson-Sermon had been concluded.

Testimonies appropriate to the occasion were then given by Christian Scientists in the congregation. Expressions of gratitude for healings and benefits received during the past year filled the time given to this part of the service.

The closing hymn was No. 150, "In mercy, in goodness, how great is our King; our tribute Thanksgiving, with glad hearts we bring, and was followed by the Scientific Statement of Being from the Christian Science textbook, and the correlative passage from 1 John 3:13 read by the First Reader.

The service was concluded with the benediction: "Blessing and Glory, and wisdom, and thanksgiving, and honor, and power, and might, be unto our God for ever and ever. Amen." Revelation 7:12.

Similar services in observance of Thanksgiving Day are held by The Mother Church, The First Church of Christ, Scientist, branches throughout the United States.

Salvation Army Campaign Reports Progress Here

Ministers, leading business and professional men, as well as women leaders are included on the Newton sponsoring list that backs the 1941 effort to gather \$6000 to carry on the work for the friendless in Greater Boston and Newton. All these men and women have been friends of the Salvation Army for many years. They with State Representative Douglass B. Francis, chairman of the sponsors urge that donations be sent at once to the campaign treasurer, who is William M. Cahill of the Newton Trust Company. Mr. Cahill reports that \$2283 has been received by mail.

Lower Falls

—The Fall meeting of the Newton Lower Falls Improvement Association will take place on Monday evening, Nov. 24th, at 8 p. m. at the Hamilton School. Following a short business session, Lawrence B. Fletcher, Secretary of the Trustees of Public Reservations in Massachusetts, will give a lecture entitled "Preserving Beautiful and Historic Places from Cape Cod to the Berkshires" illustrated by 2,000 feet of colored motion-picture film showing Massachusetts' beauty spots in all of their natural colors. All Lower Falls residents are cordially invited.

Waltham Stages Comeback To Top Newton Eleven

Scores Twice in Second Half for 12-6 Victory in Game of Intense Rivalry

Overpowered by a second-half comeback in the 35th renewal of the annual grid-classic of the local football season, the Newton High eleven saw its first period 6 to 0 lead crumble before the inspired play of the visiting Waltham and the tensely fought game brought to a close with a 12 to 6 Watch City victory. In a game replete with tense and dramatic situations, with 7000 spectators almost constantly on edge, the emotions of players, and spectators burst beyond control as the final whistle sounded and Newton police in short order quelled an incipient battle. As it was for more than half an hour following game time hundreds of youths raced over the Dickinson stadium gridiron and the practice fields adjoining, demolishing four goal posts and generally creating disorder which slowly petered out as their enthusiasm and emotions subsided.

A few minutes after the opening kickoff, an exchange of punts, Waltham the ball deep in its own territory. A fumble by Mal Juliano gave Duncan Fitchet, Newton's centre, the opportunity to recover on the 30-yard stripe and set the stage for Newton's tally. Charlie French, Gordon Hanson and Alden Haffermehl, Newton's three rushers, ground out 15 yards in three rushes. Hobson tore through a big hole in centre and was downed two yards from pay dirt. He gained another yard on a line smash and French banged away to cross the last white line. All Savignano's usually accurate toe missed the point after by placement.

Throughout the rest of the half the teams battled to no avail with Waltham staging an impressive second period attack which threatened to break loose with a long scoring run.

Following the intermission Waltham came out inspired and backed by Ray McNeil, who kicked a 35-yard field goal. On the second play he staged the most brilliant run of the day getting away for 35 yards with a pretty exhibition of broken field running. All smeared by four Newton linemen McNeil broke away into the line where Bill Kalauskian brought him down from behind with a smashing tackle. Butler and Juliano ground out a first down on the Newton 9 yd. line.

Newton High Football Night

The coaches, football team and cheerleaders of the Newton High School, will be guests of the management of the West Newton Theatre, Friday evening, November 21. Features shown that evening will be "Ringside Maids" and "Sun Valley Serenade."

and then the Waltham attack seemed to stall. Dropping back to pass and finding his receivers covered McNeil brought home Waltham's hopes by scampering around the end, slowing up to permit a block by Butler to clear his way to the goal. Butler missed the point and the game was tied at 6-6.

Throughout the remainder of the period and well into the fourth session the teams battled for the fourth with neither having much of an advantage although the Watch City visitors were in possession of the ball a greater part of the time while Newton battled valiantly with their backs against the wall.

Charlie French, Waltham ace, started Waltham off on another inspired march with a 20-yd. run-back of a Charley French kick to bring the ball to midfield. Another McNeil romp of 13 yards on a fake pass put Waltham near the 30 and Butler raced to the 15. Time was growing short and a 15-yd. toss to Peck pass cleared a 5 yard penalty against Brookline made another first down but here the attack stalled again and Brookline took the ball on downs. Noonan made it first down at midfield but a 15-yd. penalty and then a smashing tackle by two Newton linemen carried the Wealthy Towners back to their 20-yard stripe as the half ended.

Early in the second Newton received a punt at its 35 and French kicked to the Brookline 30. Keith got away on a 45 yard run with Peck overtaking him at the Newton 20. Two plays later Peck tossed Noonan for a 10-yard loss and Newton took the ball on downs on the 30. 6 Rezzutti to Peck pass ate up 40 yards and after French had been caught for an 8-yard loss, a Brookline penalty for offside, and a 15-yard Rezzutti to Peck pass brought a first down on the Brookline 20 again. But Rezzutti was threatening to cross the goal line when a 20-yard loss and French's long kick, 50 yards in the air, carried beyond the end zone, Brookline putting the ball in play on their 20. A few plays later Keith was nailed for an 8 yard loss and the ensuing punt went to Rezzutti on the Newton 40.

French kicked outside at midfield to open the final session and the Wealthy Towners picked up a first down before "Pepper" Martin recovered a fumble to give Newton the ball. Norcross picked up 9 yards and French 6 for a first down. Three plays later Newton picked up another first down on Brookline's 20. Rezzutti but Brookline's Mahoney stopped the advance with an interception of a Rezzutti pass which he ran back to midfield. A Brookline punt carried over the goal and Newton put the ball in play from the 20-yard stripe. Rezzutti drove for 12 yards and then Malley to Peck pass brought the ball to midfield. A Brookline offside brought five yards and then Malley skirted the end for his touchdown run. Savignano went in to kick the point. Healey's short kickoff went outside at the Brookline 40 and seven plays later the game ended with two Newton linemen nailing a Brookline back for a 20 yard loss to the 25 yard line.

serve, put Newton back into the ball game. Aided by plenty of interference the Newton speedster swept around right end and dodged his way for the clear for a 45-yard touchdown run. Al Savignano kicked the point. A half-dozen plays later the game ended with Brookline having been set back to their 25-yard line by a major penalty and Newton attacking the end zone for the first time in the game. He was graduated from Newton High in 1937 and attended Wilbraham Academy. As a freshman he captained his class eleven. He will share varsity honors next year with William J. Benoit of New London, Conn., who plays beside him as right guard.

Newton Injuries

The starting Newton backfield comprised Charley French, George Norcross, George Salmon and Alden Haffermehl. French was nursing a sore shoulder and Haffermehl favoring a bad knee. Norcross had his right leg hurt. Hobson's place, the latter with water on the knee from the Waltham game, not even permitted to dress for play. Guy Munroe, the fourth starting regular at the beginning of the season, had a knee injury. He was replaced by Bill Kalauskian, who had replaced him while his leg injury healed. Munroe relieved Haffermehl in the Waltham game some of the time but was still benched for the last few minutes of the game.

In the Bill Kalauskian giant tackle took the field but after two plays was replaced by John Tully. The Newton ace lineman had been fighting off the grips and high temperature for two days. Late in the game he took the field for more plays and opened up a hole for French to make a first down when needed but throughout the rest of the game Tully carried on. Dick Boulter, regular guard, was another Newton cripple not participating having water on the knee from the Waltham game. McCarthy and John Lander were the starting guards. Duncan Fitchet played most of the game at centre where he has filled in admirably since Dick Lowry, outstanding star, was forced to give up the game several weeks ago. Captain Bill Healy, Newton's other regular tackle, started and played most of the game as one of the few Newton regulars.

The reserves fought valiantly and showed flashes of offensive play that made them constant threats. Outstanding were Rezzutti's running and passing, Peck's pass catching and tackling at end, "Pepper" Martin's and Bill Malley's running in the final quarter.

First Period

Newton kicked off and after two exchanges of punts Brookline obtained possession of the ball at

their 40-yard stripe. Keith got away for 16 yards, until stopped by French and Sooy ground out another first down to the Newton 30. A 25-yard pass from Keith to Young was completed but Brookline was holding and the resultant penalty set them back to the 47 and forced a punt. Newton failed to get going and two plays later a fumble gave Brookline its first opportunity from the Newton 20-yard line, with Sooy making it first down on the 9 yard line two plays later.

Second Period

Sooy's score came three plays later and put Brookline out front by 7 points. Norcross ran the ball back to the Newton 30. Two plays later he got away for 12 yards from kick formation. Norcross to Haffermehl pass missed by a fingertip but a Norcross to Tempesta pass over the line ate up another 15 yards. The attack stalled and Norcross kicked the Brookline 20, from which the victors started their game-clinching touchdown march already described. Receiving the ball on the kickoff Rezzutti electrified Newton fans a few plays later with a 15 yard run to the Brookline 45. He was tackled just as he was about to break into the clear. A Rezzutti to Peck pass clicked and a 5 yard penalty against Brookline made another first down but here the attack stalled again and Brookline took the ball on downs. Noonan made it first down at midfield but a 15-yd. penalty and then a smashing tackle by two Newton linemen carried the Wealthy Towners back to their 20-yard stripe as the half ended.

Third Period

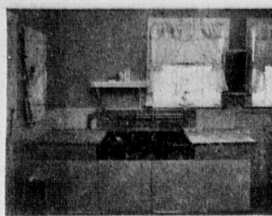

Early in the second Newton received a punt at its 35 and French kicked to the Brookline 30. Keith got away on a 45 yard run with Peck overtaking him at the Newton 20. Two plays later Peck tossed Noonan for a 10-yard loss and Newton took the ball on downs on the 30. 6 Rezzutti to Peck pass ate up 40 yards and after French had been caught for an 8-yard loss, a Brookline penalty for offside, and a 15-yard Rezzutti to Peck pass brought a first down on the Brookline 20 again. But Rezzutti was threatening to cross the goal line when a 20-yard loss and French's long kick, 50 yards in the air, carried beyond the end zone, Brookline putting the ball in play on their 20. A few plays later Keith was nailed for an 8 yard loss and the ensuing punt went to Rezzutti on the Newton 40.

Fourth Period

French kicked outside at midfield to open the final session and the Wealthy Towners picked up a first down before "Pepper" Martin recovered a fumble to give Newton the ball. Norcross picked up 9 yards and French 6 for a first down. Three plays later Newton picked up another first down on Brookline's 20. Rezzutti but Brookline's Mahoney stopped the advance with an interception of a Rezzutti pass which he ran back to midfield. A Brookline punt carried over the goal and Newton put the ball in play from the 20-yard stripe. Rezzutti drove for 12 yards and then Malley to Peck pass brought the ball to midfield. A Brookline offside brought five yards and then Malley skirted the end for his touchdown run. Savignano went in to kick the point. Healey's short kickoff went outside at the Brookline 40 and seven plays later the game ended with two Newton linemen nailing a Brookline back for a 20 yard loss to the 25 yard line.

THE MODERN SINK IS "BUILT-TO-SIZE"

GONE is the old slate sink with the hard-to-clean corners, the wooden drainboards, the exposed plumbing, and the inconvenient, unsightly home-made cabinets.

In its place is a modern sink unit. The top is factory-built to fit exactly the space available. It has a lineoleum surface, raised stainless steel edges, a stainless steel bowl and a modern deck-type faucet with hose spray.

Under the top are Kitchen Maid cabinets finished in eggshell with pinstripping. Plenty of drawer space—plenty of cupboard space—and good to look at.

If you need a new sink, let us design one to meet the exact requirements of your home, as to size, color, type sink bowl, etc. No obligation, of course.

ZONTA CLUB

The Newton Zonta Club met Wednesday evening, November 5th, at Ruane's Florist Shop. A bridge party was arranged to augment the Revolving Fund for Newton Scholarships.

Recognizing the 22nd birthday of Zonta International, Newton Zontians accepted the hospitality of the Arlington Club at an Inter-City meeting, held at the Winchester Country Club Thursday evening, November 13th.

November 17th a program was arranged at the home of Carrie Rurelmeyer at 836 Chestnut st., Waban. Mr. Condon presented on the screen an "Esso Expedition"

from Paris and from there to India. Mr. and Mrs. Lawrence Thaw trekked by motor 20,000 miles with seven vans.

The hostess of the evening was Alice May Doxey, Mrs. Jessie Hilliard and Mrs. Mildred Roys poured.

LEAGUE OF WOMEN VOTERS

The Newton League of Women Voters, following a plan laid down by the National League, is presenting a series of seven study groups on problems immediately related to defense. They are held on Friday mornings at 10 o'clock. The subject for Nov. 28th will be "Texas, 1942 and After." It will be in the form of a quiz conducted by the State Chairman of the Department of Government in Operation, Mrs. Arthur M. Whittemore. It will be held at the home of Mrs. Malcolm Green, 18 Woodward st., Waban. Guests are welcome.

Nash Continues Installment Buying Policy

The time-honored custom of acquiring a new automobile by easy stages continues in force, despite a general public misconception of new installment-buying regulations, according to August Osterlund, prominent Newton automobile dealer.

Mr. Osterlund, of the automobile firm at 724 Beacon st., Newton Centre, which bears his name, said that the policy of local dealers still permits motorists to buy new cars with a down payment of one-third and subsequent payments extending over 18 months. Many motorists mistakenly believe this is no longer possible, he said.

He said that dealers here have not changed their policy of allowing full value for used cars and applying them against the down payment.

"Actually, we are selling our new cars on just about the same basis as we always have," Mr. Osterlund declared. "Naturally, in line with efforts of the Government and business to keep installment buying on a sensible level, we have eliminated excessive extension of time payments and usually small down payments. In general, however, the motorist will buy his new 1942 car on the same generous terms as he has always bought his cars."

Motorists here, and throughout the country, he said, misunderstand the new regulations, which actually were established to curb unsound buying and do not greatly affect the old-fashioned methods of automobile merchandising at retail.

Women's Club Activities

Coming Events

Mass. State Federation

The Twelfth District Conference of the Massachusetts State Federation of Women's Clubs will be held on Tuesday, Nov. 25, in the Auburndale Congregational Church, Auburndale. Mrs. James Dunlop will be the director and the Hostess Clubs will be the Auburndale Woman's Club and the Auburndale Review Club. The morning session will begin at 10:30. Rev. Ralph Rogers, pastor of the Auburndale Congregational Church will give the invocation. There will be Round Tables at 12 noon and a luncheon at 12:30. The afternoon session will begin at 2 o'clock.

The Newton Federation of Women's Clubs

Mrs. H. Clayton Pearson, president of the Newton Federation of Women's Clubs will meet with her Executive Board on Monday morning, November 24, at ten o'clock, in the Assembly Room of the Newtonville Library.

There will be reports by the chairmen of the Standing Committees and also from the Associate organizations connected with the Federation.

As this is the last meeting of the year, the December one being omitted, it is important that each delegate attend.

Newtonville Junior Woman's Club

A "between holiday" Rummage Sale will be held on Saturday, November 22nd at 9:30 at 293 Centre st., Newton Centre, by the Newtonville Junior Woman's Club. The colorful bazaar will last through the day. Mrs. Betty Eaton, chairman of the Philanthropic Committee will be in charge, assisted by the Misses Betty Medbury, Mary Lou Duff, Grace Rangnow, and Jeannette Stevenson.

Newton Highlands Woman's Club

To aid the War Relief fund of the Woman's Club of Newton Highlands, the War Relief Committee, Mrs. Allston T. Budgell, chairman, and the International Relations Committee, Mrs. Earl G. Manning, chairman, are presenting Basil Mathews, M.A., of Oxford and London, on Wednesday, November 26th, at 8 p. m. in the Parish House of the Congregational Church. Mrs. Alexander I. Peckham, president of the Club, will introduce Mr. Mathews who will speak on the subject "This Changing World."

Among the distinguished persons throughout Newton who are interested in the lecture and the cause are Mayor and Mrs. Paul M. Goddard.

Social Science Club of Newton

The annual tea of the Social Science Club will be held at the home of Mrs. D. A. R. on Wednesday, November 26th, from 3:30 to 5:30 p. m. The reception committee will consist of Mrs. Dennison, Mrs. Lewis O. Hastman and Mrs. Fred Sayford Bacon.

This gathering of the members is always anticipated with pleasure, and only absence or sickness keep the unlucky ones from Mrs. Dennison's door.

The campaign for China Relief interested the Club members during the past week, and a goodly sum was given to Mrs. Henry O. Marcy, Jr., for the work.

Newton Centre Woman's Club

The comic mystery play "The Night of January 16th" will be presented by the Newton Centre Woman's Club, Tuesday and Wednesday evenings, December 9, and 10, at 8:15 o'clock at the Club House.

This well known play was produced in New York in 1935 by A. H. Woods and had a most successful run. It reconstructs the grim, thrilling, and sometimes amusing, murder trial of a beautiful girl. Interest is added by the drawing of the jury from the audience.

Verna Dynes of the Village Players is coaching the production. The committee in charge is Mrs. Donald E. Welch, production manager; Mrs. Clark W. Drummond, treasurer; Mrs. Harold M. Catlin, program; Miss Joan Fletcher, properties; Mrs. James Mitchell, make-up; Mrs. Robert Cochrane, stage-sets; Mrs. Vincent Volland, prompter; Mrs. Victor H. Vaughan, tickets; and Mrs. Roger M. Bury and Mrs. Alexander T. Skakle, publicity.

The cast is: Karen Andre, Mrs. Willard Richards; District Attorney, Mr. Ellis Dierdorf; Lawyer for Defense, Mr. Paul J. Leahy; Prison Matron, Mrs. Harry M. Sutton; Judge Leath, Mr. Ernest Braithwaite; Secretaries, Miss Joan Mitchell and Miss Joan Fletcher; Clerk of Court, Mr. John Rourke; Dr. Kirkland, Mr. Fred Rust; Mrs. John Hutchins, Mrs. Harold Keller; Homer Van Fleet, Mr. James Stuart; Elmer Sweeney, Mr. Harry Swain; Nancy Lee Faulkner, Miss Barbara Mitchell; Magda Svenson, Mrs. George H. Waterman; Jane Chandler, Mrs. Roger M. Bury; Sigurd Jungquist, Mr. Robert Reed; Roberta Van Rensselaer, Mrs. Charles J. Cronos.

The Junior Woman's Club, under the direction of Mrs. Walter T. Bryant, will have candy and punch for sale at both performances, and also will head the group of ushers.

Dr. Gerald will be speaker for Guest Night at the Newton Centre Woman's Club on Monday evening, November 24, at 8 o'clock. Dr. Gerald's subject will be "Psychology in Action."

Recent Events

Newton Upper Falls Woman's Club

On Monday evening at 7:30 p. m. in the Emerson School, Mrs. Harold T. Sprague, president, presided over the business meeting. Mrs. Donald Finchbaugh, chairman, then presented a representative of Adams & Swett, in the talk "Facts and Fashions in Decorating." Many helpful suggestions for decorating a home were given. The Art corner, Mrs. Frank G. Morde, chairman, showed an interesting Puritan exhibit. Mrs. Martin Manning was hostess for the social hour.

The Auburndale Review Club

Mrs. W. A. VanAtten of 29 Studio rd. was hostess for the meeting of the Auburndale Review Club on Tuesday morning, the president, Mrs. James G. Patterson presiding. Two reports from committee chairmen were made during the business meeting. Mrs. John Helbeck for Art, called attention to the many exhibitions open to the public during the coming weeks, particularly stressing the one at the Children's Art Centre, four public lectures at the Fogg Museum, and one at the Art Museum for December.

Mrs. Edmund I. Wilson made the report, that for Community Service, and showed a sample bag to be sent to the disabled war veterans.

Mrs. Austin Fisher gave a notice of the coming Twelfth District Conference at which the Review Club will share honors with the Woman's Club as hostesses. The department of Industry will furnish a speaker for the morning session and that of Literature for the afternoon one. A full program will be given by the State Federation press.

Coming to lack of time at the previous meeting of the club, two reports were omitted and were given at this time. Mrs. Susan Tuttle reported briefly the last meeting of the State Federation at Northampton and Mrs. Van Atten told of an international conference held at the Russell Sage Foundation at Troy.

Mrs. Grace Fiske was day chairman and opened the program with a paper on "French and English Explorers" and recalled the early discoveries of the Cabot and Champlain.

Mrs. Arthur Furish continued the topic under the title "Rise and Fall of New France" and explained how the slowness of France to give material support to the enterprises, were the reasons for the supremacy of England.

Mrs. Eldin Lynn had the final subject "Timely Topics" and told first of the economic conditions at present in Canada as related to South America, and closed with some personal incidents connected with her trip to South America the past summer during which she met with many illustrations of the better feeling prevalent between the two Americas.

JUNIOR D. A. R.

The November meeting of the Junior Group of Old Blake House Chapter D. A. R. was held at the home of Mrs. W. Scott Allan in West Newton. Mrs. Miles N. Clair of Newton was co-hostess for the meeting. The chairman, Miss Marion Van Schagen, led the group in the customary patriotic exercises. Outstanding among the business discussed was the donation of money and material the group plans to give to those now detained at Ellis Island. The speaker of the evening, Mrs. Cornelius Van Schagen, gave a most interesting description of old homes in and around Boston.

NEWTONVILLE RACQUET CLUB

The Fall bridge of the Newtonville Racquet Club was held on the evening of Friday, November 14th, at the home of Mr. and Mrs. J. Carleton MacCullough, 79 Fair Oaks ave., Newtonville. The tennis motif predominated throughout, including miniature tennis racquets as score cards. A large red, white and blue Victory racket was raffled off to the winners, Mrs. Stanley G. Kindred of 75 Wyoming rd., Newtonville.

The committee in charge of the bridge consisted of Mrs. Melvin R. McGee, Mrs. W. C. Auryansen, Mrs. Henry F. Argents, Mrs. F. C. Alexander and Mrs. Orville S. Parker.

Newtonville Girl Injured In Fall

Helen Arata, 12 years old, of 43 Austin st., Newtonville, was injured in a fall on Hull st., outside of the Dickinson Stadium, while running on the street during the Newton-Waltham game on Saturday. She received injuries to a leg and arm and was removed to the Newton Hospital for treatment by Sergeant Thomas Burke.

Girl Scouts Plan Evening Entertainment

Miss Janet E. Tobitt of Sussex, England and New York City, author and well known authority on music, folk games and folk dances, will be in Newtonville on November 24, 1941, to give an evening of folk dancing and singing to all adults interested in Girl Scouting. The meeting will be held at the Frank A. Day Junior High School on Monday evening at 7:30.

Miss Janet E. Tobitt

Miss Tobitt, who is a member of the Girl Guide Association in her native land, has been closely identified with the Girl Scout organization in this country, where she has been music and folk dance instructor in national training camps.

Miss Tobitt has collected her material by traveling in the picturesque villages of France, Belgium, England, Scotland and Wales. Since she came to this country, she has added to her collection many American folk songs and dances, including sea chanteys from New England, Negro spirituals from the South and some of our folk music from the mountains of the United States.

Miss Tobitt, who came to the United States for six months, and stayed six years, has published several books of songs, notes for song leaders and dramatized ballads. Some of her books have been published by Girl Scouts, Inc., and all of her songs, games and dances are well known wherever Girl Scouts get together.

Troop 7 Candlelight Ceremony

On Tuesday evening, Nov. 4th, the new members of Troop 7, Newton Upper Falls Girl Scouts held a Tenderfoot Investiture Candlelight Ceremony. Mothers and friends of the new members were the guests of the evening. They were received by the hostesses, Dorothy Prendergast, Shirley Fero, and Jennie Tocci of the Homemaking Group, who are working for their Second Class Requirements. The program opened with Girl Scout and other songs led by Alyce Mahoney.

An impressive ceremony followed. The Captain, Miss Ruth Batey, held a large lighted white candle from which the new Scouts to be invested lighted smaller candles. Olympia Panella, Norma

Hazen, Dorothy Kerivan, Eileen Mahoney, Margaret Prendergast, Joan Wallace, Eleanor Schofield, Doris Langdon, Virginia Horrikan and Josephine Szylkonia explained the Girl Scout Laws while lighting their candles. Shirley Fero assisted Captain Batey. After the rest of the Troop, standing in Color Guard formation, had repeated the Girl Scout Promise, nine girls were invested as Tenderfoot members by the captain. Dorothy Prendergast, Anna Garafalo, and Yolanda Daniele were given their Second Class Badges.

A poem entitled "A True Girl Scout" was read by Dorothy Prendergast. Games were led by Beverly Boardman and Anna Garafalo. Refreshments were served by the hostesses. It is interesting to know that eight of these new members are sisters of Girl Scouts in Troops 7 and 17 of the community. Captain Batey is assisted in her Scout Troop by Misses Virginia Schofield, Loretta Bellefleur and Alice Temperley.

Smith To Speak At Forum

Challenger of Political Machine To Tell of "Sportsmanship"

On Sunday afternoon, Nov. 30, (T. for Tom) V. Smith, Congressman-at-Large from Illinois, and professor of philosophy at the University of Chicago, the country's outstanding example of the professor in politics, will speak at the Newton Forum on "The Higher Sportsmanship in Politics." A fearless independent Democrat, author of "The Democratic Way of Life" and the Legislative Way of Life, challenger of the Kelly-Nash machine in Chicago, Tom Smith has distinguished himself both in his mastery of the techniques of politics and in statesmanship without succumbing to political chicanery.

"A politician," says Smith, "is a man who can compromise an issue without compromising himself, and who can give an issue clean away without giving himself away."

And a philosopher is a man who deals in subjects two sizes too large for him."

Smith's wit has always characterized his political speeches and was responsible for the demise of Senator Robert Taft of Ohio as a presidential candidate in 1940 when the two toured the midwest in a series of debates sponsored by the Republican and Democratic national committees. These debates have been compared to the Lincoln-Douglas debates nearly a century ago.

A native of Blanket, Texas, a fact of which Smith has made considerable political capital, T. V. Smith has brought to his speech-making a fine flair for fearless and plain talk. Of Roosevelt he says, "The trouble with Franklin D. Roosevelt is that he has too many convictions and believes them too intensely. He is Woodrow Wilson unfranked and Theodore Roosevelt without the lunatic fringe."

His 1938 campaign brought out such slogans as:

- "Smith's for Prosperity."
- "Smith's Against Depressions."
- "Smith's for More and Better Ex-Presidents."
- "Smith's for Less and Better Legislation."
- "Smith's for More Women in Public Life."
- "Smith's for Principle Above Patronage."

To prove that these slogans were not mere stump-thumping, Smith

Coach McDowell Resigns To Accept New Haven Position; Knapman Named Football Coach; Huston to Return

Changes Contemplated Since Early Fall Effective on Monday

The resignation of Owen McDowell, varsity football coach at Newton High school, the appointment of Victor Knapman, his three-year assistant line coach, as his successor, and the selection of Warren Huston, former Newton high star athlete, to fill the vacancy in the school faculty, were the surprising announcements that greeted Newton and high school students early this week. It also became known that the changes, effective Dec. 1st, have been contemplated since early in September when McDowell tendered his resignation to enable him to accept a professorship at New Haven State Teachers' College.

Word of the changes had been concealed as an aid to the morale of the football squad. Coach McDowell, the Columbia end who threw the block that enabled a teammate to score the touchdown which beat Stanford in the Rose Bowl game of 1934, came to Newton in September 1939 and completed three seasons as football coach. His appointment at that time as an instructor in the department of physical education was also marked by other changes in the Newton system which resulted in an upswing of interest. The football team which recently concluded its season, starting out as a potential contender for the state championship but experiencing a succession of injuries, remains as the best of the three McDowell teams, ending the season with four victories, one tie and four defeats. Through the three years definite progress has been made.

In September McDowell was offered the New Haven Teachers' professorship with the request that he start the school year there but Newton officials asked that he remain until December 1st, so that the school would not be stranded without a coach at the last minute. At New Haven he will be Assistant Professor of Health and Physical Education. He will also have guidance and registrar work. Since coming to Newton he has taken graduate courses and has but a few hours more study to complete his work toward a degree of Doctor of Physical Education and the appointment is regarded as a professional advancement which is most desirable. At the meeting of the school committee on Monday evening his resignation was accepted with expressions of regret.

Residents Of New St. Disagree

Some Want Builder To Construct Street As Promised

A disagreement among owners of property on Buswell Park, Newton, as to the construction and acceptance of the street under the betterment laws was indicated on Monday night at a public hearing before the Board of Aldermen on the matter. Several of the petitioners urged that the project be authorized by the city under the assessments of betterments while others contended that the contractor who had built their homes be given an opportunity to make good his promise to build the street at his own expense.

Ellis Sutcliffe of 23 Buswell Park told the Aldermen that he had an agreement with the builder calling for the construction of the street by the latter. He urged that action on the proposal be deferred by the board "to give the builder more time to finish the street."

Thomas F. Murray of 584 Centre st., whose property abuts the new street, opposed the construction of the street and also of the drain and sewer. "We have been assessed for a sewer we did not need. Now we are to be assessed for a street we do not need. The contractor wishes to complete the street. He should be forced to finish it as he said he would."

Florence L. Heard, owner of the property at 35 Buswell Park, urged that the city complete the project, asserting that the builder failed to keep his promise. She described the condition of the street as a "morass" through which we have to wade. "She quoted the builder as saying, 'Don't worry, everything will be all right.'"

Robert C. Dickey, who also urged that the city do the work, stated that he had found it necessary.

Deserving Boy And Girl Contest

In conjunction with the West Newton Theatre, the Newton Graphic is sponsoring a contest for boys and girls that help their mothers, school, or community most during the week.

Starting with Thursday, November 27 and continuing for five weeks the West Newton Theatre will give ten passes each week to the winners. A grand prize of a deluxe bicycle will be given the last week of December to the most deserving boy or girl entered in this contest.

Here are the rules. Have parents or a friend write a short letter to MOST DESERVING BOY OR GIRL CONTEST EDITOR of the Newton Graphic describing what the boy or girl did during the week to help his mother, school, or community. State his or her name and address and age. All letters are to be property of the Contest Editor. A committee appointed by the Graphic and West Newton Theatre will judge the letters each week for winners and they will also pick the most deserving boy or girl as the winner of the bicycle. Winners will be announced each week in the Graphic.

For any further details consult the West Newton Theatre or the Newton Graphic.

Aid To Aged Reaches New Peak Here

Aldermen Appropriate \$15,500 and Make New Positions

The appropriation of the sum of \$15,500 and the creation of two new positions in the Newton Public Welfare department by the Board of Aldermen on Monday night brings the expenditures for old age assistance and aid to dependent children to a new high peak in this city. The appropriation was divided into the sum of \$8500 for old age assistance and \$7000 for aid to dependent children. The positions created were those of an investigator at a salary of \$30 per week and that of an intake clerk at \$18 per week.

Alderman Carl F. Schipper, chairman of the finance committee, explained that the salaries of the two positions would be paid from grants of the federal government. The additional appropriations were necessary because the number of cases has reached "an all-time high and the end is not in sight." The sum of \$8500 for old age assistance brings the 1941 total to \$148,500 and the \$7000 for aid to dependent children brings that total to \$88,000. He told the board that the city pays about one-sixth of the cost of old age assistance with the state and federal governments bearing the rest. The increase is largely due to the fact that "rates are increasing and it is being made easier to get old age assistance."

He added that the reduction of the case load in general welfare, which has been steadily decreasing, will result in a total annual expenditure this year by the welfare department for all kinds of aid considerably less than for some years past.

Other appropriations made by the Aldermen are: Street dept., garage expense, \$5000; maintenance of property.

Plan Air Raid Exercises on Dec. 7

To demonstrate the effectiveness and to learn any weaknesses in the Air Raid defenses of Newton, an Air Raid exercise will take place in each village Sunday, December, between 1:30 P.M. and 8 P.M.

It is believed that these will be the most comprehensive and complicated exercises that have been held in any American city.

Approximately 1200 Air Raid Precaution wardens will take part in the exercises, details of which are being worked out and will be announced next week.

Church Workers Dinner

700 Canvassers Start United Campaign for 28 Churches

Capping its seven weeks of intensive preparation with a general dinner of huge proportions tonight at the Newton Women's Club House in Newton Center, over 700 of the 900 canvassers, committeemen, and clergy assembled, following the dinner, in the First Baptist Church in Newton Center to listen to the keynote address by Stuart C. Rand noted church and civic leader.

In summarizing his inspiring address, Mr. Rand expressed his belief that the churches are taking a strong forward step in co-ordinating their campaigns in this United Every Member Canvass. He said one of the chief values lay in working together in a worthwhile common cause; and that it would result not only in raising more money but in having lots of fun doing it.

Mr. James B. Melcher, General Chairman of the Every Member Canvass, urged every worker to prove the value of the United effort by being confident and unafraid to ask people to give more than ever; to regard it not as a casual duty or a small extra, but as a great privilege, one to precede all others. He reminded

More Than 1700 Registered Since Last Spring

The adoption of a compulsory system of bicycle registration in Newton has been proposed by the Newton Public Safety Committee to replace the voluntary system which was inaugurated last spring. Steps were taken seeking this end at a meeting of the directors of the council on Tuesday night.

A legislative act was passed by the State Legislature authorizing cities and towns to put into effect a compulsory registration system. As the first step in the proposal the council has sent a copy of this act to each member of the Board of Aldermen.

Under the provisions of the act when adopted by a city or town all bicycles must be registered at the police department at a cost to the owner not exceeding twenty-five cents. A registration plate is provided and may be retained without further charge as long as ownership of the bicycle is retained. Rental agencies come under the law as well as individual owners.

Riders of bicycles must conform to traffic rules and regulations "so far as they are obviously and reasonably applicable." No extra passengers can be carried upon a moving vehicle. A fine of \$1 may be imposed for violation of the act and suspension of the license in case of an adult; by impounding of the bicycle for a period not exceeding 15 days if the offender is a child.

Last spring the voluntary method of registration of bicycles was adopted in Newton and more than 1700 vehicles are listed with the police department. Those who have registered would not be compelled to pay the additional fee under the compulsory system.

Mayor Paul M. Goddard is honorary president of the council. The members of the executive committee are Raymond A. Green, Mrs. Edgar P. Hay, and Charles S. Warren, vice-presidents; Rupert C. Thompson, secretary and treasurer; Arnold C. Barker, Truman H. Brackett, J. Robert Clair, Richard J. Dunn, Ben T. Fawcett, Maxwell P. Gaddis, John D. Haughey, Michael T. Hughes, Joseph B. Memorial Walk At Fessenden School

Marked by a beautiful bronze plaque which in the very Spartan simplicity of its inscription and design reflects the life and character of the man to whose memory it is dedicated, it leads from the Fessenden School in West Newton, Mass., given by the Class of 1941 in memory of the late Channing Craig, a native of Franklin and for years a master and teacher at Fessenden, has recently been completed. It leads from the door of Evans Room, winding gracefully under the trees, to the door of Sanderson Hall where for many years Mr. Craig had lived and profoundly influenced the hearts and minds of the young boys in his charge.

Recent Weddings

KELLER-COOLIDGE

John Wilbur Keller, Royal Canadian Pilot officer, and Miss Natalie McLean Coolidge, daughter of the John Gardner Coolidges of Brookline were married on Sunday, November twenty-third, in the Emmanuel Church of Boston. Mr. Keller is the son of Commander and Mrs. Harold Russell Keller and has lived in Newton throughout his life.

In the absence of his brother, Ensign H. Russell Keller, Jr., U. S. Naval Aviator, the honor of best man was given to Johnston Torney, a Harvard classmate, also a former room-mate of the groom. Both are members of Hasty Pudding Institute of 1770, and the Harvard Club of Boston.

Miss Coolidge wore a gown of ivory satin with a long train of heirloom lace and a tulle veil caught with a coronet of ivy leaves and orange blossoms. She had her debutante sister, Miss Mary Coolidge for her maid of honor, gown in gold taffeta and eight bridesmaids, including Eleanor Roosevelt Elliott, dressed in egg-shell taffeta carrying gold and rose chrysanthemums, preceded the bride to the altar. The corps of ushers, many in uniform, included Pilot Officers J. Danforth Browne and Henry P. M. Zary both serving in the Canadian Air Force.

Urs of white chrysanthemums and lighted candelabra decorated the church where three clergymen officiated. Dr. Edward D. Sullivan, Dr. Phillip Osgood and Dr. Endicott Peabody. A small reception for relatives and close friends was held at the Coolidge's Brookline home where the wedding party received before banks of yellow and white chrysanthemums loaned from the John Gardner Palace Museum.

Mrs. Coolidge, mother of the bride, wore a gown of satin, trimmed with green and brown wings. Mrs. Keller, mother of the groom, wore a delicate crepe gown in two shades of rose and a tiny feathered hat in matching tones of rose and a corsage of orchids. Described by society editors as the wedding of the week, the fashionable affair was preceded by many parties. Commander and Mrs. Keller entertained at dinner on Tuesday for the members of the Coolidge family and gave another dinner on Friday in honor of their son and the Royal Fliers. Dr. and Mrs. Fritz Talbot of Brookline entertained for both families and the wedding party and friends at a dinner dance at the Country Club in Brookline and Mrs. John C. Cutler of Dedham.

Dr. and Mrs. Roosevelt Elliott gave a wedding breakfast for forty on the day of the marriage. Pilot Officer Keller and his bride are on a two weeks' honeymoon after which he will go overseas into active service and she will return to her studies at Vassar. The bride graduated from the Winsor School, made her debut in 1939 and is a member of the Junior League and Vincent Club of Boston.

Bruce is chairman of this event and serving on her committee are Mrs. Brooks Heath, Mrs. William Jackson, Mrs. Arthur Freeman and Mrs. William P. Roberts. Members of the committee will be glad to give further information for anyone wishing to attend.

Another event at Auburndale for China's benefit is to be sponsored by Mr. and Mrs. Arthur G. Robinson. This is to be an exhibition and sale of genuine Chinese watercolor paintings, on Friday and Saturday, December 5th and 6th, from 2:00 p. m. to 8:00 p. m. at the Walker Missionary Home, junction of Grove and Hancock sts., Auburndale. The paintings, numbering about fifty, which were collected by Mr. and Mrs. Robinson during their many years of residence in China, include ancestor portraits, landscapes and flat mounts suitable for framing.

Salvation Army Appeal Progressing

Next Monday will mark the start of collection work in the Newton campaign of the Salvation Army. The collectors will call on those who have not made their contribution by mail up to the time they start on the hunt for the balance of the \$6000 quota. Upwards of \$3000 is already in the hands of William M. Cahill, campaign treasurer, according to Douglas B. Francis, chairman of the Newton sponsoring committee. Mr. Francis points out that none but Mr. Cahill and the collectors will have authority to accept contributions and that the collection group will wear Army uniform and have the words "Public Relations Department," on their coat or cap and carry credential letter, signed by Mr. Francis.

The collectors, to be named later, will call at office and home to greet former friends of the Salvation Army and also seek out scores of new donors so that victory shall be obtained at an early date.

In the Newton appeal there is much heartiness in announcing that the \$200,000 Greater Boston appeal has gone over-the-top. Newton is one of the thirty-two Metropolitan towns that make up the Greater Boston \$200,000 effort.

As a standstill in the minds of the Newton sponsors is the desire to make this year's Army effort the best in the history of Newton so that a better Army emergency fund work shall be carried on to aid those of Newton who meet temporary set-backs.

Newton's friends of the Salvation Army include the Rev. Edward T. Sullivan, D.D., a life member of the Greater Boston advisory board; Irving Usen, also a member of that board; Andrew S. Siller, head of the directors of the South End Boys' Club and an advisory board member and J. Weston Allen, also a member of the board.

PAINTING EXHIBITION

The High School Women's Club and the Grade Teachers' Club of Newton will present "Famous Paintings of Famous Women" at the F. A. Day Junior High School on December fourth at eight o'clock. This performance will be for the benefit of the Scholarship Fund.

DESSERT-BRIDGE

The Phi Beta Sorority of Newton held a Dessert-Bridge party at the home of Miss Thelma Wood in Newtonville, November 13th. There were thirty-five guests present.

"Patience" To Aid Work of British Unit

Each year one of the highlights of the social season in all the Newtons is the staging of a Gilbert and Sullivan operetta by the group which is under the direction of Mrs. Arthur B. Hitchcock. This year's Gilbert and Sullivan offering will be "Patience" and as the beneficiary of the proceeds is the British War Relief Society, the occasion promises to have even more than the usual glitter. Tickets are already selling so fast, although the operetta will not be staged until Friday, Dec. 12, and Saturday, Dec. 13, that the Newton High School auditorium was selected as the only place large enough to hold such an event.

The chorus is hard at work, rehearsing several times a week. "Belles" of the chorus this year are Constance Conant, Helen Dyer, Beatrice Eastman, Elizabeth M. Lawrence, Ethel deMille, Lucy Ogden, Eliza Peterson, Katharine Rand, Elizabeth Thompson, Dora Thompson, Sally Thompson, Eleanor Townsend, Dorothy Tulloch and Eleanor Tulloch.

The men who will be the "Heavy Dragons" are Arthur Andersen, James Clifford, Roger Greene, Archie McKittrick, Raymond Low, T. Edwin Peterson, George Stevens, Douglas Storie, Robert Sweet, Archibald Tulloch, Edward Tulloch and Ralph Wheeler. Serving on the production committee are Mrs. Arthur B. Hitchcock, as chairman; Mrs. Frank E. H. Johnson, vice-chairman; Mrs. John W. Merrill, in charge of rehearsals; Mrs. H. R. Cookson and Mrs. Robert H. Garritt, co-chairmen for the program book; and Mrs. Ralph E. Houghton and Mrs. Walter I. Muldoon, co-chairmen for tickets.

Motor Corps To Assist At Nutrition Conference

Members of the Newton Motor Corps of the Red Cross will serve as ushers and drivers on the day of Newton's Nutrition Conference, Friday, December 5th at War Memorial Auditorium, City Hall. Mrs. Marion B. Lane, Adjutant, will be assisted by Mrs. Philip Brown, Mrs. William Dunkle, Miss Grace Cummings, Mrs. Stanley Stedfast and Mrs. L. C. Doyle.

Miss Agnes Early is in charge of the Nutrition Exhibits and will be aided by Miss Abbie Andrews, Miss Gladys Davis, Miss Barbara Griffin, Miss Jeannie Kendrick, Mrs. Alice Guiney, Mrs. George Hinman, Mrs. E. A. Gay, Mrs. de Bloeme and Mrs. Alvira Sandwall.

Also assisting the Conference Committee will be Mrs. Herbert C. Hardy, Mrs. Hart Fussenden and Mrs. Douglass B. Francis.

Keep Them Ringing

This evening some seven hundred Newton men and women gather as workers in a community activity that is immeasurable in its scope. The United Every Member Canvass of supporters of the church to be held on Sunday is the occasion. Twenty-eight Newton churches have united in a plan of combining their individual annual appeal for financial support on one day. Each individual church will conduct its own canvass as always, but with the inspirational effort of making it a common cause centered on Sunday.

The crisis in world affairs demands closer cooperation among all church loving people. The great moral and spiritual values of the Church of God contribute to the life of each

and every individual, to every family, and to every community. Our very existence is founded upon the privilege of freedom of worship in a land of liberty. Distress, uncertainty, and care are material agencies which the human soul can bear only by the development of a faith and fortitude in the spiritual fount from which man is created. Any effort which inspires the hope of humanity and stimulates within all members and friends of the church an increased loyalty and support bears the richest, most uplifting dividends that can be found.

In the words of the slogan of the united canvass, the first known effort to combine activities of this nature in any one community in the nation, Newton citizens will respond generously to "Keep Them Ringing."

Newton In The Sport News

During the past few days Newton has been prominent in college and scholastic news, which is not only of interest but worthy of note. Among the several events is the election of a Newton youth as captain of the Harvard football team for next year. Donald Forte of Waban displayed courage as well as ability in the recent season, the most successful from the Harvard standpoint in several years. He has earned the honor which has been placed upon him. He will carry the responsibility on youthful, yet capable shoulders.

Here in Newton the announcement of the resignation of Owen McDowell, former Columbia athlete, who has been handling the football coaching reins at the high school is announced with regret. He has accepted an opportunity for professional advancement, as was to be expected. During his tenure here Coach McDowell has added to the Newton athletic program much of value. It is with genuine regret that he moves on,

but with the sincerest wishes for his future success. His place at the helm of Newton football will be filled by one of his three-year assistants. New Coach Victor Knapman enjoyed the confidence and respect of the boys with whom he has and with whom he will work. Definite progress has been made and we are certain that it will continue.

Perhaps the greatest inspirational uplift of the several important announcements is the fact that Warren Huston, one of Newton's most outstanding athletes, is "coming home" again to add his efforts to those of others who are continually seeking to improve the athletic and physical development of Newton youth. "Husty" as he is familiarly known, has made good since he graduated from the Newton High School eight years ago. Newton honors his talents and his abilities by calling him back. He honors Newton by accepting the opportunity to aid in the future of its youth. A cordial and genuine welcome awaits him.

As Art Week in Newton draws to a close With exhibits of Art Work in City wide shows. Art holds a party inviting all Parents To make Christmas wrappings through School Children's Talents.

For Christmas we know is a hurry, a flurry And we hope that your children may save you some worry If for making your cards at reasonable prices. Date—Nov. 29; Place—Newton High School Gym; Time—7 to 10.

Bachrach Honors Veteran Employees

At a meeting of all members of the Bachrach organization in this vicinity held recently, Louis Fabian Bachrach, president of the firm, presented pins in recognition of their twenty years of service to Alton P. Davis of 90 East-side parkway, Newton, and William MacDonald of 98 Lexington st., Watertown. Mr. Davis, whose inventive mind has been responsible for many mechanical time-savers and short cuts, heads the group of modellers working on bridled negatives. Mr. MacDonald is in charge of the negative library containing about two and one-half million negatives made since the firm was established in 1885 by the late David Bachrach, father of the present head. Another man to be honored for completing twenty years with Bachrach was George T. Dickson of Arlington, head photographer, who is in charge of the staff of twenty photographers and thirteen assistants working in the several studios.

Jurors Drawn For Court Service

Jurors were drawn at the meeting of the Board of Aldermen on Monday night for criminal and civil sessions of the court on January 5th and one juror drawn for grand jury service for 1942.

Charles I. Rubin of 10 Sunset rd., Newton was drawn as the grand juror. William J. McKenney, 28 Carleton st., Newton; Clifford E. James, 70 Barnstable rd., West Newton; and Charles E. Myers of 10 Dartmouth st., West Newton were drawn as jurors for the criminal sessions at East Cambridge.

Drawn for duty before the civil business session were V. Bruce Harris of 30 Pembroke st., Newton and Robert H. Harris, 154 Cabot st., Newton.

Newton Business Is 500 Years Old

Here in Newton Corner we have a man who is conducting a family business which started 500 years ago in Harpoot, Armenia. And the lone torch bearer of this ancient family trade is Leon S. Avakian whose forge, anvil, and files work their immortal way with iron.

It is also a far cry from the Village Blacksmith of the "horse and buggy" days to the firm of L. S. Avak, yet both have a great deal in common, since L. S. Avak like the Village Smithy of Colonial days fashioned images, latches, bolts and other hardware by hand. They shape them true to the designs in vogue in those early days of American history. They enable many leading 20th century hardware dealers to supply to persons of artistic instinct door hardware, cupboard fittings, window and shutter equipment, foot scrapers, knockers, etc., that satisfy discriminating taste and preference for the antique in hand forged hardware.

Custom made fireplace equipment and railings in artistic design have found their way into the finest homes in this area.

Heirlooms such as broken andirons, trays, lamps, and countless other objects that are cherished for their sentiment rather than for their intrinsic value, which have become damaged and the owner has regretfully decided to cast away . . . find their way to AVAKS for repair and are returned as good as new.

The House of Avak is generous in loaning without charge, pieces of artistic fittings, window and shutter equipment, etc., for decorative purposes on special occasions.

Collectors can find many interesting and unusual items to add to their collection.

KIWANIS

Mr. Benjamin Lewis of the Newton Savings Bank was elected a member of the Newton Kiwanis Club at their meeting last Tuesday. Mr. Lewis will be officially inducted into membership at next week's meeting.

Newton Kiwanis Club is donating \$500.00 to the New England Peabody Home as part of their undervalued child work. This sum will be presented this week by a committee headed by President Raymond Green, Vice President Edward Pease, Vice President James Riggs, and Archie Belanger who is chairman of the international committee.

Newton club has voted to erect five welcoming road signs at various traffic intersections in Newton. These signs have already been ordered and will be erected in the near future.

President Raymond Green has appointed the following committee to arrange a Christmas entertainment for the children at Peabody home: James Riggs, Bob Wilcox, Ed Cannon, Leo Noel.

Following officers were elected to serve the Newton Kiwanis Club during the year 1942: President, Edward J. Pease; first vice president, James B. Riggs; second vice president, George Van Buskirk; treasurer, Leo E. Noel; directors, Frank J. Battles, Archie Belanger, Charles Black, Tom Burns, Walter Hood, William Jasset, F. J. Martin.

George Van Buskirk, chairman of the Program Committee, announced that Chief Allen of the Brookline Fire Department will speak and also show moving pictures at the next Tuesday's meeting. Officials of the Newton Fire Department will be invited guests.

Mr. Joseph Limrie was the speaker at last Tuesday's meeting and gave a most interesting talk together with motion pictures on naval aviation.

Waban

Robert L. Dwyer returned to Nichols Jr. College where he is attending school after spending the holidays at home.

Natalie P. Dwyer, who spent Thanksgiving with her parents Mr. and Mrs. T. Leo Dwyer, 26 Holman rd., was home from Briar cliff Manor where she is attending Edgewood Park Jr. College.

Community Orchestra In First Concert

The Lasell Community Orchestra will present the opening concert of its fourth season next Wednesday evening, December 3, at 8:15 o'clock in the Winslow Auditorium on the Lasell Campus, Maple st., Auburndale.

The orchestra, composed of over sixty citizens of the Newtons and adjoining towns, and sponsored by the Lasell Junior College as a community enterprise, has had three successful seasons. It is perhaps the only organization of its kind which, because of its sponsorship, is able to exist solely for the benefit of the community, giving free concerts and enabling those who may be interested to do so to play and hear the best music. Moreover, it has had as soloists many outstanding vocal and instrumental artists. The orchestra has among its patrons leading residents of Newton and Waltham, including Governor Saltonstall, Mayor Goddard of Newton, and Mayor Hansen of Waltham. The concerts are always attended by capacity audiences which completely fill not only the Winslow Auditorium but the adjoining gymnasium which has to be opened to accommodate the many people who wish to hear the well prepared programs.

At the coming concert on December 3 the program will include the Beethoven Concerto in C Minor for piano and orchestra, in which the soloist will be Harold Schwab of the faculty of Lasell Junior College and also of the Union Church, Waban; The "Magic Flute" Overture by Mozart; three numbers of the MacDowell Suite "In a Haunted Forest"; transcription for string orchestra by Magagnoli of the "Berceuse" from the Fire Bird Suite by Stravinsky; The "Cortege du Sardan" by Ippolitoff-Ivanoff; and the Overture "Rosamunde" by Schubert.

Many Attend Joint Meeting Of Businessmen

A group of nearly two hundred members of the Newton Chamber of Commerce, Rotary and Kiwanis Clubs attended the joint meeting on Monday, Nov. 17th at the Brae Burn Country Club. Among the guests of honor present were Governor Leverett Saltonstall and Mayor Paul M. Goddard. Vincent P. Stanley, president of the Chamber of Commerce, presided. Charles Meeker, president of the Rotary Club, Raymond A. Green, president of the Kiwanis Club, and Wilfred Chagnon, chairman of the committee on arrangements, were others at the head table.

The principal speaker was R. Morgan Thompson, general manager of the R. A. McWhirr Co., of Fall River and president of the Mass. Council of Retail Merchants of 10,000 members. He discussed "Problems of the Business Man." Members of the committee under the chairmanship of Wilfred Chagnon were Harold W. Bachelard, William K. Bowers, William M. Cahill, James M. Day, Victor I. Hubert, Clarence G. Hughes, Murray G. Marble, Charles Sprague, James T. Trefrey, and John M. Walker.

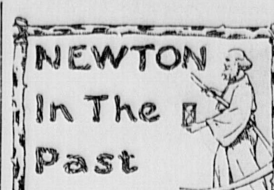

Aldermen Grant Petitions

At the meeting of the Aldermen on Monday night several petitions were granted following public hearings at which no opposition was expressed. The Edison and Telephone companies were granted joint locations for four poles on Glenwood ave., Ward 6. Arthur W. Blakemore was granted a renewal permit for continuance of the use of a three-car garage at 139 Park st., Newton and to keep and maintain a tank of 125 gallons of gasoline for private use.

The Biscuit Company was granted a permit to install a 1000 gallon tank and a pump for private use of gasoline at 84 Rowe st. Alphonse J. Comeau was granted his request to remove the three existing tanks for gasoline at 367 California st. and the installation of two tanks, increasing the total capacity to 5000 gallons and to keep, store and sell gasoline in connection therewith. He was also granted a permit for a 500 gal. tank of fuel oil for private use.

Newtonville Youth Wins Brown Scholarship

'39 Kents Hill again takes pride in the fact that George P. Delaney of Newtonville, Mass., has been granted the "Class of 1905 Scholarship" at Brown University. This scholarship is awarded on the basis of scholastic ability, desirable qualities of character and personality, capacity for leadership, and promise of future usefulness. In his freshman year, George was co-recipients of the "Brown Club of Providence Scholarship." He has also been chosen a member of the Sphinx Club, a student-faculty discussion group. Election to this group is considered a distinctive campus honor at Brown.

55 YEARS AGO

Newton Graphic, Nov. 27, 1886
It is hoped to have the electric lights ready by Christmas.

The High School boys had a hare and hounds run Thanksgiving Day morning. Messrs. Potter of '87 and Smith of '88 were the hares and were given four minutes start. A dozen or more hounds followed, and the run took in Newton Highlands, Upper Falls, Waban, Woodland and Auburndale. The hares proved too fleet for their pursuers, and came in about 10 minutes ahead. The course covered about 10 miles.

Judge Park gave a very interesting talk to the boys at Bigelow School Wednesday morning. He took for his subject the way boys should struggle for the education fifty and a hundred years ago, and told how his father when a boy had to walk three miles to school, and instead of having books furnished him, he had to work and earn them. The boys were very much interested in the description, so different from anything in their experience.

The Newtonville Congregational Society netted \$750 from their fair of last week. Well done; faithful work is always crowned with success.

A few nights since the henhouse of Mr. Patrick Kenney was raided and nine hens stolen. Within two days with one exception they all returned and the inference is they had not been far away.

Now it is suggested to widen Beacon st. to make more room for the horse railroad track. What next? Cart off all the snow as fast as it falls, and give the citizens sleighing on bare ground.

The work of moving the Baptist meeting-house approaches completion. The building now rests on Centre and Statute sts., and will, it is hoped, be placed in position before these lines are in print. The gilded cross which surmounted the spire is in the possession of relic lovers. One of the best relics is the fine photograph of the church which was taken in the autumn of 1885. The view includes the front elevation on Centre st., the Beacon st. side, the front of the chapel and environment.

Ward three Republican Committee endorses nominees of the Republican caucus. Charles E. Hatfield and George P. Staples for the common council against James R. Condrin and Robert S. Bennett nominated by the citizen's caucus in a lengthy description of the four candidates. (Staples and Bennett were elected.)

The mails from the Bemis post-office are shortly to be carried to Newton the same as the Watertown mails which will shorten the time of a letter to New York at least twenty-four hours.

The boom on Hunnewell hill is one of the features of Newton, more new houses having been put up there the last year than in any other section of the city, and with the new streets that are being put in, some fifty more building lots will be thrown open, and will undoubtedly be built upon in the next year or two. The land lay idle for many years, mainly because the Silsby estate prevented any outlet to Hunnewell ave. Now the avenue has been extended to Washington st. and Hunnewell ter. has been mapped out to run from St. James st. to the Boston line. The lots are of moderate size and range in price from 17 cents on the terrace to 25 cents on the avenue. The President of the B. & A. is reported to have said that the road would place a station at the foot of Copley st. extension any time it would accommodate one hundred buyers of one hundred ride tickets.

This ward (West Newton) still maintains the lead in registration of women and 69 ladies can vote here for members of the school board.

The question of appointing a separate officer to look after lighting the city is being talked up. The work of inspecting lights now comes under the head of the city marshal's duty, who has too much other work to perform to do justice to this branch.

After the railroad has been to much expense to make the station and grounds (Newton Centre) attractive it seems a pity that a huge advertisement should be allowed a place just across the driveway. It is certainly a blot on the landscape. Speaking of blots the bulletin of the Society on the lawn of the station would be better away, and as the society claims

that no one ever reads its notices, it is only an unnecessary evil. It resembles a black tombstone more than anything else.

25 YEARS AGO

Newton Graphic, Dec. 1, 1916
A new stained glass window has just been finished and set in the new chancel of the Swedenborgian Church on Highland ave., Newtonville. It is the work of Charles V. Conant, the Boston artist and craftsman and is one of his best works and one of the best windows in the vicinity of Boston. The window is in three lights with elaborate stone tracery above and the subject treated in the glazing is the "Transfiguration."

Newton Lodge of Elks will observe the Annual Memorial Day of the Order the first Sunday in December. The committee in charge, Messrs. George F. Tracy, Clarence C. Colby, Vincent M. Turley and George P. Flood has secured John F. Crosby, the Cambridge bridge as the orator of the day and the Copley Male Quartet and a string quartet will furnish the music.

Another large audience was present Sunday at Bray Hall, Newton Centre at the regular meeting of the Newton South Community Forum. Prof. William Z. Ripley presided. The speaker was Prof. W. E. B. Du Bois of Atlanta University who spoke on "The World Problem of the Color Line."

The new bridge across the Charles River at Auburndale near Norumbega Park was opened to the public last Friday. The new structure, which is called the Weston Bridge is a decided improvement over the small narrow bridge which stood for so many years. Some additional finishing touches will have to be made, however, in the spring.

The Men's Club held its largest meeting in its history at the Second Congregational Church. A supper of 125 covers was served after which an interesting address was given by Senator John W. Weeks who discussed the political situation with respect to the merchant marine and spoke at length on the railroad question.

Unity Club Hears Talk On Women in Defense Work

At the Vestry of the Myrtle Baptist Church Mrs. Ernst Angeliene, chairman of the West Newton defense committee, was the guest speaker. The women members of the club gave Mrs. Angeliene a rising vote of thanks at the conclusion of the meeting for her interesting paper on defense and the response to many questions asked.

Mrs. Angeliene was presented to the club by Miss Beate Hopkins, president of the club. At the next meeting of the club which is Monday, December 8th, there will be a Christmas social and it is hoped that all members will bring a small present to give in return to their members of the club to start the Yuletide season.

Mission for Men at Waban Ends With Mass

The mission for the men, being conducted this week at Saint Philip Neri Church, Waban, by the Reverend Fathers James Twomey and John Maguire of the Vincentian Order, will be concluded with a special mass for the men at seven forty-five on Sunday morning.

Immediately following the mass a communion breakfast will be served in the church auditorium, to be followed by an address by the Reverend Father Charles D. McInnis, Headmaster of the new Saint Sebastian Country Day School, Chestnut Hill. Father McInnis was formerly a professor at Saint John's Seminary, Brighton and is well known as an orator.

This is the third communion breakfast to be held under the auspices of the club of Saint Philip Neri Parish.

Letters To The Editor

ARMY APPRECIATION

To the Editor, Newton Graphic:
Through the columns of the Newton Graphic the enlisted personnel of Battery L, 241st CA (HD) stationed at Fort Andrews in Boston Harbor wish to take this opportunity to publicly thank a fine group of public spirited and patriotic women of Newton for their wonderful work in our behalf when they outfit in our battery's day room to make it one of the most comfortable and well furnished recreation centers in the Harbor.

This group of Newton citizens has done more in one day to improve army morale than all organizations and groups combined. They have made army life more livable through their efforts in giving us a real homelike atmosphere in our day room where most of our leisure time is spent when not on leave. The City of Newton should be proud of these women who comprise the Newton Committee of the Harbor Forts Recreation Committee assigned to Battery L of the 241st CA.

Following are the names of the Newton Women's Committee for Battery L who did our day room:
Mrs. Sinclair Weeks, chairman; Mrs. J. Preston Rice, Mrs. Edward Woods, Mrs. Paul Goddard, Mrs. John F. Brown, Mrs. Raymond Cabot, Mrs. Grosvenor Calkins.
To the above group we of Battery L wish to express our deepest thanks for their untiring efforts in our behalf.
SGT. IRVING KLOPER, Battery L, 241st C. A. (HD) Ft. Andrews, Mass.

and of appreciation for his work here.

Name Successor
Victor Knapman, who succeeds McDowell as varsity coach of Newton football, has been a member of the high school faculty for five years. He is a graduate of Lynn Classical, 1928, and of Tufts in 1932. In high school and at college he was a regular center and in 1931 captained the Tufts eleven as a senior. He also earned school and college insignia in basketball and track. In high school he captained the 1928 Lynn crew. He began his coaching career upon graduation from college, being named coach of all sports at the Brigham School in Bakersfield, Vermont, in 1933 and 1934, going to Westford Academy, Westford, Mass., for the following two years and coaching and teaching science at Manchester, Conn., in 1937. In September, 1937, he joined the Newton faculty as a science teacher and was named to the coaching staff of the Newton high jayvee squad. When McDowell assumed the head coachship in 1939, Knapman took over as his assistant.

Newton Athlete Returns
Most significant of the changes is the election of Warren Huston to the position vacated in the physical education department by McDowell's resignation. Huston, a graduate of the class of '33, is remembered and revered at Newton as one of the two most noted athletes to wear the orange and black, George Owen of the early 1920s being the other. Huston was one of the few athletes to earn letters in four sports in a single year. For three years "Husty," as he is most familiarly called, played football, basketball and baseball and one year added hockey to his schedule. In his senior year he captained all three sports and entered Springfield College with the class of 1937. He continued his outstanding athletic career at Springfield as captain of his freshman football team and captain of the 1936 varsity. He also played varsity hockey and baseball and participated in numerous minor sports including wrestling and soccer. Following his graduation he served as an athletic coach at Boston Academy and at Mt. Hermon. He also played professional baseball with the Philadelphia Athletics for a year. In 1939 he went to Bristol, Rhode Island, as director of physical education and athletics in that high school and during the last two years coached football, basketball and baseball teams.

The former Newton star athlete will become an instructor in the physical education department. He has also been named as assistant varsity coach. Knapman in football. Assistant coach C. Evan Johnson will also continue with the varsity squad.

—The Reverend Morrison Russell Boynton, D.D., minister of the First Church will preach this Sunday, November 30, at 11:00 a. m. His subject: "A Mighty Fortress." Music for the church service is under the direction of Mr. D. Ralph Maclean. The combined choir will sing. Sessions of the Church School are held at 9:30, 10:00 and 11:00. This is Loyalty Day when the Every Member Canvass for 1942 funds is held.

D. A. R.
A meeting of the Lydia Partridge Whiting Chapter, Daughters of the American Revolution, was held on Nov. 25th at the Newton Centre Club Workshop. The members were welcomed at the door by the Hospitality committee. Mrs. Hartwell W. Blanchard, Dessert was served at 1:30 p. m. by the hostess, Mrs. Frank G. Voorhies with assistant hostesses, Mrs. Frank A. Dodge, Mrs. Walter Buck, Miss Cora S. Cobb, Mrs. C. Warren Dillaway, Mrs. Richard Pope, Miss Fannie Hall, Miss Jennie G. Moody.

The Regent, Mrs. R. John Henderson presided. The Registrar, Mrs. Harris W. Langley, reported two new members and several papers in preparation. Mrs. Albion H. Brown called attention to the Christmas bags to be filled for the veterans at Bedford and Chelsea Naval Hospital.

Miss Katherine R. Briggs, State Vice-chairman of Conservation, spoke of the work among the American Indians.

The program opened with two Indian Songs by Mrs. Young, accompanied by Mr. Young, after which Mrs. Edwin A. Shaw gave personal experiences with Indians of the Southwest. Her son teaches in the only Indian College in the United States at Bacon, Oklahoma. She was dressed in costume of velvet blue and very full skirt with strings of beads and many Indian ornaments and narrated anecdotes about the people which were intensely interesting.

The next meeting will be held with Miss Madeline Foster, 1058 Walnut st., Newton Highlands, on Dec. 16th and will be the Christmas party for the benefit of Disabled Veterans.

CHRISTIAN SCIENCE
"Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" will be the subject of the Lesson-Sermon Sunday, Nov. 30, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The Golden Text will be: "Thus saith the Lord of hosts, the God of Israel; Let not your prophets and your diviners, that be in the midst of you, deceive you. . . . For they prophesy falsely unto you in my name. I have not sent them, saith the Lord" (Jeremiah 29:8, 9). Other Bible citations include: "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: whom resist stedfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world" (I Peter 5:8, 9).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Evil thoughts and aims reach no farther and do no more harm than one's belief permits. Evil thoughts, lusts, and malicious purposes cannot go forth, like a mitering pollen, from one human mind to another, finding unsuspected lodgment; if virtue and truth build a strong defence" (p. 234).

Forte To Lead Harvard Eleven

Donald Forte, son of Mr. and Mrs. Orville W. Forte of 203 Windsor rd., Waban, and star Harvard end, was elected captain of the 1942 Crimson eleven on Tuesday in one of the longest election meetings of the football squad in college history. Forte is a former Newton High school and Exeter Academy athlete. At Newton he was a substitute center but at Exeter played two years at end. He also was a sprinter on the Newton and Exeter track teams. Forte played freshman football at Harvard and a year ago as a sophomore started the Amherst game, scoring a touchdown, and later was dropped to the third string, being regarded as too light. The 164-lb. Waban youth came into his own this season starting on even terms for Exeter in the first game, the Harvard position with Jack Morgan. The latter was shifted to left end to replace the injured Loren MacKinney. Forte's play this season was marked by his sensational pass-catching, completing several "impossible" catches, one of which proved a vital score against Army. Two passes he caught against Brown would have been scores had he not been forced to step out of the end zone for the catch.

His one-hand clutch of the pigskin last Saturday brought the second and conclusive score against Yale. Forte displayed his courage and stamina in the Yale game after being struck in the mouth by a knee in the first few minutes of play. The blow knocked out two teeth and cut his lip, making four stitches necessary to close it. Forte was "repaired" beneath the stands and then came back to the game.

Forte, who is known as "Dee," is majoring in sociology. He expects his naval R. O. T. C. course to lead him into two years' service with the navy before entering his father's wool business. He is the first linesman to lead Harvard in four years and the first Newton youth to be elected to leadership of the Crimson varsity since the early 1920s when Clem Coady piloted the team from his fullback berth.

Forte took a short whirl at track as a freshman. At high school he was one of the best school boy sprinters and at Exeter holds the 40-yard record. He is one of six children in a family of athletes. Orville Forte, Sr., was a star 600-yard runner in high school. Faid an older brother, now a Dartmouth senior, was a sprinter at Newton and at Andover Academy. John, a younger brother, is the present captain of baseball at Exeter. The eldest brother, Orville, Jr., and the youngest brother, William, is in the Newton public schools. There is one girl, Beth, a younger sister.

Expense Saved
It was explained at the meeting, held in Mrs. Plumer's home on Monday, that the United Service Organization or U. S. O., as it is called, is made up of the following organizations: Y. M. C. A., Y. W. C. A., National Catholic Service, National Salvation Army, Jewish Welfare Board, and the National Travelers Aid Association.

Lyscom Bruce, executive director of the Chest, who spoke to the women on plans for the 1942 campaign, declared that Newton has been declared the site of an additional campaign for the U. S. O., by uniting this appeal with the Annual Chest Campaign. He stated that already thousands of soldiers, sailors and marines have made use of the services of the U. S. O. and that officials of the Army and Navy are strong in their praise of Greater Boston's provision for service men.

Important Division
The Women's Division is an important factor of the Chest set-up and is organized to help Newton residents give to the Chest when they are at their offices and places of business in Newton.

Mrs. Plumer is assisted in her division by Mrs. Elmer W. Davis and Mrs. Abner Cohan. The division has already named village chairmen to organize community committees. Members of these committees will be ready when the Campaign opens to visit retail merchants, physicians, dentists, clubs, societies, women's groups, hospital and social agencies to get their campaign subscriptions.

Following are the names of Village Chairmen now busy selecting community committees to do the actual neighborhood visiting during the campaign:

Mrs. William A. Jackson, Auburndale; Mrs. Edgar S. Burkhardt, Newton; Mrs. Mabel M. Webster, Newton Centre; Mrs. Luther W. Piper, Newton Highlands; Mrs. Hugh McCrea, Newtonville; Mrs. John A. McGlennan, Newton Lower Falls; Mrs. Robert B. McLaughlin, Newton Upper Falls; Mrs. J. J. Shuman, Waban; Mrs. Everett D. Kiefer, West Newton; Mrs. Malcolm Green, clubs and societies.

METROPOLITAN INFORMATION SERVICE
"Don't become the victim of your own carelessness." This slogan is the basis of admonitions to automobile owners given by Dr. Donald B. Armstrong, third vice president of the Metropolitan Life Insurance Company, who is calling attention to the hazard of carbon monoxide gas which becomes most acute in the fall and winter months.

Here is the list of "don'ts," which are heartily endorsed by Fire Chief Clarence W. Randlett, of Newton, Mass.

Don't start an automobile in a closed garage.
Don't work under a car while the engine is running.
Don't drive with all car windows closed.
Don't drive too close behind another car lest the exhaust fumes of the car ahead seep into your car.
Emergency treatment of persons overcome by carbon monoxide gas should be as follows, according to Dr. Armstrong:
Take the victim out into the fresh air.
If breathing is weak or stopped, give artificial respiration, with the victim lying prone.
Call a doctor, fire department or Police Department.
Keep the victim warm by covering with blankets and applying hot water bottles or hot bricks.
Rub limbs to restore circulation.
Keep the victim calm to avoid strain on the heart.
Dr. Armstrong points out that in the fall and winter months mortality from carbon monoxide is heavier than at any other period of the year, and reaches its peak in January with February not far behind.

Women Campaign Workers Hold First Meeting

Members of the Women's Division of the Newton Community Chest held their first meeting to plan for the 1942 Campaign, last Monday, November 17, at the home of the chairman, Mrs. William B. Plumer, 165 Windsor rd., Waban.

The meeting was called to discuss the need for increased interest and activity on the part of all citizens, because the Campaign goal has been raised, due to the necessity of securing funds for the off-duty recreational needs of servicemen, through the United Service Organization.

Help Servicemen
"The 1942 United Campaign," said Mrs. Plumer, in an interview after the meeting "should have an even wider appeal than ever, because it is, in a sense, a defense Campaign. In our community we must raise enough money by the thoughtful giving of every man and woman, to take care of the local agencies united in the Chest and Council.

These agencies prevent the spread of disease, crime, poverty in the villages that make up Newton. They help to keep up morale of our own people, and to spread the feeling that somebody cares when one is sick or in trouble.

"This year we are asked also, as fathers, mothers, and just plain citizens, to help keep up the morale of our service men. We are maintaining many soldiers' and sailors' recreation services and Centers where service men can meet and enjoy themselves under wholesome, pleasant conditions when they are off duty. I am sure everyone will respond to the added appeal of helping these men who help to defend us. Many Newton families have men in the service therefore this appeal should reach home."

It was explained at the meeting, held in Mrs. Plumer's home on Monday, that the United Service Organization or U. S. O., as it is called, is made up of the following organizations: Y. M. C. A., Y. W. —New Stands

(Continued from page 1)

thorized to study a possible solution of the situation created by the necessary removal of the stands with the expectation that further consideration and recommendations would result from reference to the matter to the site and playground committee of the 1942 School Committee in order that any work involved might be undertaken in the spring. In addition to a suggestion that the wooden visitors' stands be replaced by a concrete stand with storage space beneath, the installation of a hockey rink and an outdoor board track in the area between the stands and the school building will be considered.

Word of the condemnation of the so-called "bleachers" was received in a letter from Recreation Commissioner F. Ewing Wilson who stated that further repairs to maintain the safety of their condition was a wasteful expense. The stands were erected fourteen years ago following the collapse at that time of a section of portable stands then in use erected for an affair in the quadrangle between the school buildings. At that time in order to hasten their completion for September use \$9000 was appropriated by the aldermen for new materials and labor which was combined with material usable from the former stands.

When the Dickinson stadium was completed the stands were then moved to their present location on the north side of the football field and on the first and third baselines of the baseball diamond. The football stands seat approximately 1200 and the baseball stands about 600.

The proposal for new concrete stands, for which no estimate of cost is yet available, would be for stands 12 rows in height, starting at a level several feet above the present first row level, between the 25 yard lines. The stands of such dimensions, 150 feet long, would seat approximately 1500. Usable material from the condemned stands would be employed to rebuild and repair the baseball stands.

Adequate facilities for hockey have been lacking for a long time at the high school with the squad being obliged to use the Bulough pond recreation department rinks under unsatisfactory conditions due to the requests for their use by numerous other schools, colleges and teams.

Newton High
This year's Newtonian is now pronouncing itself full steam ahead. Engravers and printers have been chosen, and many of the seniors have already made appointments with the photographer. The business manager, William Byrne, reports that the amount of advertisements sold is already the largest in the history of Newton High's annual.

The autograph collection, which is now in the Samuel Thurbur room of the Newton High Library, was started in 1917 by a member of that year's graduating class, Leslie Perkins, who gave the school twelve autographs including Mark Twain and Owen Westcott. Others were gradually added by Mr. Thurbur, George Black, a member of the class of 1930, and by friends of the school. Graham Shaw, of this year's graduating class, has presented a great many autographs of motion picture stars. Miss Caroline Doonick of the English Department has donated many autographs including John Kieran, Alfred Hitchcock, and Thornton Wilder. The number has recently been steadily increasing until today we have an unusually fine collection.

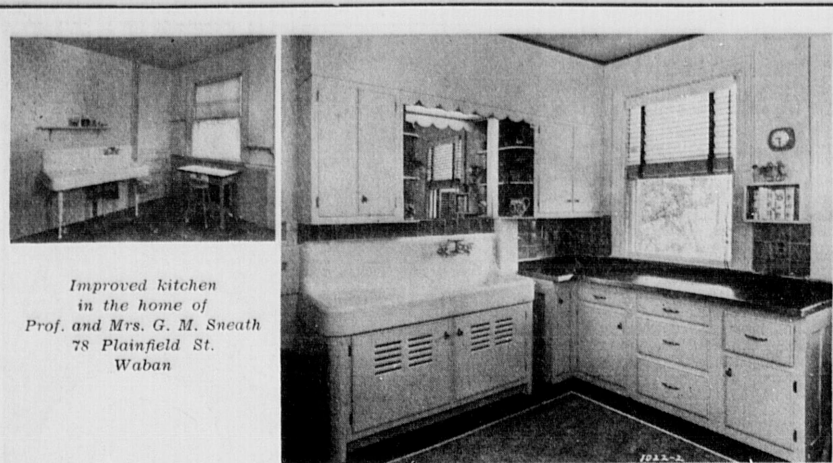

Credentials?
YES, MA'AM!

Any telephone man will gladly show you his identification card. He's proud of it.

It's just plain common sense, of course, to check up on people who work around your home or office. Taking honest-for-god doesn't pay. . . . So we hope you will always feel free to challenge our men even though they look as trustworthy as we make sure they are before employing them!

We're quite serious about this. The telephone business is one of public service, and we intend that all our personal contacts shall be just as satisfactory to telephone users as we can make them.

Coming Events

Newton Centre Woman's Club

The Art Committee of the Newton Centre Woman's Club extends a cordial invitation to Club members and their friends to a tea on Tuesday, December 2, at three o'clock, to mark the opening of a "Coming Artists' Show." This is a collection of oils and water-colors got together with the cooperation of several Boston art schools, and includes work of their most outstanding seniors and recent graduates. This opportunity to see the trends among the younger artists of the community should prove both interesting and stimulating.

Mrs. Charles J. Brooks has charge of the tea and Mrs. Ralph G. Hudson and Mrs. Vaughan Dabney are putting on the exhibition, which will be open to the public afternoons, from two until four-thirty, except Sundays, through December 20.

Adele Hoes Lee will be presented by the Literature Committee, Thursday, December 4th, at 10:15 a. m. at the Club House. This is the second in the series of six lectures arranged by the committee.

Mrs. Lee will speak on "The Current Theatre: A Life-time Experience with all things pertaining to the stage, and ability to depict dramatic situations, make Mrs. Lee's lectures interesting and delightful.

The Newton Centre Woman's Club will hold a Departmental Day on Friday, December 5th, beginning at 10:30 a. m. and sponsored by the Conservation and Garden, Preservation of Antiques, and American Home Committees.

Coveralls, and other articles, will be on display. Mrs. Chester Cook of Lexington will speak at the morning session on "Christmas Decorations" with a demonstration. In the afternoon Mrs. William G. Darrow, Chairman of the Committee on Preservation of Antiques for the State Federation, will talk on "Old Coverlets"; and Miss Polly Paine, popular radio announcer, will lecture on "Home Planning." Luncheon reservations should be secured from Mrs. Sidney Porter.

Newtonville Woman's Club

The Ways and Means Committee of the Newtonville Woman's Club under the direction of its chairman, Mrs. Howard C. Thomas, will present "The Trapp Family Singers" at the Newton High School on Friday, November 28, at 8:00 p. m. This contest will take the place of the bazaar which has been held each year for the purpose of raising the club budget. It is hoped that the proceeds from this event will be ample to take care of the many philanthropies which the club supports.

A fine program is anticipated at the meeting of the Newtonville Woman's Club on Tuesday, December 2, at 2:30 p. m. Dr. J. Edgar Park, President of Wheaton College and former pastor of the Second Church in West Newton, will be the guest speaker.

Dr. Park will be the subject of a sermon on "The Trapp Family Singers" at the Newton High School on Friday, November 28, at 8:00 p. m. This contest will take the place of the bazaar which has been held each year for the purpose of raising the club budget. It is hoped that the proceeds from this event will be ample to take care of the many philanthropies which the club supports.

West Newton Women's Educational Club

The American Home Class of the West Newton Women's Educational Club will meet for luncheon at 12:30 on the afternoon of December third at the home of Mrs. B. Howard Lester, 203 Mt. Vernon st., West Newton. Mrs. Louie A. Bacon will serve as chairman and Mrs. Wm. D. Koe will talk on "Christmas Traditions."

Newton Junior Community Club

The third regular meeting of the Newton Junior Club will be held at the Newton Y. M. C. A. on December first at eight o'clock.

Mrs. Fred Dauten, chairman of the Drama Committee, will preside and Mr. William J. Ford will present a group of pictures entitled "Pictures and Drama."

A dinner at Chinatown on November eighteenth was largely attended by members of the club.

Activities for the month of December will include a Christmas party to be held on December sixteenth. The girls are also helping dress dolls for the community club Christmas party.

Newton Highlands Woman's Club

Mrs. James Dunlop, 12th District Director, will be the guest of honor at the meeting of the Woman's Club of Newton Highlands on Tuesday, December 2nd, at 2:30 p. m., in the Parish House of the Congregational Church.

Dr. J. Edgar Park, President of Wheaton College and former pastor of the Second Church in West Newton, will be the guest speaker.

Dr. Park will be the subject of a sermon on "The Trapp Family Singers" at the Newton High School on Friday, November 28, at 8:00 p. m. This contest will take the place of the bazaar which has been held each year for the purpose of raising the club budget. It is hoped that the proceeds from this event will be ample to take care of the many philanthropies which the club supports.

Recent Events

The Newton Federation of Women's Clubs

The Executive Board of the Newton Federation of Women's Clubs met on Monday morning at the Newtonville Library, Mrs. H. Clayton Pearson presiding. Many of the chairmen from the Standing Committees reported on their work, all telling of the very successful Round Tables which they had at the Fall meeting the previous month.

Two committees reported on work which pertains to the present time, and should have particular publicity this month. The first was that of the Conservation Committee, which is conducting a campaign to save the greenery of Christmas trees either from private grounds or under conditions unfavorable for future life of the foliage cut.

The other committee is that of the division of Disabled War Veterans, and the committee feel the response so far has been generous. Some clubs have specified their bags filled with the required articles should be sent solely to Newton men.

The Auburndale Review Club

The Auburndale Review Club will meet on Tuesday morning, December 2, with Mrs. Wickliffe J. Spaulding of Wolcott st. Although Mrs. Spaulding has not been a member of the club for some years, she opens her home yearly for this group.

The president, Mrs. James G. Patterson, will preside at the business session at ten o'clock and will then turn the program over to the day chairman Mrs. Richard O. Walter.

"Mere Marie of the Ursulines" a book by Reppel will be read and Mrs. Walter and this will be followed by a paper on conditions in Canada from 1760-

Waban Woman's Club

President's Day will be observed

at the Waban Woman's Club, Monday, December 1st, at the Neighborhood Clubhouse with presidents of neighboring clubs and past presidents of the Waban Woman's Club attending. A reception and coffee will be held at 1:30 o'clock and the guests of honor will be Mrs. David A. Westcott, Pres. of the Mass. State Federation of Women's Clubs; Mrs. Henry W. Hildreth, General Federation Director; Mrs. James Dunlop, Twelfth District Director; and Mrs. H. Clayton Pearson, President Newton Federation of Women's Club. Mrs. Harcourt W. Davis, president, will preside. Mrs. Russell Bennett will pour the coffee table. Floral watercolors by Ella Brown Reynolds, club member and local artist, will be exhibited at this meeting.

The entertainment has been arranged by the Music Committee which Mrs. David A. Hill is chairman, assisted by Mrs. Robert E. Wells, Mrs. Harry W. Bacon, Mrs. Benjamin H. Hunt, Mrs. Roland F. Pease and Mrs. Hubert W. Young. The program will be given by Mary P. Tower and Barbara J. Tower, concert duetists, who have the unique distinction of being the only mother and daughter to achieve local fame as duo-pianists, and also Mr. Rand Smith, a young Boston baritone, who is a member of the All-American Youth Opera Company.

On Tuesday, December 2nd, the second morning lecture sponsored by the International Relations Committee will be held at the home of Mrs. Phillip Warren, 88 Waban ave. "America's Stake in the Far East" will be the subject of Miss Marie Carroll's talk on that date.

The Antique Committee will sponsor a talk on Oriental rugs and other treasures of the Orient, to be given by Mr. Arthur C. Greco, 100 W. Wellesley St. Tuesday, December 9th, at 2:30 o'clock. This meeting will be held at the Waban Library instead of the home of Mrs. Beck as previously announced. Mrs. Harry N. Matlock is chairman of this committee, assisted by Mrs. William C. Beck, Mrs. John A. Hope, Mrs. Thomas F. Lyons, Mrs. William B. Stevenson and Mrs. Franz A. Stenzel.

School Affairs

At the meeting of the school committee on Monday evening Superintendent Julius E. Warren reported on a plan of further cooperation with the Newton Public Library. The library now serves as a circulating medium for a library of some 550 professional books on the shelves of the school library and available for teachers' study. More than half of these volumes are of current value and the lack of circulating facilities has made it desirable for the transfer of the volumes to the shelves of the main public library.

The opening of the new plan of bus terminal facilities on Monday morning was marked by noticeable relief from traffic congestion on Walnut st. Under the new plan school buses now enter Elm rd., discharge their student passengers at a designated point and then pull up to stand until 8:30 in the Elm road area barred to general traffic. When school begins the buses then depart one after the other by way of Elm rd. and Lowell ave. At the close of school the reverse procedure is followed with the buses starting from Elm rd. into Walnut st. when loaded and eliminating the previous parking congestion on this heavily traveled street.

Requests for sabbatical leave for the next school year were granted to Adele Lyones of the Warren Junior High and Patricia Smith of the Weeks Junior High. Both will undertake courses of study which have been approved by Supt. Warren. Miss Lyones has been a member of the school faculty since 1935 and Miss Smith since 1933.

The transfer of Charles Richter as a teacher in the Ward school to the Day Junior High School where he will teach mathematics was approved. The assignment of Leonard Savignano of the Oak Hill School to the Weeks Junior High School on Tuesday and Thursday afternoons where he will assist in extra-curricular athletic activities was also announced.

The use of various school buildings for the purposes of numerous organizations was granted. The use of the high school gymnasium for a dance in connection with the Emmanuel Brotherhood on April 29th was denied because of the policy of the school board in allowing the gymnasium floor for dance purposes only in connection with school events. The request was granted the request to use the auditorium for the entertainment, the proceeds of which will be used for charity purposes. The committee discussed the desirability of permitting the sale of defense stamps in the Newton schools. As a means of instructing youth in the value of saving it was pointed out that a considerable sum would be directed into useful channels under the proposal the details of which would be under direction of the school principals.

The committee agreed to obtain the views of the principals on the work involved before taking formal action. Extension of the facilities of the schools to various organizations raising funds for relief and causes other than the work of the Junior Red Cross, which is international and unsectarian, as to race, color and creed was disapproved in principle, likewise without formal action in the absence of a formal request.

Invitations to members of the school board to attend "Art Goes To A Party" were extended by Supt. Warren. The affair, which is open to the public and especially to parents of children, will be held in the high school gymnasium on Saturday evening. At the party those attending will be instructed in the use of waste and unusual materials in the making of Christmas wrappings, decorations and novelties. Parents are urged to bring material. Grade school pupils will exhibit their work from 7 to 8 and junior high school pupils from 8 to 9.

RUTH V. TEULON

Miss Ruth V. Teulon, daughter of Mr. and Mrs. Arthur M. Teulon of 9 Elmwood park, Newtonville, died on Thursday, November 20. Miss Teulon, who was in her 46th year, had been a lifelong resident of Newton, and was a graduate of the Newton High School and of the School of Fine Arts in Boston. She had conducted a gift shop on Beacon st. in Boston and previous to that had been employed with C. Crawford Hollidge Ltd., of Boston. She is survived by her parents and a brother, Arthur Parker Teulon of Portland, Oregon. Funeral services were held at her home on Monday afternoon at 3 o'clock. Rev. Wm. A. Blake of the Lincoln Park Baptist Church, West Newton, officiated. Burial was in Mt. Auburn Cemetery.

SARAH MAUDE TUCKER

Mrs. Sarah Maude Tucker, widow of the late Harry E. Tucker and daughter of the late George Bush and Mrs. Bush, formerly of Newton, died in Philadelphia, Pa., on November 25. Funeral services will be held on Friday, Nov. 28, at 1 o'clock in the Eliot Church, Chapel, Newton. Rev. Ray A. Eusden will officiate. Burial will be in Mt. Auburn Cemetery.

Deaths

McCLURE—On Nov. 20 at Chestnut Hill, Arabella Hersey McClure, of 81 Old Orchard rd., died on Monday, November 24. She was in her 84th year, was born in Somerville the daughter of George W. and Mary Fayne Remick. She had resided in Newton for 32 years. She is survived by her brother, William Remick of Newton Centre. Funeral services were held on Wednesday afternoon at 1 o'clock, at the Eastman Funeral Chapel in Boston. Rev. Edward T. Sullivan, D.D., officiated. Burial was in Mt. Hope Cemetery, Boston.

N. H. S. Seniors To Stage "Taming Of The Shrew"

On Friday afternoon, Dec. 5, and Saturday evening, Dec. 6th, the class of 1942, Newton High School, will present the annual Senior Play. This year Shakespeare's "The Taming of the Shrew" has been chosen. It will be done in modern dress.

"Petruchio" will be played by Jerry Downs, "Katherine" by Marion Malley, "Lucentio" by James Stewart and "Bianca" by Georgiana Guarante.

The coach will be Miss Irene Haworth of the English department. The proceeds of the play are used for Senior Class expenses and charity.

declined appointment to the Foreign Affairs Committee of the House a position commonly regarded as a fine political springboard to the national limelight, and sought appointment to the Civil Service and Education committees, neither much of a political plum. Smith baffled his colleagues by saying, "I know nothing about foreign affairs." But Smith engineered through the House the civil service reform bill known as the Hatch-Smith Bill and now accounted as one of the major pieces of reform legislation on the domestic scene of these times.

Said Smith, "I am an ignorant man and philosopher; but I can smell a rat that's rotting and I can see fun in the foibles and promise in the vices of men. Moreover, I can at times hear clearly sounding my country's call—a call more exacting than the clamor of criticism and more intoxicating than sweet voices of praise."

Bridging the space between science and "common men" seems very important to Smith. "I want," he says, "to be the academic Will Rogers of American life. I want to illustrate to people the fun and deep satisfaction they can get from ideas. Ideas are the one common property. We need neither wealth nor power to have ideas."

When the politico-philosopher proposed invading Chicago's roving negro fifth district friends sent a combination guard and scout to report on and if possible protect this angel who rushed in. The scout returned to headquarters incredulous. "Man, he's got 'em scared," he gasped. "They can't decide whether he's Abe Lincoln or Booker T. Washington."

The Forum begins at 3:30. Doors open at 3:00. An added attraction at the Forum next Sunday afternoon at 3:15 is to be the appearance of baritone Franklin G. Field and two groups of songs. Doors from the lobby into the auditorium will be closed while Mr. Field is singing. Kirtley Mather, President of the Forum, will be chairman of the meeting at which there will be ample opportunity to question the speaker from the floor.

Friendship Guild Plans "English" Evening

The Friendship Guild of the Second Church in Newton sponsored on Wednesday, November 26 an English Evening planned by Mrs. W. R. Atkinson and Miss Anis Walsh. Mrs. J. Lindsey Wyman served as supper chairman. Members brought packages for war-torn England's Christmas. Articles were on sale for benefit of Baitn. A brief business meeting. Mrs. Frederick Kleski, who is in charge of British War Relief in Cambridge, gave a talk. Three films were shown.

Newtonians Active In Crafts Fair at Lexington

Many Newton people are looking forward to the Minute-Man Crafts Fair which is to be held from Monday, December 1st, to Saturday, December 6th, at Cary Hall in Lexington. The fair will be open daily from 10 a. m. to 10 p. m. and articles will be the products of the many clever craftsmen in Middlesex County.

Among the Newton people active in the Society are Mrs. Miriam Pierce of Newton, Mrs. Elmore Bang, Mrs. Elsie Buckner, Mrs. Mary DeBloeme, Miss Josephine Estes, Mrs. Frank Mildram and Mrs. Walter Sears of Newtonville, Mrs. Myrtle Tische and Mr. C. M. Stiles of Newton Centre and Mr. Adrian Matthews of Newton Upper Falls.

JOSEPH A. WHITE

Joseph A. White of 14 Webster st., West Newton, died on Saturday, November 22. Mr. White, who had been a resident of Newton for 37 years, formerly conducted a barber shop in West Newton. He was 77 years of age and was born in Boston, the son of Mr. and Mrs. Joseph A. White. He is survived by a son, Joseph A. White of Watertown. Funeral services were held on Monday morning. A requiem mass was celebrated in St. Bernard's Church by Rev. James M. Daley. Burial was in Calvary Cemetery, Waltham.

HARRIET E. REMICK

Miss Harriet Elizabeth Remick of 101 Pleasant st., Newton Centre, died on Monday, November 24, at her home. that this new venture is being watched from many parts of the country, that all present had a personal stake in its success in order to show all citizens, whether church members or not, that the churches of America can lead the way in preserving national unity in a common cause.

Rev. Charles O. Farrar, President of the Newton Ministers' Association reported his associates were particularly pleased by the intensive way in which busy laymen had taken hold of the idea of the "United Every Member Canvassers," organized it and carried it forward with zeal and good will. Over 100 men served on the several committees of organization and detail, while members of the various churches met in "mailing bees" to prepare printed matter for the mails.

JAMES B. MELCHER

Gen. Chairman United Every Member Campaign

Over 900 canvassers will call Sunday afternoon, November 30, to obtain pledges for the annual budgets of their individual churches. The church bells of all churches will ring for five minutes at 2 o'clock as the Canvassers start out and again at 8:00 o'clock Sunday evening to close the canvass.

The United Canvass do not attempt to consolidate the funds raised or to disburse them. Each church conducts its own canvass, relying on the united timing of the campaign, dinner and single canvass Sunday to inspire both the canvassers and church members to a greater realization of the importance of their work and their gifts.

The campaign slogans bespeak many of the by-products of the United Canvass: "Keep Them Ringing," "The Two Most Important Bells in the World," "The Liberty Bell and Your Church Bell," "Keep Them Ringing."

James B. Melcher presided and those present at the head table or among the invited head table guests were Gov. Leverett Saltonstall, Stuart C. Rand, Mayor Paul M. Goddard, Mr. Maynard Hutchinson, Manager, Greater Boston 1942 Community Fund; Dr. Frank Jennings, Executive Secretary, Massachusetts Council of Churches; Members of the Executive Committee of the Newton Ministers' Association: Rev. Charles O. Farrar, Rev. William E. Blake, Rev. Herbert Hitchins, Rev. W. Henry Shillingford, Rev. Randolph S. Merrill, Rabbi Samuel N. Sherman. Members of the Executive Committee of the United Canvass: James B. Melcher, chairman; George W. Palmer, vice-chairman; L. Lee Street, treasurer; Ralph B. "Keep Them Ringing," Hon. H. E. Locke, Frederick S. Bacon, Dinner Committee Chairman and E. S. Whitten, chairman of Advertising and Publicity.

Walker and Purcell Named Police Sergeants

Chief Michael T. Hughes of the Newton Police Department announced the promotion of Patrolmen Charles E. Walker and Philip Purcell to the rank of sergeant last week Wednesday. The appointments were approved by Mayor Paul M. Goddard. The two sergeancies were created by the Board of Aldermen when the day-off-in-six schedule was adopted and the two appointees were first and second, respectively, on the list of eligibles certified by the State Civil Service Division following an examination.

Sergeant Walker is 42 years old, married and resides at 10 Omar tor, Newtonville. He was appointed to the force on Jan. 28, 1923. He is a World War veteran and a former commander of Newton Post, No. 48, American Legion. He has recently been assigned to day patrol duty in West Newton sq. He was assigned to night duty as a sergeant on Thursday night.

Purcell is 38 years old, married, and resides at 11 Lincoln Park, West Newton. He was appointed to the police force on May 31, 1929. He is president of the Newton Municipal Credit Union and has held high office in police organizations. He has been detailed to clothes duty in the inspector's office for the past year. He has been assigned to night duty with the uniformed division.

—Old Age Costs

erty, \$4083.76; maintenance of tools and equipment, \$4500.

Water dept., for water main extension, Hood st., Wd. 7, \$1300. WPA administration, curbing and sidewalk project, \$5000. Recreation dept., office expense, \$100.

Alderman Joseph B. Jamieson, chairman of the Public Works Committee, explained the amount of \$4083.76 for maintenance of property was to be used for the construction of the chain-link fence along the railroad depression from Church st., Newton, to Felton st., West Newton. The city will be reimbursed the identical amount when the work is completed as it represents the railroad's half of the total cost and it was impossible to enter into a legal contract in any other way.

The increasing costs of materials necessitated the appropriations of the other two items for the street department, he stated. Alderman Carrol J. Hoffman voted against both items as a protest against the manner in which the budget was overdrawn. He referred to an item of ten cents in the balance sheet of the garage
